**Sec. 2.** *As used in sections 2 to 17, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 3 to 6, inclusive, of this act have the meanings ascribed to them in those sections.*

**Sec. 3.** *“Emotionally disturbed child” has the meaning ascribed to it in NRS 433B.080.*

**Sec. 4.** *“Facility” means a psychiatric hospital or facility which provides residential treatment for mental illness that has a unit in the hospital or facility capable of being locked to prevent an emotionally disturbed child from leaving the hospital or facility.*

**Sec. 5.** *“Person professionally qualified in the field of psychiatric mental health” has the meaning ascribed to it in NRS 433A.018.*

**Sec. 6.** *“Treatment” has the meaning ascribed to it in NRS 433.224.*

**Sec. 7.** *A proceeding for a court-ordered admission of a child alleged to be an emotionally disturbed child who is in the custody of an agency which provides child welfare services to a facility may be commenced by the filing of a petition with the clerk of the court which has jurisdiction in proceedings concerning the child. The petition may be filed by the agency which provides child welfare services without the consent of a parent of the child. The petition must be accompanied:*

*1. By a certificate of a physician, psychiatrist or licensed psychologist stating that he has examined the child alleged to be emotionally disturbed and has concluded that the child is emotionally disturbed and, because of that condition is likely to harm himself or others if allowed his liberty; or*

*2. By a sworn written statement by the petitioner that:*

*(a) The petitioner has, based upon his personal observation of the child alleged to be emotionally disturbed, probable cause to believe that the child is emotionally disturbed and, because of that condition is likely to harm himself or others if allowed his liberty; and*

*(b) The child alleged to be emotionally disturbed has refused to submit to examination or treatment by a physician, psychiatrist or licensed psychologist.*

1     **Sec. 8. 1.** *Except as otherwise provided in section 9 of this*  
2 *act, if the court finds, after proceedings for the court-ordered*  
3 *admission of a child alleged to be an emotionally disturbed child*  
4 *who is in the custody of an agency which provides child welfare*  
5 *services to a facility:*

6     (a) *That there is not clear and convincing evidence that the*  
7 *child with respect to whom the hearing was held exhibits*  
8 *observable behavior such that he is likely to harm himself or*  
9 *others if allowed his liberty, the court shall enter its finding to that*  
10 *effect and the child must not be admitted to a facility.*

11     (b) *That there is clear and convincing evidence that the child*  
12 *with respect to whom the hearing was held is in need of treatment*  
13 *in a facility and is likely to harm himself or others if allowed his*  
14 *liberty, the court may order the admission of the child for the most*  
15 *appropriate course of treatment. The order of the court must be*  
16 *interlocutory and must not become final if, within 30 days after*  
17 *the admission, the child is unconditionally released from the*  
18 *facility pursuant to section 16 of this act.*

19     2. *Before issuing an order for admission or a renewal*  
20 *thereof, the court shall explore other alternative courses of*  
21 *treatment within the least restrictive appropriate environment as*  
22 *suggested by the evaluation team who evaluated the child, or other*  
23 *persons professionally qualified in the field of psychiatric mental*  
24 *health, which, the court believes may be in the best interests of the*  
25 *child.*

26     **Sec. 9. 1.** *An agency which provides child welfare services*  
27 *shall not place a child who is in the custody of the agency in a*  
28 *facility, other than under an emergency admission, unless the*  
29 *agency has petitioned the court for the court-ordered admission of*  
30 *the child to a facility pursuant to section 7 of this act.*

31     2. *If a petition for the court-ordered admission of a child filed*  
32 *pursuant to section 7 of this act is accompanied by the information*  
33 *described in subsection 2 of section 7 of this act, the court shall*  
34 *order a psychological evaluation of the child.*

35     3. *If a court which receives a petition filed pursuant to*  
36 *section 7 of this act for the court-ordered admission to a facility of*  
37 *a child who is in the custody of an agency which provides child*  
38 *welfare services determines pursuant to subsection 2 of section 8*  
39 *of this act that the child could be treated effectively in a less*  
40 *restrictive appropriate environment than a facility, the court must*  
41 *order the placement of the child in a less restrictive appropriate*  
42 *environment. In making such a determination, the court may*  
43 *consider any information provided to the court, including, without*  
44 *limitation:*

45     (a) *Any information provided pursuant to subsection 4;*

1     (b) Any suggestions of psychologists, psychiatrists or other  
2     physicians who have evaluated the child concerning the  
3     appropriate environment for the child; and

4     (c) Any suggestions of licensed clinical social workers or other  
5     professionals or any adult caretakers who have interacted with the  
6     child and have information concerning the appropriate  
7     environment for the child.

