Legislative Counsel's Digest:

- 1 Existing law creates the Fund for the Institutional Care of the Medically
- 2 Indigent in the State Treasury. The purpose of the Fund is to provide assistance to a
- 3 county that is unable to make a payment for the nonfederal share of its expenses for
- 4 the institutional care of medically indigent persons pursuant to the State Plan for
- 5 Medicaid as required by an interlocal agreement between the county and the
- 6 Department of Human Resources. (NRS 428.470, 428.490)

7 This bill repeals the provisions relating to the Fund for the Institutional Care of
8 the Medically Indigent including the provisions concerning the transfer of money
9 from the Fund to assist counties. In addition, this bill requires the board of county
10 commissioners of each county to levy certain taxes to pay for the nonfederal share
11 of its expenses for the institutional care of medically indigent persons pursuant to
12 the State Plan for Medicaid. Any such expenses not covered by the amount of taxes
13 levied by the counties must be paid for by the State of Nevada through the
14 Department of Human Resources.

23 428.030 1. When any person meets the uniform standards of
24 eligibility established by the board of county commissioners or by
25 NRS 439B.310, if applicable, and complies with any requirements
26 imposed pursuant to NRS 428.040, he is entitled to receive such
27 relief as is in accordance with the policies and standards established
28 and approved by the board of county commissioners and within the
29 limits of the money which may be lawfully appropriated pursuant to
30 NRS 428.050, 428.285 and 450.425 *and section 1 of this act* for this
31 purpose.

32 2. The board of county commissioners of the county of

36 than the payment required for providing the same treatment to
37 patients pursuant to the State Plan for Medicaid within the limits of

Sec. 5. NRS 428.050 is hereby amended to read as follows:

428.050 1. In addition to the tax levied pursuant to NRS 428.185 and 428.285 *and section 1 of this act* and any tax levied pursuant to NRS 450.425, the board of county commissioners of a county shall, at the time provided for the adoption of its final budget, levy an ad valorem tax to provide aid and relief to those persons coming within the purview of this chapter. In a county whose population is 400,000 or more, this levy must not exceed that adopted for the purposes of this chapter for the fiscal year ending June 30, 1971, diminished by 12.3 cents for each \$100 of assessed valuation. In a county whose population is less than 400,000 the rate of the tax must be calculated to produce not more than the amount of money allocated pursuant to NRS 428.295.

2. The board of county commissioners of any county in which there was no levy adopted for the purposes of this chapter for the fiscal year ending June 30, 1971, may request that the Nevada Tax Commission establish a maximum rate for the levy of taxes ad valorem by the county to provide aid and relief pursuant to this chapter.

3. No county may expend or contract to expend for that aid and relief a sum in excess of that provided by the maximum ad valorem levy set forth in subsection 1 of this section and NRS 428.185, 428.285 and 450.425, *and section 1 of this act*, or established pursuant to subsection 2, together with such outside resources as it may receive from third persons, including, but not limited to, expense reimbursements, grants-in-aid or donations lawfully attributable to the county indigent fund.

4. Except as otherwise provided in this subsection, no interfund transfer, medium-term obligation procedure or contingency transfer may be made by the board of county commissioners to provide resources or appropriations to a county indigent fund in excess of those which may be otherwise lawfully provided pursuant to subsections 1, 2 and 3 of this section and NRS 428.185, 428.285 and

1 450.425 ~~§~~ *and section 1 of this act.* If the health of indigent
2 persons in the county is placed in jeopardy and there is a lack of
3 money to provide necessary medical care under this chapter, the
4 board of county commissioners may declare an emergency and
5 provide additional money for medical care from whatever sources
6 may be available.

7 **Sec. 6.** NRS 428.060 is hereby amended to read as follows:

8 428.060 1. If it appears to the satisfaction of the board of
9 county commissioners that the county of residence of an indigent
10 person applying for relief is another county in this State, the board
11 shall provide temporary relief for the indigent in accordance with
12 the policies and standards established and approved by the board of
13 county commissioners and within the limits of money which may be
14 lawfully appropriated thereby for this purpose pursuant to NRS
15 428.050, 428.285 and 450.425, *and section 1 of this act*, and shall
16 notify immediately the board of county commissioners of the county
17 of residence of the indigent person.

