ASSEMBLY JOINT RESOLUTION—Proposing to amend the Nevada Constitution to effect a limitation on property taxes collected annually from senior citizens.

**Legislative Counsel's Digest:**

1 Existing law authorizes the Legislature to provide for an abatement of the tax or  
2 an exemption of part of the assessed value of a single-family residence occupied by  
3 the owner to the extent necessary to avoid severe economic hardship to the owner  
4 of the residence. (Nev. Const., Art. 10, § 1)

5 This resolution proposes to amend Section 1 of Article 10 of the Nevada  
6 Constitution by requiring the Legislature to provide for a limitation on the  
7 maximum amount of the tax which may be collected annually upon the assessed  
8 value of any residence owned by a senior citizen who has paid property taxes in  
9 Nevada during each of the previous 10 years.

1       RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF  
2 NEVADA, JOINTLY, That Section 1 of Article 10 of the Nevada  
3 Constitution be amended to read as follows:

4           Section 1. 1. The Legislature shall provide by law for  
5 a uniform and equal rate of assessment and taxation, and shall  
6 prescribe such regulations as shall secure a just valuation for  
7 taxation of all property, real, personal and possessory, except  
8 mines and mining claims, which shall be assessed and taxed  
9 only as provided in Section 5 of this Article.

10          2. Shares of stock, bonds, mortgages, notes, bank  
11 deposits, book accounts and credits, and securities and choses

1       in action of like character are deemed to represent interest in  
2       property already assessed and taxed, either in Nevada or  
3       elsewhere, and shall be exempt.

4       3. The Legislature may constitute agricultural and open-  
5       space real property having a greater value for another use  
6       than that for which it is being used, as a separate class for  
7       taxation purposes and may provide a separate uniform plan  
8       for appraisal and valuation of such property for assessment  
9       purposes. If such plan is provided, the Legislature shall also  
10      provide for retroactive assessment for a period of not less  
11      than 7 years when agricultural and open-space real property is  
12      converted to a higher use conforming to the use for which  
13      other nearby property is used.

14      4. Personal property which is moving in interstate  
15      commerce through or over the territory of the State of  
16      Nevada, or which was consigned to a warehouse, public or  
17      private, within the State of Nevada from outside the State of  
18      Nevada for storage in transit to a final destination outside the  
19      State of Nevada, whether specified when transportation  
20      begins or afterward, shall be deemed to have acquired no  
21      situs in Nevada for purposes of taxation and shall be exempt  
22      from taxation. Such property shall not be deprived of such  
23      exemption because while in the warehouse the property is  
24      assembled, bound, joined, processed, disassembled, divided,  
25      cut, broken in bulk, relabeled or repackaged.

26      5. The Legislature may exempt motor vehicles from the  
27      provisions of the tax required by this Section, and in lieu  
28      thereof, if such exemption is granted, shall provide for a  
29      uniform and equal rate of assessment and taxation of motor  
30      vehicles, which rate shall not exceed five cents on one dollar  
31      of assessed valuation.

32      6. The Legislature shall provide by law for a progressive  
33      reduction in the tax upon business inventories by 20 percent  
34      in each year following the adoption of this provision, and  
35      after the expiration of the 4th year such inventories are  
36      exempt from taxation. The Legislature may exempt any other  
37      personal property, including livestock.

38      7. No inheritance tax shall ever be levied.

39      8. The Legislature may exempt by law property used for  
40      municipal, educational, literary, scientific or other charitable  
41      purposes, or to encourage the conservation of energy or the  
42      substitution of other sources for fossil sources of energy.

43      9. No income tax shall be levied upon the wages or  
44      personal income of natural persons. Notwithstanding the  
45      foregoing provision, and except as otherwise provided in

\* A J R 1 1 R 2 \*

1 subsection 1 of this Section, taxes may be levied upon the  
2 income or revenue of any business in whatever form it may  
3 be conducted for profit in the State.

4       10. The Legislature may provide by law for an  
5 abatement of the tax upon or an exemption of part of the  
6 assessed value of a single-family residence occupied by the  
7 owner to the extent necessary to avoid severe economic  
8 hardship to the owner of the residence.

9       11. *Except as otherwise provided in this section, the  
10 amount of the property tax which may be collected annually  
11 for a residence owned and occupied by a senior citizen who  
12 has paid property taxes in this State during each of the  
13 previous 10 years must be limited to an amount that does  
14 not exceed the lesser of:*

15       (a) *The tax upon the assessed value of the property in  
16 the year in which the person:*

17           (1) *Reaches the age of retirement, as defined by the  
18 Legislature; or*

19           (2) *Has paid property taxes in this State for each of  
20 the previous 10 years,*

21           ↳ *whichever is later; or*

22       (b) *The tax that would otherwise apply to the property  
23 for the current year.*

24           ↳ *The amount of the property tax which, but for the  
25 provisions of this subsection, would otherwise be collected  
26 for a residence owned and occupied by a senior citizen  
27 becomes due and payable when the senior citizen ceases to  
28 occupy the residence, upon the sale of the senior citizen's  
29 interest in the residence or upon the death of the senior  
30 citizen, whichever occurs first.*
