AN ACT relating to motor vehicles; making various changes concerning the registration of motor vehicles; requiring the Department of Motor Vehicles to compile certain statistical information relating to veterans; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Department of Motor Vehicles, under certain circumstances, to refund a prorated amount of the registration fee and governmental services tax on a motor vehicle if a person requests a refund at the time he cancels his registration and surrenders his license plates. To qualify for a refund, a person must be a resident of this State, the amount of the prorated refund must exceed \$100 and certain extenuating circumstances must exist. (NRS 482.399)

This bill reduces the monetary threshold for a refund to an amount that exceeds \$50 and removes extenuating circumstances that a person must relinquish his driver's license to qualify for a refund.

This bill also requires the Department of Motor Vehicles to inquire of each person who applies for an instruction permit, driver's license or identification card whether he wishes to declare that he is a veteran of the Armed Forces of the United States. The Department must record the number of declarations and report that number quarterly to the Office of Veterans' Services.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** NRS 482.399 is hereby amended to read as follows:

2 482.399 1. Upon the transfer of the ownership of or interest
3 in any vehicle by any holder of a valid registration, or upon
4 destruction of the vehicle, the registration expires.

5 2. The holder of the original registration may transfer the
6 registration to another vehicle to be registered by him and use the
7 same regular license plate or plates or special license plate or plates
8 issued pursuant to NRS 482.3667 to 482.3823, inclusive, or
9 482.384, on the vehicle from which the registration is being
10 transferred, if the license plate or plates are appropriate for the
11 second vehicle, upon filing an application for transfer of registration
12 and upon paying the transfer registration fee and the excess, if any,
13 of the registration fee and governmental services tax on the vehicle
14 to which the registration is transferred over the total registration fee
15 and governmental services tax paid on all vehicles from which he is
16 transferring his ownership or interest. Except as otherwise provided
17 in NRS 482.294, an application for transfer of registration must be
18 made in person, if practicable, to any office or agent of the
19 Department or to a registered dealer, and the license plate or plates
20 may not be used upon a second vehicle until registration of that
21 vehicle is complete.

22 3. In computing the governmental services tax, the
23 Department, its agent or the registered dealer shall credit the portion
24 of the tax paid on the first vehicle attributable to the remainder of
25 the current registration period or calendar year on a pro rata monthly
26 basis against the tax due on the second vehicle or on any other
27 vehicle of which the person is the registered owner. If any person
28 transfers his ownership or interest in two or more vehicles, the
29 Department or the registered dealer shall credit the portion of the tax
30 paid on all of the vehicles attributable to the remainder of the
31 current registration period or calendar year on a pro rata monthly
32 basis against the tax due on the vehicle to which the registration is
33 transferred or on any other vehicle of which the person is the
34 registered owner. The certificates of registration and unused license
35 plates of the vehicles from which a person transfers his ownership or
36 interest must be submitted before credit is given against the tax due
37 on the vehicle to which the registration is transferred or on any other
38 vehicle of which the person is the registered owner.

39 4. In computing the registration fee, the Department or its
40 agent or the registered dealer shall credit the portion of the
41 registration fee paid on each vehicle attributable to the remainder of
42 the current calendar year or registration period on a pro rata basis

1 against the registration fee due on the vehicle to which registration
2 is transferred.

3 5. If the amount owed on the registration fee or governmental
4 services tax on the vehicle to which registration is transferred is less
5 than the credit on the total registration fee or governmental services
6 tax paid on all vehicles from which a person transfers his ownership
7 or interest, no refund may be allowed by the Department.

8 6. If the license plate or plates are not appropriate for the
9 second vehicle, the plate or plates must be surrendered to the
10 Department or registered dealer and an appropriate plate or plates
11 must be issued by the Department. The Department shall not reissue
12 the surrendered plate or plates until the next succeeding licensing
13 period.

15 60 days after the destruction or transfer of ownership of or interest
16 in any vehicle, the license plate or plates must be surrendered to the
17 Department on or before the 60th day for cancellation of the
18 registration.

20 Department his license plates for a vehicle, the Department shall, in
21 accordance with the provisions of subsection 9, issue to the person a
