20 1. If an application to reopen a claim to increase or rearrange
21 compensation is made in writing more than 1 year after the date on
22 which the claim was closed, the insurer shall reopen the claim if:

23 (a) A change of circumstances warrants an increase or
24 rearrangement of compensation during the life of the claimant;

25 (b) The primary cause of the change of circumstances is the
26 injury for which the claim was originally made; and

27 (c) The application is accompanied by the certificate of a
28 physician or a chiropractor showing a change of circumstances
29 which would warrant an increase or rearrangement of compensation.

30 2. After a claim has been closed, the insurer, upon receiving an
31 application and for good cause shown, may authorize the reopening
32 of the claim for medical investigation only. The application must be
33 accompanied by a written request for treatment from the physician
34 or chiropractor treating the claimant, certifying that the treatment is
35 indicated by a change in circumstances and is related to the
36 industrial injury sustained by the claimant.

37 3. If a claimant applies for a claim to be reopened pursuant to
38 subsection 1 or 2 and a final determination denying the reopening is
39 issued, the claimant shall not reapply to reopen the claim until at
40 least 1 year after the date on which the final determination is issued.

41 4. Except as otherwise provided in subsection 5, if an
42 application to reopen a claim is made in writing within 1 year after
43 the date on which the claim was closed, the insurer shall reopen the
44 claim only if:

1 (a) The application is supported by medical evidence
2 demonstrating an objective change in the medical condition of the
3 claimant; and

4 (b) There is clear and convincing evidence that the primary
5 cause of the change of circumstances is the injury for which the
6 claim was originally made.

7 5. An application to reopen a claim must be made in writing
8 within 1 year after the date on which the claim was closed if:

9 (a) The claimant was not off work as a result of the injury; and

10 (b) The claimant did not receive benefits for a permanent partial
11 disability.

12 ➔ If an application to reopen a claim to increase or rearrange
13 compensation is made pursuant to this subsection, the insurer shall
14 reopen the claim if the requirements set forth in paragraphs (a), (b)
15 and (c) of subsection 1 are met.

16 6. If an employee's claim is reopened pursuant to this section,
17 he is not entitled to vocational rehabilitation services or benefits for
18 a temporary total disability if, before his claim was reopened, he:

19 (a) Retired; or

20 (b) Otherwise voluntarily removed himself from the workforce,
21 ➔ for reasons unrelated to the injury for which the claim was
22 originally made.

23 7. One year after the date on which the claim was closed, an
24 insurer may dispose of the file of a claim authorized to be reopened
25 pursuant to subsection 5, unless an application to reopen the claim
26 has been filed pursuant to that subsection.

27 8. An increase or rearrangement of compensation is not
28 effective before an application for reopening a claim is made unless
29 good cause is shown. The insurer shall, upon good cause shown,
30 allow the cost of emergency treatment the necessity for which has
31 been certified by a physician or a chiropractor.

32 9. A claim that closes pursuant to subsection 2 of NRS
33 616C.235 and is not appealed or is unsuccessfully appealed pursuant
34 to the provisions of NRS 616C.305 and 616C.315 to 616C.385,
35 inclusive, may not be reopened pursuant to this section.

36 10. The provisions of this section apply to any claim for which
37 an application to reopen the claim or to increase or rearrange
38 compensation is made pursuant to this section, regardless of the date
39 of the injury or accident to the claimant. If a claim is reopened
40 pursuant to this section, the amount of any compensation or benefits
41 provided must be determined in accordance with the provisions of
42 NRS 616C.425.

1 **Sec. 8.** NRS 616C.495 is hereby amended to read as follows:
2 616C.495 1. Except as otherwise provided in NRS 616C.380,
3 an award for a permanent partial disability may be paid in a lump
4 sum under the following conditions:

5 (a) A claimant injured on or after July 1, 1973, and before
6 July 1, 1981, who incurs a disability that does not exceed 12 percent
7 may elect to receive his compensation in a lump sum. A claimant
8 injured on or after July 1, 1981, and before July 1, 1995, who incurs
9 a disability that does not exceed 25 percent may elect to receive his
10 compensation in a lump sum.

11 (b) The spouse, or in the absence of a spouse, any dependent
12 child of a deceased claimant injured on or after July 1, 1973, who is
13 not entitled to compensation in accordance with NRS 616C.505, is
14 entitled to a lump sum equal to the present value of the deceased
15 claimant's undisbursed award for a permanent partial disability.

16 (c) Any claimant injured on or after July 1, 1981, and before
17 July 1, 1995, who incurs a disability that exceeds 25 percent may
18 elect to receive his compensation in a lump sum equal to the present
19 value of an award for a disability of 25 percent. If the claimant
20 elects to receive compensation pursuant to this paragraph, the
21 insurer shall pay in installments to the claimant that portion of the
22 claimant's disability in excess of 25 percent.

