AN ACT relating to motor vehicles; making various changes concerning the registration of motor vehicles; requiring the Department of Motor Vehicles to compile certain statistical information relating to veterans; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Existing law requires the Department of Motor Vehicles, under certain  
2 circumstances, to refund a prorated amount of the registration fee and governmental  
3 services tax on a motor vehicle if a person requests a refund at the time he cancels  
4 his registration and surrenders his license plates. To qualify for a refund, a person  
5 must be a resident of this State, the amount of the prorated refund must exceed  
6 \$100 and certain extenuating circumstances must exist. (NRS 482.399) Existing  
7 law requires the Department to maintain a list of persons who have failed to register  
8 their vehicle within 30 days after becoming a resident or at the time they obtain a  
9 driver's license. The Department must, at least monthly, provide a list of those  
10 persons to the Department of Public Safety. (NRS 482.385)

11 This bill requires the Department of Motor Vehicles to refund the entire amount  
12 of the registration fee and governmental services tax attributable to the current  
13 registration period if 180 days or more remain on the registration at the time a  
14 person cancels his registration and surrenders the license plates. If less than 180  
15 days remain on the registration at the time of cancellation and surrender of the  
16 license plates, the existing pro rata refund applies.

17        This bill reduces the monetary threshold for a refund to an amount that exceeds  
18        \$50 and removes extenuating circumstances that a person must relinquish his  
19        driver's license to qualify for a refund.

20        This bill also requires the Department of Motor Vehicles to inquire of each  
21        person who applies for an instruction permit, driver's license or identification card  
22        whether he wishes to declare that he is a veteran of the Armed Forces of the United  
23        States. The Department must record the number of declarations and report that  
24        number quarterly to the Office of Veterans' Services.

32 services tax on the vehicle to which registration is transferred is less  
33 than the credit on the total registration fee or governmental services  
34 tax paid on all vehicles from which a person transfers his ownership  
35 or interest, no refund may be allowed by the Department.
