Amend section 1, page 2, by deleting line 18 and inserting:

*“NRS, but only when functioning as a peer review committee.”.*Amend sec. 2, page 2, line 32, after “*NRS*,” by inserting:*“but only when such committees function as peer review committees,”.*

**If this amendment is adopted, the Legislative  
Counsel's Digest will be changed to read as follows:**

**Legislative Counsel's Digest:**

Existing law allows certain medical review committees to refuse to disclose and to prevent other persons from disclosing certain information from their proceedings and certain records and testimony given before them. (NRS 49.119) Additionally, those proceedings and records are not subject to discovery proceedings. (NRS 49.265)

This bill adds to the list of review committees to which those provisions apply a review committee of a county or district board of health that certifies, licenses or regulates providers of emergency medical service, which currently only includes a county or district board of health in Clark County, but only when such a committee functions as a peer review committee.
