**If this amendment is adopted, the Legislative
Counsel's Digest will be changed to read as follows:**

Legislative Counsel's Digest:

Existing law sets forth the circumstances under which a driver's license may be issued to a person who is between 15 3/4 and 18 years of age. (NRS 483.250)

This bill prohibits a person who is under 16 years of age from obtaining a driver's license. This bill requires a person who is 16 or 17 years of age to hold an instruction permit for at least 6 months before applying for a license. The person also must not have been responsible for a motor vehicle accident or convicted of driving under the influence during the 6 months before applying for the license.

Existing law restricts a driver who is under 18 years of age from transporting passengers who are under 18 years of age for the first 30 to 90 days after the license is issued depending upon the age of the driver at the time of issuance, unless the passenger is a member of the driver's immediate family. (NRS 483.253)

This bill prohibits a driver who is 16 or 17 years of age from transporting passengers who are under 18 years of age for the first 3 months after the license is issued unless the passengers who are under 18 years of age are members of the driver's immediate family. Violating this provision is not a moving traffic violation or grounds for the suspension or revocation of the driver's license. Peace officers are specifically prohibited from stopping a motor vehicle solely to determine whether the driver is unlawfully transporting passengers who are under 18 years of age, however, they may issue

a citation for such a violation if the vehicle is halted or the driver is arrested for another alleged violation or offense.

Existing law prohibits a person from operating a motor vehicle in a jurisdiction when doing so would violate a curfew in that jurisdiction. (NRS 484.466)

This bill prohibits a driver who is 16 or 17 years of age from operating a motor vehicle between the hours of 10 p.m. and 5 a.m. unless the driver is driving to or from a scheduled event. Peace officers are specifically prohibited from stopping a motor vehicle solely to determine whether the driver is unlawfully driving a motor vehicle between the hours of 10 p.m. and 5 a.m., however, they may issue a citation for such a violation if the vehicle is halted or the driver is arrested for another alleged violation or offense.

This bill further requires that a driver's education course offered in the public schools include a component of training conducted in the classroom.
