**If this amendment is adopted, the Legislative
Counsel's Digest will be changed to read as follows:**

Legislative Counsel's Digest:

Under existing federal law, a member of the Nevada National Guard who is called into active service is eligible to purchase a policy of group life insurance procured by the Federal Government that provides up to \$250,000 in benefits in the event of the death of the member. (38 U.S.C. §§ 1965 et seq.)

This bill creates the Patriot Relief Fund to provide certain benefits to members of the Nevada National Guard. Such benefits consist of: (1) reimbursement for the cost of premiums paid by members called into active service to purchase such policies of life insurance from the Federal Government; (2) reimbursement for the cost of textbooks for a course of study in which a member is enrolled at an institution within the University and Community College System of Nevada; and (3) monetary relief for certain economic hardships. This bill also makes an appropriation to the Patriot Relief Fund in the amount of \$2,500,000 for the Fiscal Year 2005-2006 and \$2,500,000 for the Fiscal Year 2006-2007.

Existing law requires a public employer to grant a public officer or employee paid leave of absence of 15 working days each year for certain military duty. (NRS 281.145)

This bill increases the number of days of paid leave of absence required to be granted for such military duty to 39 working days each year.

This bill also provides statutorily for civil leave with reduced pay during any period in which a state officer or employee performs certain active military service. If the amount of pay that such an

officer or employee receives for the active military service is less than the amount of pay that he would otherwise receive as a state officer or employee, the officer or employee is entitled to payment for the difference between those amounts. This bill also specifies that the calculation of such additional pay must be based on the base pay that the officer or employee receives for the active military service and must not include any other type of pay that the officer or employee is entitled to receive for the active military service, such as imminent danger pay and family separation allowance.

Existing law provides an exemption from the Sales and Use Tax Act of 1955 for the gross receipts from the sale of tangible personal property to the State of Nevada, its unincorporated agencies and instrumentalities. (NRS 372.325) The State of Nevada, its unincorporated agencies and instrumentalities are granted an identical exemption from the Local School Support Tax Law (NRS 374.330), which imposes an additional sales tax on retail sales for the support of local schools, and from various other sales and use tax laws, which incorporate the provisions of the Local School Support Tax Law. (NRS 354.705, 374A.020, 376A.060, 377.040, 377A.030, 377B.110 and 543.600 and various special and local acts)

This bill applies the existing exemption to the Sales and Use Tax Act, the Local School Support Tax Law and various other sales and use tax laws for the gross receipts from sales of tangible personal property to the State of Nevada, its unincorporated agencies and instrumentalities to: (1) members of the Nevada National Guard who are engaged in full-time National Guard duty or under an order to perform training or other duty; and (2) a relative of such a member who is related within the first degree of consanguinity or affinity to the member and who resides with the member.