23 (d) Any claimant injured on or after July 1, 1995, may elect to
24 receive his compensation in a lump sum in accordance with
25 regulations adopted by the Administrator and approved by the
26 Governor. The Administrator shall adopt regulations for
27 determining the eligibility of such a claimant to receive all or any
28 portion of his compensation in a lump sum. Such regulations may
29 include the manner in which an award for a permanent partial
30 disability may be paid to such a claimant in installments.
31 Notwithstanding the provisions of NRS 233B.070, any regulation
32 adopted pursuant to this paragraph does not become effective unless
33 it is first approved by the Governor.

34 2. If the claimant elects to receive his payment for a permanent
35 partial disability in a lump sum pursuant to subsection 1, all of his
36 benefits for compensation terminate. His acceptance of that payment
37 constitutes a final settlement of all factual and legal issues in the
38 case. By so accepting he waives all of his rights regarding the claim,
39 including the right to appeal from the closure of the case or the
40 percentage of his disability, except:

41 (a) His right to ~~reopen~~ :

42 (1) *Reopen* his claim ~~according to~~ *in accordance with* the
43 provisions of NRS 616C.390; *or*

44 (2) *Have his claim considered by his insurer pursuant to*
45 *section 5 of this act;*

(b) Any counseling, training or other rehabilitative services provided by the insurer; and

(c) His right to receive a benefit penalty in accordance with NRS 616D.120.

➤ The claimant must be advised in writing of the provisions of this subsection when he demands his payment in a lump sum, and has 20 days after the mailing or personal delivery of the notice within which to retract or reaffirm his demand, before payment may be made and his election becomes final.

3. Any lump-sum payment which has been paid on a claim incurred on or after July 1, 1973, must be supplemented if necessary to conform to the provisions of this section.

4. Except as otherwise provided in this subsection, the total lump-sum payment for disablement must not be less than one-half the product of the average monthly wage multiplied by the percentage of disability. If the claimant received compensation in installment payments for his permanent partial disability before electing to receive his payment for that disability in a lump sum, the lump-sum payment must be calculated for the remaining payment of compensation.

5. The lump sum payable must be equal to the present value of the compensation awarded, less any advance payment or lump sum previously paid. The present value must be calculated using monthly payments in the amounts prescribed in subsection 7 of NRS 616C.490 and actuarial annuity tables adopted by the Division. The tables must be reviewed annually by a consulting actuary.

6. If a claimant would receive more money by electing to receive compensation in a lump sum than he would if he receives installment payments, he may elect to receive the lump-sum payment.

Sec. 9. NRS 616C.550 is hereby amended to read as follows:

616C.550 1. ~~{Except as otherwise provided in this section, if~~
~~If~~ benefits for a temporary total disability will be paid to an injured employee for more than 90 days, ~~{a vocational rehabilitation counselor shall, within 30 days after being assigned to the claim, make}~~ *the insurer or injured employee may request a vocational rehabilitation counselor to prepare* a written assessment of the injured employee's ability or potential to return to:

(a) The position he held at the time that he was injured; or

(b) Any other gainful employment.

2. Before completing the written assessment, the counselor shall:

(a) Contact the injured employee and:

(1) Identify the injured employee's educational background, work experience and career interests; and

(2) Determine whether the injured employee has any existing marketable skills.

(b) Contact the injured employee's treating physician or chiropractor and determine:

(1) Whether the employee has any temporary or permanent physical limitations;

(2) The estimated duration of the limitations;

(3) Whether there is a plan for continued medical treatment; and

(4) When the employee may return to the position that he held at the time of his injury or to any other position. The treating physician or chiropractor shall determine whether an employee may return to the position that he held at the time of his injury.

3. *Except as otherwise provided in section 6 of this act, the counselor shall prepare the written assessment within 30 days after receiving the request for the written assessment pursuant to subsection 1.* The written assessment must contain a determination as to whether the employee is eligible for vocational rehabilitation services pursuant to NRS 616C.590. If the insurer, with the assistance of the counselor, determines that the employee is eligible for vocational rehabilitation services, a plan for a program of vocational rehabilitation must be completed pursuant to NRS 616C.555.

4. The Division may, by regulation, require a written assessment to include additional information.

5. If an insurer determines that ~~the~~ *a* written assessment ~~required by this section~~ *requested for an injured employee pursuant to subsection 1* is impractical because of the expected duration of the *injured* employee's total temporary disability, the insurer shall:

(a) Complete a written report which specifies his reasons for the decision; and

(b) Review the claim at least once every 60 days.

6. The insurer shall deliver a copy of the written assessment or the report completed pursuant to subsection 5 to the injured employee, his employer, the treating physician or chiropractor and the injured employee's attorney or representative, if applicable.