18 2. The notice must be in writing, attested by the clerk of the
19 board of county commissioners, and deposited in the post office,
20 addressed to the board of county commissioners of the other county.

21 3. The board of county commissioners receiving the notice
22 may cause the indigent person to be removed immediately to that
23 county, and shall pay a reasonable compensation for the temporary
24 relief afforded. If the board of county commissioners chooses not to
25 remove the indigent person, the county affording relief has a legal
26 claim against any money lawfully available in that county for the
27 relief necessarily furnished, and may recover it in a suit at law.

28 **Sec. 7.** NRS 428.090 is hereby amended to read as follows:

29 428.090 1. When a nonresident or any other person who
30 meets the uniform standards of eligibility prescribed by the board of
31 county commissioners or by NRS 439B.310, if applicable, falls sick
32 in the county, not having money or property to pay his board,
33 nursing or medical aid, the board of county commissioners of the
34 proper county shall, on complaint being made, give or order to be
35 given such assistance to the poor person as is in accordance with the
36 policies and standards established and approved by the board of
37 county commissioners and within the limits of money which may be
38 lawfully appropriated for this purpose pursuant to NRS 428.050,
39 428.285 and 450.425 ~~§~~ *and section 1 of this act.*

40 2. If the sick person dies, the board of county commissioners
41 shall give or order to be given to the person a decent burial or
42 cremation.

43 3. Except as otherwise provided in NRS 422.382, the board of
44 county commissioners shall make such allowance for the person's

board, nursing, medical aid, burial or cremation as the board deems just and equitable, and order it paid out of the county treasury.

4. The responsibility of the board of county commissioners to provide medical aid or any other type of remedial aid under this section is relieved to the extent provided in NRS 422.382 and to the extent of the amount of money or the value of services provided by:

(a) The Department of Human Resources to or for such persons for medical care or any type of remedial care under the State Plan for Medicaid; and

(b) The Fund for Hospital Care to Indigent Persons under the provisions of NRS 428.115 to 428.255, inclusive.

Sec. 8. NRS 428.185 is hereby amended to read as follows:

428.185 1. In addition to the taxes levied pursuant to NRS 428.050 and 428.285 *and section 1 of this act* and any tax levied pursuant to NRS 450.425, the board of county commissioners of each county shall levy an ad valorem tax at a rate which must be calculated by:

(a) First multiplying the tax rate of 1.5 cents on each \$100 of assessed valuation by the assessed valuation of all taxable property in this State, including new real property, possessory interests and mobile homes, during the next fiscal year.

(b) Then subtracting the amount of unencumbered money in the Fund on May 1 of the current fiscal year.

(c) Then setting the rate so that the revenue from the tax does not exceed the amount resulting from the calculations made in paragraphs (a) and (b).

2. The tax so levied and its proceeds must be excluded in computing the maximum amount of money which the county is permitted to receive from taxes ad valorem and the highest permissible rate of such taxes.

3. The proceeds of this tax must be remitted in the manner provided for in NRS 361.745 to the State Controller for credit to the Fund.

Sec. 9. NRS 428.285 is hereby amended to read as follows:

428.285 1. The board of county commissioners of each county shall establish a tax rate of at least 6 cents on each \$100 of assessed valuation for the purposes of the tax imposed pursuant to subsection 2. A board of county commissioners may increase the rate to not more than 10 cents on each \$100 of assessed valuation.

2. In addition to the levies provided in NRS 428.050 and 428.185 *and section 1 of this act* and any tax levied pursuant to NRS 450.425, the board of county commissioners shall levy a tax ad valorem at a rate necessary to produce revenue in an amount equal to an amount calculated by multiplying the assessed valuation of all taxable property in the county by the tax rate established pursuant to

1 subsection 1, and subtracting from the product the amount of
2 unencumbered money remaining in the fund on May 1 of the current
3 fiscal year.

