This bill redesignates the four regional training programs to reflect the geographic regions served by each program. In addition, this bill provides that the four school districts which receive money for the programs serve as the fiscal agents for the maintenance and support of the programs.

This bill changes the date for submission of the report of progress by the governing body of each program from July 1 to September 1 of each year.

This bill also makes various appropriations and transfers of money for the education and professional development of teachers, other educational personnel and boards of trustees.
