AN ACT relating to taxation; authorizing the Board of County Commissioners of Clark County to increase sales and use tax to employ and equip additional police officers for the Boulder City Police Department, Henderson Police Department, Las Vegas Metropolitan Police Department, Mesquite Police Department and North Las Vegas Police Department; and providing other matters properly relating thereto.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

- 1 **Section 1.** This act may be cited as the Clark County Sales and
2 Use Tax Act of 2005.
3 **Sec. 2.** The Legislature hereby finds and declares that:
4 1. Nevada continues to be the fastest-growing state in the
5 nation, with the overwhelming majority of this population growth
6 occurring in Clark County, which adds 6,000 to 7,000 new residents
7 each month;
8 2. The increase in the number of police officers to protect the
9 residents of Clark County has not kept pace with the explosive
10 growth in the numbers of these residents, so, while the nation as a

1 whole averages 2.5 police officers for each 1,000 residents, the
2 current ratio in Clark County is now only 1.7 police officers for each
3 1,000 residents;

4 3. The crime rate in Clark County is increasing, and so is the
5 time it takes for police officers to respond when a resident reports a
6 crime, while the very real threat of terrorism means that police now
7 must assume added responsibilities for homeland security;

8 4. A majority of the voters in Clark County approved at the
9 November 2, 2004, general election Advisory Question No. 9,
10 indicating their support for an increase in the sales tax of up to one-
11 half of 1 percent for the purpose of employing and equipping more
12 police officers to protect the residents of Clark County;

13 5. It is intended that 80 percent of any additional police officers
14 employed and equipped pursuant to this act be assigned to uniform
15 operations for marked patrol units in the community and for the
16 control of traffic;

17 6. It is further intended that each police department that
18 receives proceeds from any sales and use tax imposed pursuant to
19 this act establish a program that promotes community participation
20 in protecting the residents of the community that includes, without
21 limitation:

22 (a) A written policy of the department that sets forth its position
23 on providing law enforcement services oriented toward the
24 involvement of residents of the community;

25 (b) The provision of training for all police officers employed by
26 the department that includes, without limitation, training related to:

27 (1) Methods that may be used to analyze, respond to and
28 solve problems commonly confronted by police officers in the
29 community;

30 (2) The cultural and racial diversity of the residents of the
31 community;

32 (3) The proper utilization of community resources, such as
33 local housing authorities, public utilities and local public officials,
34 that are available to assist in providing law enforcement services;
35 and

36 (4) Issues concerning not only the prevention of crime, but
37 also concerning improving the quality of life for the residents of the
38 community; and

39 (c) The formation of partnerships with the residents of the
40 community and public and private agencies and organizations to
41 address mutual concerns related to the provision of law enforcement
42 services;

43 7. A general law cannot be made applicable to the purposes,
44 objects, powers, rights, privileges, immunities, liabilities, duties and
45 disabilities provided in this act because of the demographic,

1 economic and geographic diversity of the local governments of this
2 State, the unique growth patterns occurring in Clark County and the
3 special financial conditions experienced in the County related to the
4 need to employ and equip more police officers; and

5 8. The powers, rights, privileges, immunities, liabilities, duties
6 and disabilities provided in this act comply in all respects with any
7 requirement or limitation pertaining thereto and imposed by any
8 constitutional provisions.

9 **Sec. 3.** Except as otherwise provided in this act or unless the
10 context otherwise requires, terms used or referred to in this act have
11 the meanings ascribed to them in chapter 374 of NRS, as from time
12 to time amended, but the definitions in sections 4 to 8, inclusive, of
13 this act, unless the context otherwise requires, govern the
14 construction of this act.

15 **Sec. 4.** "Act" means the Clark County Sales and Use Tax Act
16 of 2005.

17 **Sec. 5.** "Board" means the Board of County Commissioners of
18 Clark County.

19 **Sec. 6.** "County" means Clark County.

20 **Sec. 7.** "County Treasurer" means the County Treasurer of
21 Clark County.

22 **Sec. 8.** "Department" means the Department of Taxation
23 created pursuant to NRS 360.120.

26 officers for the Boulder City Police Department, Henderson Police
27 Department, Las Vegas Metropolitan Police Department, Mesquite
28 Police Department and North Las Vegas Police Department.

29 2. The proceeds from the tax authorized pursuant to this
30 section, including interest and other income earned thereon, must
31 be:

32 (a) Allocated among the police departments within the County
33 in the same ratio that the population served by each department
34 bears to the total population of the County. As used in this
35 paragraph, "population" means the estimated annual population
36 determined pursuant to NRS 360.283.