4 3. For each fiscal year beginning on or after July 1, 1989, the
5 board of county commissioners of each county shall remit to the
6 State Controller from the money in the fund an amount of money
7 equivalent to 1 cent on each \$100 of assessed valuation of all
8 taxable property in the county for credit to the supplemental fund.

9 4. The tax so levied and its proceeds must be excluded in
10 computing the maximum amount of money which the county is
11 permitted to receive from taxes ad valorem and the highest
12 permissible rate of such taxes.

13 **Sec. 10.** NRS 439B.330 is hereby amended to read as follows:

14 439B.330 1. Except as otherwise provided in NRS 439B.300
15 and subsection 2 , ~~[of this section.]~~ each county shall use the
16 definition of "indigent" in NRS 439B.310 to determine a person's
17 eligibility for medical assistance pursuant to chapter 428 of NRS,
18 other than assistance provided pursuant to NRS 428.115 to 428.255,
19 inclusive.

20 2. A board of county commissioners may, if it determines that
21 a hospital within the county is serving a disproportionately large
22 share of low-income patients:

23 (a) Pay a higher rate to the hospital for treatment of indigent
24 inpatients;

25 (b) Pay the hospital for treatment of indigent inpatients whom
26 the hospital would otherwise be required to treat without receiving
27 compensation from the county; or

28 (c) Both pay at a higher rate and pay for inpatients for whom the
29 hospital would otherwise be uncompensated.

30 3. Each hospital which treats an indigent inpatient shall submit
31 to the board of county commissioners of the county of residence of
32 the patient a discharge form identifying the patient as a possible
33 indigent and containing the information required by the Department
34 and the county to be included in all such forms.

35 4. The county which receives a discharge form from a hospital
36 for an indigent inpatient shall verify the status of the patient and the
37 amount which the hospital is entitled to receive. A hospital
38 aggrieved by a determination of a county regarding the indigent
39 status of an inpatient may appeal the determination to the Director
40 or a person designated by the Director to hear such an appeal. The
41 decision of the Director or the person he designates must be mailed
42 by registered or certified mail to the county and the hospital. The
43 decision of the Director or the person he designates may be appealed
44 to a court having general jurisdiction in the county within 15 days

1 after the date of the postmark on the envelope in which the decision
2 was mailed.

3 5. Except as otherwise provided in subsection 2 of this section
4 and subsection 3 of NRS 439B.320, if the county is the county of
5 residence of the patient and the patient is indigent, the county shall
6 pay to the hospital the amount required, within the limits of money
7 which may lawfully be appropriated for this purpose pursuant to
8 NRS 428.050, 428.285 and 450.425 ~~and~~ *and section 1 of this act.*

9 6. For the purposes of this section, the county of residence of
10 the patient is the county of residence of that person before he was
11 admitted to the hospital.

12 **Sec. 11.** NRS 439B.340 is hereby amended to read as follows:

13 439B.340 1. Before September 30 of each year, each county
14 in which hospitals subject to the provisions of NRS 439B.300 to
15 439B.340, inclusive, are located shall provide to the Department a
16 report showing:

17 (a) The total number of inpatients treated by each such hospital
18 who are claimed by the hospital to be indigent;

19 (b) The number of such patients for whom no reimbursement
20 was provided by the county because of the limitation imposed by
21 subsection 3 of NRS 439B.320;

22 (c) The total amount paid to each such hospital for treatment of
23 such patients; and

24 (d) The amount the hospital would have received for patients for
25 whom no reimbursement was provided.

26 2. The Director shall verify the amount of treatment provided
27 to indigent inpatients by each hospital to which no reimbursement
28 was provided by:

29 (a) Determining the number of indigent inpatients who received
30 treatment. For a hospital that has contracted with the Department of
31 Human Resources pursuant to subsection 4 of NRS 428.030, the
32 Director shall determine the number based upon the evaluations of
33 eligibility made by the employee assigned to the hospital pursuant to
34 the contract. For all other hospitals, the Director shall determine the
35 number based upon the report submitted pursuant to subsection 1 of
36 this section.

