ASSEMBLY JOINT RESOLUTION—Proposing to amend the
Nevada Constitution to specify that the number of
signatures required on a petition for referendum or a
petition for initiative is to be determined when, before
circulating the petition for signatures, a copy of the
petition is filed with the Secretary of State.

RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF
NEVADA, JOINTLY, That Section 1 of Article 19 of the Nevada
Constitution be amended to read as follows:

Sec. 1. 1. A person who intends to circulate a petition
that a statute or resolution or part thereof enacted by the
Legislature be submitted to a vote of the people, before
circulating the petition for signatures, shall file a copy thereof
with the Secretary of State. He shall file the copy not earlier
than August 1 of the year before the year in which the
election will be held.

2. Whenever a number of registered voters of this State
equal to 10 percent or more of the number of voters who
voted at the last preceding general election shall express their

1 wish by filing with the Secretary of State, not less than 120
2 days before the next general election, a petition in the form
3 provided for in Section 3 of this Article that any statute or
4 resolution or any part thereof enacted by the Legislature be
5 submitted to a vote of the people, the officers charged with
6 the duties of announcing and proclaiming elections and of
7 certifying nominations or questions to be voted upon shall
8 submit the question of approval or disapproval of such statute
9 or resolution or any part thereof to a vote of the voters at the
10 next succeeding election at which such question may be voted
11 upon by the registered voters of the entire state. *The number
12 of registered voters required to file the petition must be
13 determined at the time the copy of the petition is filed with
14 the Secretary of State pursuant to this Section.* The
15 circulation of the petition shall cease on the day the petition is
16 filed with the Secretary of State or such other date as may be
17 prescribed for the verification of the number of signatures
18 affixed to the petition, whichever is earliest.

19 3. If a majority of the voters voting upon the proposal
20 submitted at such election votes approval of such statute or
21 resolution or any part thereof, such statute or resolution or
22 any part thereof shall stand as the law of the State and shall
23 not be amended, annulled, repealed, set aside, suspended or in
24 any way made inoperative except by the direct vote of the
25 people. If a majority of such voters votes disapproval of such
26 statute or resolution or any part thereof, such statute or
27 resolution or any part thereof shall be void and of no effect.

29 RESOLVED, That Section 2 of Article 19 of the Nevada
30 Constitution be amended to read as follows:

31 Sec. 2. 1. Notwithstanding the provisions of Section 1
32 of Article 4 of this Constitution, but subject to the limitations
33 of Section 6 of this Article, the people reserve to themselves
34 the power to propose, by initiative petition, statutes and
35 amendments to statutes and amendments to this Constitution,
36 and to enact or reject them at the polls.

37 2. An initiative petition shall be in the form required by
38 Section 3 of this Article and shall be proposed by a number of
39 registered voters equal to 10 percent or more of the number of
40 voters who voted at the last preceding general election in not
41 less than 75 percent of the counties in the State, but the total
42 number of registered voters signing the initiative petition
43 shall be equal to 10 percent or more of the voters who voted
44 in the entire state at the last preceding general election. *The
45 number of registered voters required to file the petition must*

be determined at the time the copy of the petition is filed with the Secretary of State pursuant to this Section.

3. If the initiative petition proposes a statute or an amendment to a statute, the person who intends to circulate it shall file a copy with the Secretary of State before beginning circulation and not earlier than January 1 of the year preceding the year in which a regular session of the Legislature is held. After its circulation, it shall be filed with the Secretary of State not less than 30 days prior to any regular session of the Legislature. The circulation of the petition shall cease on the day the petition is filed with the Secretary of State or such other date as may be prescribed for the verification of the number of signatures affixed to the petition, whichever is earliest. The Secretary of State shall transmit such petition to the Legislature as soon as the Legislature convenes and organizes. The petition shall take precedence over all other measures except appropriation bills, and the statute or amendment to a statute proposed thereby shall be enacted or rejected by the Legislature without change or amendment within 40 days. If the proposed statute or amendment to a statute is enacted by the Legislature and approved by the Governor in the same manner as other statutes are enacted, such statute or amendment to a statute shall become law, but shall be subject to referendum petition as provided in Section 1 of this Article. If the statute or amendment to a statute is rejected by the Legislature, or if no action is taken thereon within 40 days, the Secretary of State shall submit the question of approval or disapproval of such statute or amendment to a statute to a vote of the voters at the next succeeding general election. If a majority of the voters voting on such question at such election votes approval of such statute or amendment to a statute, it shall become law and take effect upon completion of the canvass of votes by the Supreme Court. An initiative measure so approved by the voters shall not be amended, annulled, repealed, set aside or suspended by the Legislature within 3 years from the date it takes effect. If a majority of such voters votes disapproval of such statute or amendment to a statute, no further action shall be taken on such petition. If the Legislature rejects such proposed statute or amendment, the Governor may recommend to the Legislature and the Legislature may propose a different measure on the same subject, in which event, after such different measure has been approved by the Governor, the question of approval or disapproval of each measure shall be submitted by the Secretary of State to a vote