7. For the purposes of this section, "existing marketable skills" include, but are not limited to:

(a) Completion of:

(1) A program at a trade school;

(2) A program which resulted in an associate's degree; or

(3) A course of study for certification,

↪ if the program or course of study provided the skills and training necessary for the injured employee to be gainfully employed on a

1 reasonably continuous basis in an occupation that is reasonably
2 available in this State.

3 (b) Completion of a 2-year or 4-year program at a college or
4 university which resulted in a degree.

5 (c) Completion of any portion of a program for a graduate's
6 degree at a college or university.

7 (d) Skills acquired in previous employment, including those
8 acquired during an apprenticeship or a program for on-the-job
9 training.

10 ➤ The skills set forth in paragraphs (a) to (d), inclusive, must have
11 been acquired within the preceding 7 years and be compatible with
12 the physical limitations of the injured employee to be considered
13 existing marketable skills.

14 **Sec. 10.** NRS 616C.555 is hereby amended to read as follows:

15 616C.555 1. A vocational rehabilitation counselor shall
16 develop a plan for a program of vocational rehabilitation for each
17 injured employee who is eligible for vocational rehabilitation
18 services pursuant to NRS 616C.590. The counselor shall work with
19 the insurer and the injured employee to develop a program that is
20 compatible with the injured employee's age, sex and physical
21 condition.

22 2. If the counselor ~~{determined in the}~~ *determines in a* written
23 assessment ~~{developed}~~ *requested* pursuant to NRS 616C.550 that
24 the injured employee has existing marketable skills, the plan must
25 consist of job placement assistance only. When practicable, the goal
26 of job placement assistance must be to aid the employee in finding a
27 position which pays a gross wage that is equal to or greater than 80
28 percent of the gross wage that he was earning at the time of his
29 injury. An injured employee must not receive job placement
30 assistance for more than 6 months after the date on which he was
31 notified that he is eligible only for job placement assistance because:

32 (a) He was physically capable of returning to work; or

33 (b) It was determined that he had existing marketable skills.

34 3. If the counselor ~~{determined in the}~~ *determines in a* written
35 assessment ~~{developed}~~ *requested* pursuant to NRS 616C.550 that
36 the injured employee does not have existing marketable skills, the
37 plan must consist of a program which trains or educates the injured
38 employee and provides job placement assistance. Except as
39 otherwise provided in NRS 616C.560, such a program must not
40 exceed:

41 (a) If the injured employee has incurred a permanent disability
42 as a result of which permanent restrictions on his ability to work
43 have been imposed but no permanent physical impairment rating has
44 been issued, or a permanent disability with a permanent physical
45 impairment of 1 percent or more but less than 6 percent, 9 months.

1 (b) If the injured employee has incurred a permanent physical
2 impairment of 6 percent or more, but less than 11 percent, 1 year.

3 (c) If the injured employee has incurred a permanent physical
4 impairment of 11 percent or more, 18 months.

5 ➤ The percentage of the injured employee's permanent physical
6 impairment must be determined pursuant to NRS 616C.490.

7 4. A plan for a program of vocational rehabilitation must
8 comply with the requirements set forth in NRS 616C.585.

9 5. A plan created pursuant to subsection 2 or 3 must assist the
10 employee in finding a job or train or educate the employee and
11 assist him in finding a job that is a part of an employer's regular
12 business operations and from which the employee will gain skills
13 that would generally be transferable to a job with another employer.

14 6. A program of vocational rehabilitation must not commence
15 before the treating physician or chiropractor, or an examining
16 physician or chiropractor determines that the injured employee is
17 capable of safely participating in the program.

18 7. If, based upon the opinion of a treating or an examining
19 physician or chiropractor, the counselor determines that an injured
20 employee is not eligible for vocational rehabilitation services, the
21 counselor shall provide a copy of the opinion to the injured
22 employee, the injured employee's employer and the insurer.

23 8. A plan for a program of vocational rehabilitation must be
24 signed by a certified vocational rehabilitation counselor.

25 9. If an initial program of vocational rehabilitation pursuant to
26 this section is unsuccessful, an injured employee may submit a
27 written request for the development of a second program of
28 vocational rehabilitation which relates to the same injury. An insurer
29 shall authorize a second program for an injured employee upon
30 good cause shown.

31 10. If a second program of vocational rehabilitation pursuant to
32 subsection 9 is unsuccessful, an injured employee may submit a
33 written request for the development of a third program of vocational
34 rehabilitation which relates to the same injury. The insurer, with the
35 approval of the employer who was the injured employee's employer
36 at the time of his injury, may authorize a third program for the
37 injured employee. If such an employer has terminated operations,
38 his approval is not required for authorization of a third program. An
39 insurer's determination to authorize or deny a third program of
40 vocational rehabilitation may not be appealed.

41 11. The Division shall adopt regulations to carry out the
42 provisions of this section. The regulations must specify the contents
43 of a plan for a program of vocational rehabilitation.

Sec. 11. NRS 687A.033 is hereby amended to read as follows:

687A.033 1.
