Legislative Counsel's Digest:

Existing law requires the Secretary of State to provide to each county clerk a copy of any proposed constitution, constitutional amendment or statewide measure which will appear on the general election ballot, together with a copy of the condensation, explanation, arguments, rebuttals and fiscal note that are prepared for any such constitution, amendment or measure. Each county clerk is then required to publish a copy of the full text of any such constitution, amendment or measure and its condensation, explanation, arguments, rebuttals and fiscal note in a newspaper of general circulation in the county three times at intervals of not less than 7 days, the first publication to be on or before the first Monday in October. (NRS 293.253)

This bill requires the Secretary of State to post on his Internet website on or before the first Monday in October a copy of the full text of any proposed constitution, constitutional amendment or statewide measure which will appear on the general election ballot, together with the copies of the condensations, explanations, arguments, rebuttals and fiscal notes prepared for any such constitution, amendment or measure. This bill further removes the requirement that the county clerks publish such information and instead authorizes them to post the information on their Internet websites or to publish the information in any other manner.