1 of the voters at the next succeeding general election. If the
2 conflicting provisions submitted to the voters are both
3 approved by a majority of the voters voting on such
4 measures, the measure which receives the largest number of
5 affirmative votes shall thereupon become law. If at the
6 session of the Legislature to which an initiative petition
7 proposing an amendment to a statute is presented which the
8 Legislature rejects or upon which it takes no action, the
9 Legislature amends the statute which the petition proposes to
10 amend in a respect which does not conflict in substance with
11 the proposed amendment, the Secretary of State in submitting
12 the statute to the voters for approval or disapproval of the
13 proposed amendment shall include the amendment made by
14 the Legislature.

15 4. If the initiative petition proposes an amendment to the
16 Constitution, the person who intends to circulate it shall file a
17 copy with the Secretary of State before beginning circulation
18 and not earlier than September 1 of the year before the year in
19 which the election is to be held. After its circulation it shall
20 be filed with the Secretary of State not less than 90 days
21 before any regular general election at which the question of
22 approval or disapproval of such amendment may be voted
23 upon by the voters of the entire state. The circulation of the
24 petition shall cease on the day the petition is filed with the
25 Secretary of State or such other date as may be prescribed for
26 the verification of the number of signatures affixed to the
27 petition, whichever is earliest. The Secretary of State shall
28 cause to be published in a newspaper of general circulation,
29 on three separate occasions, in each county in the State,
30 together with any explanatory matter which shall be placed
31 upon the ballot, the entire text of the proposed amendment. If
32 a majority of the voters voting on such question at such
33 election votes disapproval of such amendment, no further
34 action shall be taken on the petition. If a majority of such
35 voters votes approval of such amendment, the Secretary of
36 State shall publish and resubmit the question of approval or
37 disapproval to a vote of the voters at the next succeeding
38 general election in the same manner as such question was
39 originally submitted. If a majority of such voters votes
40 disapproval of such amendment, no further action shall be
41 taken on such petition. If a majority of such voters votes
42 approval of such amendment, it shall, unless precluded by
43 subsection 5 or 6, become a part of this Constitution upon
44 completion of the canvass of votes by the Supreme Court.

1 5. If two or more measures which affect the same
2 section of a statute or of the Constitution are finally approved
3 pursuant to this Section, or an amendment to the Constitution
4 is finally so approved and an amendment proposed by the
5 Legislature is ratified which affect the same section, by the
6 voters at the same election:

7 (a) If all can be given effect without contradiction in
8 substance, each shall be given effect.

9 (b) If one or more contradict in substance the other or
10 others, the measure which received the largest favorable vote,
11 and any other approved measure compatible with it, shall be
12 given effect. If the one or more measures that contradict in
13 substance the other or others receive the same number of
14 favorable votes, none of the measures that contradict another
15 shall be given effect.

16 6. If, at the same election as the first approval of a
17 constitutional amendment pursuant to this Section, another
18 amendment is finally approved pursuant to this Section, or an
19 amendment proposed by the Legislature is ratified, which
20 affects the same section of the Constitution but is compatible
21 with the amendment given first approval, the Secretary of
22 State shall publish and resubmit at the next general election
23 the amendment given first approval as a further amendment
24 to the section as amended by the amendment given final
25 approval or ratified. If the amendment finally approved or
26 ratified contradicts in substance the amendment given first
27 approval, the Secretary of State shall not submit the
28 amendment given first approval to the voters again.