37 (b) Used for the purposes set forth in this section unless the
38 Legislature changes the use. The Board shall, before submitting to
39 the Legislature any request to change the uses for the proceeds from
40 the tax, submit an advisory question to the voters of the County
41 pursuant to NRS 293.482, asking whether the uses for the proceeds
42 from the tax should be so changed. The Board shall not submit such
43 a request to the Legislature if a majority of the voters in the County
44 disapprove the proposed change.

1 **Sec. 10.** An ordinance enacted pursuant to this act must
2 include provisions in substance as follows:

3 1. A provision imposing a tax on the gross receipts of any
4 retailer from the sale of all tangible personal property sold at retail
5 or stored, used or otherwise consumed in the County, including
6 incorporated cities in the County, at a rate of:

7 (a) One-quarter of 1 percent if the date on which the tax must
8 first be imposed is on October 1, 2005; and

9 (b) Up to an additional one-quarter of 1 percent if the date on
10 which the increased rate must first be imposed is on or after
11 October 1, 2009, and if the Legislature first approves the increased
12 rate,

13 ↳ the total rate not to exceed one-half of 1 percent.

14 2. Provisions substantially identical to those contained in
15 chapter 374 of NRS, insofar as applicable.

16 3. A provision that an amendment to chapter 374 of NRS
17 enacted after the effective date of the ordinance, not inconsistent
18 with this act, automatically becomes part of the ordinance imposing
19 the tax.

20 4. A provision that the Board shall contract with the
21 Department, before the effective date of the ordinance, to perform
22 all the functions incident to the administration or operation of the
23 tax in the County.

24 5. A provision that exempts from the tax the gross receipts
25 from the sale of, and the storage, use or other consumption in the
26 County, including incorporated cities in the County, of, tangible
27 personal property used for the performance of a written contract for
28 the construction of an improvement to real property:

29 (a) That was entered into on or before the effective date of the
30 tax; or

31 (b) For which a binding bid was submitted before that date if the
32 bid was afterward accepted, and pursuant to the terms of the
33 contract or bid, the contract price or bid amount may not be adjusted
34 to reflect the imposition of the tax.

35 6. A provision that specifies the date on which the tax must
36 first be imposed, which must not be earlier than the first day of the
37 second calendar month following the effective date of the ordinance.

38 **Sec. 11.** (Deleted by amendment.)

39 **Sec. 12.** An ordinance amending an ordinance enacted
40 pursuant to this act, except an ordinance authorizing the issuance of
41 bonds or other securities, must include a provision in substance that
42 the Board shall amend a contract made pursuant to subsection 4 of
43 section 10 of this act by a contract made between the Board and the
44 Department before the effective date of the amendatory ordinance,

1 unless the Board determines with the written concurrence of the

15 fees, taxes, interest and penalties collected pursuant to this act
16 during the preceding month as compensation to the State for the cost

21 collected pursuant to this act only.

22 (b) Determine the amount equal to all fees, taxes, interest and

24 the preceding month, less the amount transferred to the State

26 (c) Transfer the amount determined pursuant to paragraph (b) to
27 the Intergovernmental Fund and remit the money to the County
28 Treasurer.

29 **Sec. 15.** The Department may redistribute any proceeds from
30 the tax, interest or penalty collected pursuant to this act which is
31 determined to be improperly distributed, but no such redistribution
32 may be made as to amounts originally distributed more than 6
33 months before the date on which the Department obtains knowledge
34 of the improper distribution.

35 **Sec. 16.** 1. The County Treasurer shall deposit money
36 received from the State Controller pursuant to paragraph (c) of
37 subsection 3 of section 14 of this act into the County Treasury for
38 credit to a fund created for the use of the proceeds from the tax
39 authorized by this act.

40 2. The fund of the County created for the use of the proceeds
41 from the tax authorized by this act must be accounted for as a
42 separate fund and not as a part of any other fund.

3. The County Treasurer upon receipt of the money remitted to him pursuant to this section shall distribute it to the appropriate accounts in accordance with the allotments established pursuant to section 9 of this act.

2. This act must not be construed to prevent the exercise of any power granted by any other law to the County or any officer, agent or employee of the County.

3. This act must not be construed to repeal or otherwise affect any other law or part thereof.

4. This act is intended to provide a separate method of accomplishing the objectives of the act, but not an exclusive method.

5. If any provision of this act, or application thereof to any person, thing or circumstance, is held invalid, the invalidity shall not affect the provisions or application of this act which can be given effect without the invalid provision or application, and to this end the provisions of this act are declared to be severable.
