EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to insurance; prohibiting certain health insurers from denying certain claims solely because the claims involve an insured who was injured while intoxicated or under the influence of a controlled substance; prohibiting certain health insurers from cancelling or refusing to issue a policy or contract of health insurance solely because an insured or applicant has made such a claim in certain circumstances; repealing a section in the Uniform Health Policy Provision Law which allows certain health insurers to deny claims involving losses sustained by an insured while intoxicated or under the influence of a narcotic; providing penalties; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Under existing law, certain health insurers may deny a claim because the  
2 insured person was injured while under the influence of alcohol or drugs.  
3 (NRS 689A.280)

4 This bill repeals that existing law. This bill further specifically prohibits certain  
5 health insurers from denying a claim solely because the insured person was injured  
6 while under the influence of alcohol or drugs. This bill also prohibits those health  
7 insurers from cancelling or refusing to issue a policy solely because an insured  
8 person or a person eligible to apply for the policy has made such a claim. The bill  
9 provides, however, that such health insurers may deny a claim or cancel or refuse to

10 issue a policy if the claim involved an injury sustained in connection with the  
11 insured's commission of a felony or attempt to commit a felony regardless of  
12 whether the person was injured while under the influence of alcohol or drugs.

13 A health insurer that violates the provisions of this bill is subject to the general  
14 penalty provisions that apply to all types of insurers and to any specific penalty  
15 provision that applies to particular types of health insurers. (NRS 679A.180,
