Amend the bill as a whole by deleting sec. 10 and adding a new section designated sec. 10, following sec. 9, to read as follows:

“Sec. 10. NRS 385.347 is hereby amended to read as follows:

385.347 1. The board of trustees of each school district in this State, in cooperation with associations recognized by the State Board as representing licensed personnel in education in the district, shall adopt a program providing for the accountability of the school district to the residents of the district and to the State Board for the quality of the schools and the educational achievement of the pupils in the district, including, without limitation, pupils enrolled in charter schools in the school district. The board of trustees of ~~[a]~~ **each** school district shall ~~[report]~~ :

(a) Report the information required by subsection 2 for each charter school **that is located** within the school district, regardless of the sponsor of the charter school.

(b) For the information that is reported in an aggregated format, include the data that is applicable to the charter schools sponsored by the school district but not the charter schools that are sponsored by the State Board.

(c) Denote separately in the report those charter schools that are located within the school district and sponsored by the State Board.

2. The board of trustees of each school district shall, on or before August 15 of each year, prepare an annual report of accountability concerning:

(a) The educational goals and objectives of the school district.

(b) Pupil achievement for each school in the district and the district as a whole, including, without limitation, each charter school in the district. The board of trustees of the district shall base its report on the results of the examinations administered pursuant to NRS 389.015 and 389.550 and shall compare the results of those examinations for the current school year with those of previous school years. The report must include, for each school in the district, including, without limitation, each charter school in the district, and each grade in which the examinations were administered:

(1) The number of pupils who took the examinations;

(2) ~~[An explanation of instances in which a school was exempt from administering or a pupil was exempt from taking an examination;~~

~~——(3)]~~ A record of attendance for the period in which the examinations were administered, including an explanation of any difference in the number of pupils who took the examinations and the number of pupils who are enrolled in the school;

~~[(4)]~~ (3) Except as otherwise provided in this paragraph, pupil achievement, reported separately by gender and reported separately for the following subgroups of pupils:

(I) Pupils who are economically disadvantaged, as defined by the State Board;

(II) Pupils from major racial and ethnic groups, as defined by the State Board;

(III) Pupils with disabilities;

(IV) Pupils who are limited English proficient; and

(V) Pupils who are migratory children, as defined by the State Board;

~~[(5)]~~ (4) A comparison of the achievement of pupils in each subgroup identified in paragraph (b) of subsection 1 of NRS 385.361 with the annual measurable objectives of the State Board;

~~[(6)]~~ (5) The percentage of pupils who were not tested;

~~[(7)]~~ (6) Except as otherwise provided in this paragraph, the percentage of pupils who were not tested, reported separately by gender and reported separately for the subgroups identified in subparagraph ~~[(4)]~~ (3);

~~[(8)]~~ (7) The most recent 3-year trend in pupil achievement in each subject area tested and each grade level tested pursuant to NRS 389.015 and 389.550, which may include information regarding the trend in the achievement of pupils for more than 3 years, if such information is available;

~~[(9)]~~ (8) Information that compares the results of pupils in the school district, including, without limitation, pupils enrolled in charter schools in the district, with the results of pupils throughout this State. The information required by this subparagraph must be provided in consultation with the Department to ensure the accuracy of the comparison; and

~~[(10)]~~ (9) For each school in the district, including, without limitation, each charter school in the district, information that compares the results of pupils in the school with the results of pupils throughout the school district and throughout this State. The information required by this subparagraph must be provided in consultation with the Department to ensure the accuracy of the comparison.

↪ A separate reporting for a subgroup of pupils must not be made pursuant to this paragraph if the number of pupils in that subgroup is insufficient to yield statistically reliable information or the results would reveal personally identifiable information about an individual pupil. The State Board shall prescribe the mechanism for determining the minimum number of pupils that must be in a subgroup for that subgroup to yield statistically reliable information.

(c) The ratio of pupils to teachers in kindergarten and at each grade level for each elementary school in the district and the district as a whole, including, without limitation, each charter school in the district, and the average class size for each core academic subject, as set forth in NRS 389.018, for each secondary school in the district and the district as a whole, including, without limitation, each charter school in the district.

(d) Information on the professional qualifications of teachers employed by each school in the district and the district as a whole, including, without limitation, each charter school in the district. The information must include, without limitation:

- (1) The percentage of teachers who are:
 - (I) Providing instruction pursuant to NRS 391.125;
 - (II) Providing instruction pursuant to a waiver of the requirements for licensure for the grade level or subject area in which the teachers are employed; or
 - (III) Otherwise providing instruction without an endorsement for the subject area in which the teachers are employed;
- (2) The percentage of classes in the core academic subjects, as set forth in NRS 389.018, that are not taught by highly qualified teachers; ~~and~~

(3) The percentage of classes in the core academic subjects, as set forth in NRS 389.018, that are not taught by highly qualified teachers, in the aggregate and disaggregated by high-poverty compared to low-poverty schools, which for the purposes of this subparagraph, means schools in the top quartile of poverty and the bottom quartile of poverty in this State ~~[-]~~;

(4) For each middle school, junior high school and high school:

(I) On and after July 1, 2005, the number of persons employed as substitute teachers for 20 consecutive days or more in the same classroom or assignment, designated as long-term substitute teachers, including the total number of days long-term substitute teachers were employed at each school, identified by grade level and subject area; and

(II) On and after July 1, 2006, the number of persons employed as substitute teachers for less than 20 consecutive days, designated as short-term substitute teachers, including the total number of days short-term substitute teachers were employed at each school, identified by grade level and subject area; and

(5) For each elementary school:

(I) On and after July 1, 2005, the number of persons employed as substitute teachers for 20 consecutive days or more in the same classroom or assignment, designated as long-term substitute teachers, including the total number of days long-term substitute teachers were employed at each school, identified by grade level; and

(II) On and after July 1, 2006, the number of persons employed as substitute teachers for less than 20 consecutive days, designated as short-term substitute teachers, including the total number of days short-term substitute teachers were employed at each school, identified by grade level.