8     4. If a petition for the court-ordered admission of a child who  
9     is in the custody of an agency which provides child welfare  
10    services is filed pursuant to section 7 of this act:

11    (a) Any person, including, without limitation, the child, may  
12    oppose the petition for the court-ordered admission of the child by  
13    filing a written opposition with the court; and

14    (b) The agency which provides child welfare services must  
15    present information to the court concerning whether:

16    (1) A facility is the appropriate environment to provide  
17    treatment to the child; or

18    (2) A less restrictive appropriate environment would serve  
19    the needs of the child.

20    **Sec. 10.** 1. Not later than 5 days after a child who is in the  
21    custody of an agency which provides child welfare services has  
22    been admitted to a facility pursuant to section 8 of this act, the  
23    agency which provides child welfare services shall inform the  
24    child of his legal rights and the provisions of NRS 433.456 to

28    requesting the court to authorize a second examination by an  
29    evaluation team that includes a physician, psychiatrist or licensed  
30    psychologist other than a physician, psychiatrist or licensed  
31    psychologist who performed an original examination which  
32    authorized the court to order the admission of the child to the  
33    facility.

34    2. If the court authorizes a second examination of the child,  
35    the examination must:

36    (a) Include, without limitation, an evaluation concerning  
37    whether the child should remain in the facility and a  
38    recommendation concerning the appropriate placement of the  
39    child which must be provided to the facility; and

40    (b) Be paid for by the governmental entity that is responsible  
41    for the agency which provides child welfare services, if such  
42    payment is not otherwise provided by the State Plan for Medicaid.

43    **Sec. 11.** In determining pursuant to sections 8 and 12 of this

22 *terminated previously by the facility as provided for in subsection*  
23 *2 of section 16 of this act.*

24 *2. At the end of the court-ordered period of treatment, the*  
25 *agency which provides child welfare services, the Division of Child*

24 any officer authorized to make arrests in the State of Nevada. The  
25 petition must be accompanied:

26 (a) By a certificate of a physician, psychiatrist or licensed  
27 psychologist stating that he has examined the person alleged to be  
28 mentally ill and has concluded that the person is a mentally ill  
29 person and, because of that illness is likely to harm himself or others  
30 if allowed his liberty; or

31 (b) By a sworn written statement by the petitioner that:

32 (1) The petitioner has, based upon his personal observation

1     **Sec. 19.** NRS 433A.310 is hereby amended to read as follows:

2     433A.310 1. ~~HF~~ *Except as otherwise provided in sections 8*

6     (a) That there is not clear and convincing evidence that the  
7 person with respect to whom the hearing was held is a mentally ill  
8 person or exhibits observable behavior such that he is likely to harm  
9 himself or others if allowed his liberty, the court shall enter its  
10 finding to that effect and the person must not be involuntarily  
11 detained in such a facility.

12     (b) That there is clear and convincing evidence that the person  
13 with respect to whom the hearing was held is a mentally ill person  
14 and, because of that illness, is likely to harm himself or others if  
15 allowed his liberty, the court may order the involuntary admission of

25 ~~AA~~ *Except as otherwise provided in section 12 of this act, at* the  
26 end of the court-ordered period of treatment, the Division or any  
27 mental health facility that is not operated by the Division may

29 not to exceed 6 months each. For each renewal, the petition must set  
30 forth to the court specific reasons why further treatment would be in  
31 the person's own best interests.

32     3. Before issuing an order for involuntary admission or a  
33 renewal thereof, the court shall explore other alternative courses of  
34 treatment within the least restrictive appropriate environment as  
35 suggested by the evaluation team who evaluated the person, or other  
36 persons professionally qualified in the field of psychiatric mental  
37 health, which the court believes may be in the best interests of the  
38 person.

39     **Sec. 20.** This act becomes effective on July 1, 2005.