37 (b) Multiplying the number of indigent inpatients who received
38 each type of treatment by the highest amount paid by the county for
39 that treatment.

40 (c) Adding the products of the calculations made pursuant to
41 paragraphs (a) and (b) for all treatment provided.

42 ➡ If the total amount of treatment provided to indigent inpatients in
43 the previous fiscal year by the hospital was less than its minimum
44 obligation for the year, the Director shall assess the hospital for the
45 amount of the difference between the minimum obligation and the

1 actual amount of treatment provided by the hospital to indigent
2 inpatients. If a decision of a county regarding the indigent status of
3 one or more inpatients is pending appeal before the Director or upon
4 receiving satisfactory proof from a hospital that the decision is
5 pending appeal before a court having general jurisdiction in the
6 county pursuant to subsection 4 of NRS 439B.330, the Director
7 shall defer assessing the hospital the amount that may be offset by
8 the determination on appeal until a final determination of the matter
9 is made.

10 3. If the Director determines that a hospital has met its
11 obligation to provide treatment to indigent inpatients, he shall
12 certify to the county in which the hospital is located that the hospital
13 has met its obligation. The county is not required to pay the hospital
14 for the costs of treating indigent inpatients until the certification is
15 received from the Director. The county shall pay the hospital for
16 such treatment within 30 days after receipt of the certification to the
17 extent that money was available for payment pursuant to NRS
18 428.050, 428.285 and 450.425 *and section 1 of this act* at the time
19 the treatment was provided.

20 4. The Director shall determine the amount of the assessment
21 which a hospital must pay pursuant to this section and shall notify
22 the hospital in writing of that amount on or before November 1 of
23 each year. The notice must include, but is not limited to, a written
24 statement for each claim which is denied indicating why the claim
25 was denied. Payment is due 30 days after receipt of the notice,
26 except for assessments deferred pursuant to subsection 2 which, if
27 required, must be paid within 30 days after the court hearing the
28 appeal renders its decision. If a hospital fails to pay the assessment
29 when it is due the hospital shall pay, in addition to the assessment:

30 (a) Interest at a rate of 1 percent per month for each month after
31 the assessment is due in which it remains unpaid; and

32 (b) Any court costs and fees required by the Director to obtain
33 payment of the assessment and interest from the hospital.

34 5. Any money collected pursuant to this section must be paid to
35 the county in which the hospital paying the assessment is located for
36 use in paying other hospitals in the county for the treatment of
37 indigent inpatients by those hospitals. The money received by a
38 county from assessments made pursuant to this section does not
39 constitute revenue from taxes ad valorem for the purposes of NRS
40 354.59811, 428.050, 428.285 and 450.425, *and section 1 of this act*,
41 and must be excluded in determining the maximum rate of tax
42 authorized by those sections.

43 **Sec. 12.** NRS 439B.410 is hereby amended to read as follows:

44 439B.410 1. Except as otherwise provided in subsection 4,
45 each hospital in this State has an obligation to provide emergency

1 services and care, including care provided by physicians and nurses,
2 and to admit a patient where appropriate, regardless of the financial
3 status of the patient.

4 2. Except as otherwise provided in subsection 4, it is unlawful
5 for a hospital or a physician working in a hospital emergency room
6 to:

7 (a) Refuse to accept or treat a patient in need of emergency
8 services and care; or

9 (b) Except when medically necessary in the judgment of the
10 attending physician:

11 (1) Transfer a patient to another hospital or health facility
12 unless, as documented in the patient's records:

13 (I) A determination has been made that the patient is
14 medically fit for transfer;

15 (II) Consent to the transfer has been given by the
16 receiving physician, hospital or health facility;

17 (III) The patient has been provided with an explanation of
18 the need for the transfer; and

19 (IV) Consent to the transfer has been given by the patient
20 or his legal representative; or

21 (2) Provide a patient with orders for testing at another
22 hospital or health facility when the hospital from which the orders
23 are issued is capable of providing that testing.