(e) The total expenditure per pupil for each school in the district and the district as a whole, including, without limitation, each charter school in the district. If this State has a financial analysis program that is designed to track educational expenditures and revenues to individual schools, each school district shall use that statewide program in complying with this paragraph. If a statewide program is not available, each school district shall use its own financial analysis program in complying with this paragraph.

(f) The curriculum used by the school district, including:

- (1) Any special programs for pupils at an individual school; and
- (2) The curriculum used by each charter school in the district.

(g) Records of the attendance and truancy of pupils in all grades, including, without limitation:

(1) The average daily attendance of pupils, for each school in the district and the district as a whole, including, without limitation, each charter school in the district.

(2) For each elementary school, middle school and junior high school in the district, including, without limitation, each charter school in the district that provides instruction to pupils enrolled in a grade level other than high school, information that compares the attendance of the pupils enrolled in the school with the attendance of pupils throughout the district and throughout this State. The information required by this subparagraph must be provided in consultation with the Department to ensure the accuracy of the comparison.

(h) The annual rate of pupils who drop out of school in grades 9 to 12, inclusive, for each such grade, for each school in the district and for the district as a whole, excluding pupils who:

(1) Provide proof to the school district of successful completion of the examinations of general educational development.

(2) Are enrolled in courses that are approved by the Department as meeting the requirements for an adult standard diploma.

(3) Withdraw from school to attend another school.

(i) Records of attendance of teachers who provide instruction, for each school in the district and the district as a whole, including, without limitation, each charter school in the district.

(j) Efforts made by the school district and by each school in the district, including, without limitation, each charter school in the district, to increase:

(k) Records of incidents involving weapons or violence for each school in the district, including, without limitation, each charter school in the district.

(l) Records of incidents involving the use or possession of alcoholic beverages or controlled substances for each school in the district, including, without limitation, each charter school in the district.

(m) Records of the suspension and expulsion of pupils required or authorized pursuant to NRS 392.466 and 392.467.

(n) The number of pupils who are deemed habitual disciplinary problems pursuant to NRS 392.4655, for each school in the district and the district as a whole, including, without limitation, each charter school in the district.

(o) The number of pupils in each grade who are retained in the same grade pursuant to NRS 392.033 or 392.125, for each school in the district and the district as a whole, including, without limitation, each charter school in the district.

(p) The transiency rate of pupils for each school in the district and the district as a whole, including, without limitation, each charter school in the district. For the purposes of this paragraph, a pupil is not transient if he is transferred to a different school within the school district as a result of a change in the zone of attendance by the board of trustees of the school district pursuant to NRS 388.040.

(q) Each source of funding for the school district.

(r) ***A compilation of the programs of remedial study that are purchased in whole or in part with money received from this State, for each school in the district and the district as a whole, including, without limitation, each charter school sponsored by the district. The compilation must include:***

(1) The amount and sources of money received for ***programs of*** remedial ~~[education]~~ ***study*** for each school in the district and the district as a whole, including, without limitation, each charter school in the district.

(2) ***An identification of each program of remedial study, listed by subject area.***

(s) For each high school in the district, including, without limitation, each charter school in the district, the percentage of pupils who graduated from that high school or charter school in the immediately preceding year and enrolled in remedial courses in reading, writing or mathematics at a university or community college within the University and Community College System of Nevada.

(t) The technological facilities and equipment available at each school, including, without limitation, each charter school, and the district's plan to incorporate educational technology at each school.

(u) For each school in the district and the district as a whole, including, without limitation, each charter school in the district, the number and percentage of pupils who received:

(1) A standard high school diploma.

(2) An adjusted diploma.

(3) A certificate of attendance.

(v) For each school in the district and the district as a whole, including, without limitation, each charter school in the district, the number and percentage of pupils who did not receive a high school diploma because the pupils failed to pass the high school proficiency examination.

(w) The number of habitual truants who are reported to a school police officer or law enforcement agency pursuant to paragraph (a) of subsection 2 of NRS 392.144 and the number of habitual truants who are referred to an advisory board to review school attendance pursuant to paragraph (b) of subsection 2 of NRS 392.144, for each school in the district and for the district as a whole.

(x) The amount and sources of money received for the training and professional development of teachers and other educational personnel for each school in the district and for the district as a whole, including, without limitation, each charter school in the district.

(y) Whether the school district has made adequate yearly progress. If the school district has been designated as demonstrating need for improvement pursuant to NRS 385.377, the report must include a statement indicating the number of consecutive years the school district has carried that designation.

(z) Information on whether each public school in the district, including, without limitation, each charter school in the district, has made adequate yearly progress, including, without limitation:

(1) The number and percentage of schools in the district, if any, that have been designated as needing improvement pursuant to NRS 385.3623; and

(2) The name of each school, if any, in the district that has been designated as needing improvement pursuant to NRS 385.3623 and the number of consecutive years that the school has carried that designation.
