**Legislative Counsel's Digest:**

Existing law requires the State Board of Education to adopt a policy to encourage effective parental involvement in support of the education of children. (NRS 392.457)

This bill requires the Department of Education, in consultation with representatives of school districts and parents or legal guardians of pupils, to prescribe a form for a parental involvement compact that complies with the parental involvement policy adopted by the State Board. The form provides various information including information on course curriculum, homework and grading policies, directions for finding resource materials, suggestions for parents and legal guardians to assist pupils in their schoolwork, dates of scheduled parent-teacher conferences and information about school breakfast and lunch programs.

Each teacher is required to distribute the compact to the parent or legal guardian of each pupil in his class and provide the parent or legal guardian with a reasonable opportunity to sign the compact.

This bill requires the Department of Education to prescribe a policy that establishes a code of honor for pupils relating to cheating on examinations and course work. The policy must be developed in consultation with the boards of trustees of school districts, the governing bodies of charter schools, and local associations and organizations of parents whose children are enrolled in public schools throughout Nevada. The code of honor must be included in the parental involvement compact.
