

Assembly Bill No. 40—Assemblywoman Leslie

CHAPTER.....

AN ACT relating to health; requiring the licensure of community triage centers by the State Board of Health; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Board of Health to regulate and license medical facilities and defines the types of medical facilities which must be licensed and regulated. (NRS 449.0151, 449.037)
