AN ACT relating to programs for recycling; requiring the State Environmental Commission to adopt regulations prohibiting the disposal of electronic waste at a municipal solid waste landfill or other disposal site; requiring the Commission to adopt regulations establishing a program for the recycling of such waste; providing a penalty; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

- 1      Existing law requires the State Environmental Commission to adopt regulations  
2      that establish standards for the recycling or disposal of solid waste. (NRS  
3      444A.020, 444A.080) Under existing law, any violation of a regulation adopted by  
4      the Commission is a misdemeanor. (NRS 444.610)  
5      This bill requires the State Environmental Commission to adopt regulations that  
6      prohibit the disposal of electronic waste at solid waste landfills and other disposal

7 sites. The Commission must also establish a recycling program for the collection  
8 and disposal of electronic waste. Electronic waste includes cathode ray tubes and  
9 similar video devices, such as television sets and computer monitors. Because of  
10 the general penalty provision in NRS 444.610, a violation of these regulations is a  
11 misdemeanor.