24 3. A physician, hospital or other health facility which treats a
25 patient as a result of a violation of subsection 2 by a hospital or a
26 physician working in the hospital is entitled to recover from that
27 hospital an amount equal to three times the charges for the treatment
28 provided that was billed by the physician, hospital or other health
29 facility which provided the treatment, plus reasonable attorney's
30 fees and costs.

31 4. This section does not prohibit the transfer of a patient from
32 one hospital to another:

33 (a) When the patient is covered by an insurance policy or other
34 contractual arrangement which provides for payment at the
35 receiving hospital;

36 (b) After the county responsible for payment for the care of an
37 indigent patient has exhausted the money which may be
38 appropriated for that purpose pursuant to NRS 428.050, 428.285 and
39 450.425 **and section 1 of this act**; or

40 (c) When the hospital cannot provide the services needed by the
41 patient.

42 ➡ No transfer may be made pursuant to this subsection until the
43 patient's condition has been stabilized to a degree that allows the
44 transfer without an additional risk to the patient.

45 5. As used in this section:

(a) "Emergency services and care" means medical screening, examination and evaluation by a physician or, to the extent permitted by a specific statute, by a person under the supervision of a physician, to determine if an emergency medical condition or active labor exists and, if it does, the care, treatment and surgery by a physician necessary to relieve or eliminate the emergency medical condition or active labor, within the capability of the hospital. As used in this paragraph:

(1) "Active labor" means, in relation to childbirth, labor that occurs when:

(I) There is inadequate time before delivery to transfer the patient safely to another hospital; or

(II) A transfer may pose a threat to the health and safety of the patient or the unborn child.

(2) "Emergency medical condition" means the presence of acute symptoms of sufficient severity, including severe pain, such that the absence of immediate medical attention could reasonably be expected to result in:

(I) Placing the health of the patient in serious jeopardy;

(II) Serious impairment of bodily functions; or

(III) Serious dysfunction of any bodily organ or part.

(b) "Medically fit" means that the condition of the patient has been sufficiently stabilized so that he may be safely transported to another hospital, or is such that, in the determination of the attending physician, the transfer of the patient constitutes an acceptable risk. Such a determination must be based upon the condition of the patient, the expected benefits, if any, to the patient resulting from the transfer and whether the risks to the patient's health are outweighed by the expected benefits, and must be documented in the patient's records before the transfer.

6. If an allegation of a violation of the provisions of subsection 2 is made against a hospital licensed pursuant to the provisions of chapter 449 of NRS, the Health Division of the Department of Human Resources shall conduct an investigation of the alleged violation. Such a violation, in addition to any criminal penalties that may be imposed, constitutes grounds for the denial, suspension or revocation of such a license, or for the imposition of any sanction prescribed by NRS 449.163.

7. If an allegation of a violation of the provisions of subsection 2 is made against:

(a) A physician licensed to practice medicine pursuant to the provisions of chapter 630 of NRS, the Board of Medical Examiners shall conduct an investigation of the alleged violation. Such a violation, in addition to any criminal penalties that may be imposed, constitutes grounds for initiating disciplinary action or denying

1 licensure pursuant to the provisions of subsection 3 of
2 NRS 630.3065.

3 (b) An osteopathic physician licensed to practice osteopathic
4 medicine pursuant to the provisions of chapter 633 of NRS, the
5 State Board of Osteopathic Medicine shall conduct an investigation
6 of the alleged violation. Such a violation, in addition to any criminal
7 penalties that may be imposed, constitutes grounds for initiating
8 disciplinary action pursuant to the provisions of subsection 1 of
9 NRS 633.131.

10 **Sec. 13.** NRS 450.425 is hereby amended to read as follows:
11 450.425 1. The board of county commissioners of a county in
12 which a county hospital is established may, upon approval by a
13 majority of the voters voting on the question in an election held
14 throughout the county, levy an ad valorem tax of not more than 2.5
15 cents on each \$100 of assessed valuation upon all taxable property
