Joint Sponsors: Senators Amodei and Care

CHAPTER.....

AN ACT relating to public health; requiring certain medical facilities to report facility-acquired infections as sentinel events to the Health Division of the Department of Human Resources; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires medical facilities to report each sentinel event to the Health Division of the Department of Human Resources. (NRS 439.835) A sentinel event is an unexpected occurrence involving death or serious physical or psychological injury, including the loss of limb or function. (NRS 439.830) The Health Division must analyze and report trends regarding sentinel events and report its findings to the Repository for Health Care Quality Assurance. (NRS 439.840, 439.845)

This bill adds a facility-acquired infection to the definition of a sentinel event which must be reported to the Health Division. A facility-acquired infection includes surgical site infections, ventilator-associated pneumonia, central line-related bloodstream infections and urinary tract infections. This bill also authorizes the Administrator of the Health Division to establish additional categories of facility-acquired infections.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 439 of NRS is hereby amended by adding thereto a new section to read as follows:
