Amend the bill as a whole by deleting sections 5 and 6, renumbering sec. 7 as sec. 10 and adding new sections designated sections 5 through 9, following sec. 4, to read as follows:

“**Sec. 5.** NRS 244.286 is hereby amended to read as follows:

244.286 1. The board of county commissioners of any county may enter into an agreement with a person whereby the person agrees to construct or remodel a building or facility according to specifications adopted by the board of county commissioners and thereupon enter into a lease or a lease-purchase agreement with the board of county commissioners for that building or facility.

2. The board of county commissioners may convey property to a person where the purpose of the conveyance is the entering into of an agreement contemplated by subsection 1.

3. The provisions of NRS ~~[338.010]~~ **338.013** to 338.090, inclusive, apply to any agreement for the construction or remodeling of a building or facility entered into pursuant to subsection 1.

S.B. No. 274—Revises certain provisions relating to governmental operations.

**Sec. 6.** NRS 244A.763 is hereby amended to read as follows:

244A.763 1. NRS 244A.669 to 244A.763, inclusive, without reference to other statutes of this State, constitute full authority for the exercise of powers granted in those sections, including, but not limited to, the authorization and issuance of bonds.

2. No other act or law with regard to the authorization or issuance of bonds that provides for an election, requires an approval, or in any way impedes or restricts the carrying out of the acts authorized in NRS 244A.669 to 244A.763, inclusive, to be done, applies to any proceedings taken or acts done pursuant to those sections, except for laws to which reference is expressly made in those sections or by necessary implication of those sections.

3. The provisions of no other law, either general or local, except as provided in NRS 244A.669 to 244A.763, inclusive, apply to the doing of the things authorized in those sections to be done, and no board, agency, bureau, commission or official not designated in those sections has any authority or jurisdiction over the doing of any of the acts authorized in those sections to be done, except:

(a) As otherwise provided in those sections.

(b) That a project for the generation and transmission of electricity is subject to review and approval by the state regulatory agencies which have jurisdiction of the matters involved, including, without limitation, the Public Utilities Commission of Nevada, the State Environmental Commission and the State Department of Conservation and Natural Resources.

4. No notice, consent or approval by any public body or officer thereof may be required as a prerequisite to the sale or issuance of any bonds, the making of any contract or lease, or the exercise of any other power under NRS 244A.669 to 244A.763, inclusive, except as provided in those sections.

5. A project is not subject to any requirements relating to public buildings, structures, ground works or improvements imposed by the statutes of this State or any other similar requirements which may be lawfully waived by this section, and any requirement of competitive bidding or other restriction imposed on the procedure for award of contracts for such purpose or the lease, sale or other disposition of property of the counties is not applicable to any action taken pursuant to NRS 244A.669 to 244A.763, inclusive, except that the provisions of NRS ~~[338.010]~~ **338.013** to 338.090, inclusive, apply to any contract for new construction, repair or reconstruction for which tentative approval for financing is granted on or after January 1, 1992, by the county for work to be done in a project.

6. Any bank or trust company located within or without this State may be appointed and act as a trustee with respect to bonds issued and projects financed pursuant to NRS 244A.669 to 244A.763, inclusive, without the necessity of associating with any other person or entity as cofiduciary except that such association is not prohibited.

7. The powers conferred by NRS 244A.669 to 244A.763, inclusive, are in addition and supplemental to, and not in substitution for, and the limitations imposed by those sections do not affect the powers conferred by any other law.

8. No part of NRS 244A.669 to 244A.763, inclusive, repeals or affects any other law or part thereof, except to the extent that those sections are inconsistent with any other law, it being intended that those sections provide a separate method of accomplishing its objectives, and not an exclusive one.

**Sec. 7.** NRS 268.568 is hereby amended to read as follows:

268.568 1. NRS 268.512 to 268.568, inclusive, without reference to other statutes of the State, constitute full authority for the exercise of powers granted in those sections, including, but not limited to, the authorization and issuance of bonds.

2. No other act or law with regard to the authorization or issuance of bonds that provides for an election, requires an approval, or in any way impedes or restricts the carrying out of the acts authorized in NRS 268.512 to 268.568, inclusive, to be done, including, without limitation, the charter of any city, applies to any proceedings taken or acts done pursuant to those sections, except for laws to which reference is expressly made in those sections.

3. The provisions of no other law, either general or local, except as provided in NRS 268.512 to 268.568, inclusive, apply to the doing of the things authorized in NRS 268.512 to 268.568, inclusive, to be done, and no board, agency, bureau, commission or official not designated in those sections has any authority or jurisdiction over the doing of any of the acts authorized in those sections to be done, except as otherwise provided in those sections.

4. No notice, consent or approval by any public body or officer thereof may be required as a prerequisite to the sale or issuance of any bonds, the making of any contract or lease, or the exercise of any other power under NRS 268.512 to 268.568, inclusive, except as provided in those sections.

5. A project is not subject to any requirements relating to public buildings, structures, ground works or improvements imposed by the statutes of this state or any other similar requirements which may be lawfully waived by this section, and any requirement of competitive bidding or other restriction imposed on the procedure for award of contracts for such purpose or the lease, sale or other disposition of property of the cities is not applicable to any action taken pursuant to NRS 268.512 to 268.568, inclusive, except that the provisions of NRS ~~[338.010]~~ **338.013** to 338.090,

inclusive, apply to any contract for new construction, repair or reconstruction for which tentative approval for financing is granted on or after January 1, 1992, by the city for work to be done in a project.

6. Notwithstanding the provisions of NRS 662.245 or any other specific statute to the contrary, any bank or trust company located within or without this state may be appointed and act as a trustee with respect to bonds issued and projects financed pursuant to NRS 268.512 to 268.568, inclusive, without meeting the qualifications set forth in NRS 662.245.

7. The powers conferred by NRS 268.512 to 268.568, inclusive, are in addition and supplemental to, and not in substitution for, and the limitations imposed by those sections do not affect the powers conferred by, any other law.

8. No part of NRS 268.512 to 268.568, inclusive, repeals or affects any other law or part thereof, except to the extent that those sections are inconsistent with any other law, it being intended that those sections provide a separate method of accomplishing its objectives, and not an exclusive one.

**Sec. 8.** NRS 271.710 is hereby amended to read as follows:

271.710 1. A governing body may adopt an ordinance pursuant to NRS 271.325 creating a district and ordering a project to be acquired or improved and may contract with a person to construct or improve a project, issue bonds or otherwise finance the cost of the project and levy assessments, without complying with the provisions of NRS 271.305 to 271.320, inclusive, 271.330 to 271.345, inclusive, 271.380 and 271.385 and except as otherwise provided in this section, the provisions of any law requiring public bidding or otherwise imposing requirements on any public contract, project, works or improvements, including, without limitation, chapters 332, 338 and 339

of NRS, if the governing body has entered into a written agreement with the owners of all of the assessable property within the district which states that:

(a) The governing body agrees to enter into a contract for the acquisition, construction or improvement of the project or projects in the district which includes:

(1) A provision stating that the requirements of NRS ~~[338.010]~~ **338.013** to 338.090, inclusive, apply to any construction work to be performed under the contract; and

(2) The price, stated as a lump sum or as unit prices, which the governing body agrees to pay for the project if the project meets all requirements and specifications in the contract.

(b) The owners of the assessable property agree that if the rate of interest on any assessment levied for the district is determined from time to time as provided in NRS 271.487, the owners will provide written notice to the governing body in a timely manner when a parcel of the assessable property in the district is sold to a person who intends to occupy a dwelling unit on the parcel as his residence.

(c) The owners of the assessable property agree that the governing body may create the district, levy the assessments and for all other purposes relating to the district proceed pursuant to the provisions of this section.

2. If an ordinance is adopted and the agreement entered into pursuant to subsection 1 so states:

(a) The governing body may amend the ordinance creating the district, change the assessment roll and redistribute the assessments required by NRS 271.390 in the same manner in which these actions were originally taken to add additional property to the district. The assessments may be redistributed between the assessable property originally in the district and the additional assessable property if:

(1) The owners of additional assessable property also consent in writing to inclusion of their property in the district and to the amount of the assessment against their property; and

(2) The redistribution of the assessments is not prohibited by any covenants made for the benefit of the owners of any bonds or interim warrants issued for the district.

(b) The governing body may amend the ordinance creating the district, change the assessment roll and redistribute the assessments required by NRS 271.390 in the same manner in which these actions were originally taken to remove assessable property from the district. The assessments may be redistributed among the assessable property remaining in the district if:

(1) The owners of the remaining assessable property consent in writing to the amount of the revised assessment on their property; and

(2) The redistribution of the assessments is not prohibited by any covenants made for the benefit of the owners of any bonds or interim warrants issued for the district.

(c) The governing body may adopt any ordinance pertaining to the district including the ordinance creating the district required by NRS 271.325, the ordinance authorizing interim warrants required by NRS 271.355, the ordinance levying assessments required by NRS 271.390, the ordinance authorizing bonds required by NRS 271.475 or any ordinance amending those ordinances after a single reading and without holding a hearing thereon, as if an emergency exists, upon an affirmative vote of not less than two-thirds of all voting members of the governing body, excluding from any computation any vacancy on the governing body and any members thereon who may vote to break a tie vote, and provide that the ordinances become effective at the time an emergency ordinance would have become effective. The provisions of NRS 271.308 do not apply to any such ordinance.

(d) The governing body may provide for a reserve fund, letter of credit, surety bond or other collateral for payment of any interim warrants or bonds issued for the district and include all or any portion of the costs thereof in the amounts assessed against the property in the district and in the amount of bonds issued for the district. The governing body may provide for the disposition of interest earned on the reserve fund and other bond proceeds, for the disposition of unexpended bond proceeds after completion of the project and for the disposition of the unexpended balance in the reserve fund after payment in full of the bonds for the district.

**Sec. 9.** NRS 271.800 is hereby amended to read as follows:

271.800 1. A governing body may, pursuant to NRS 271.275 or 271.710, establish a district to finance an underground conversion project. Before the governing body may adopt an ordinance pursuant to NRS 271.325 to establish such a district, each service provider that owns the overhead service facilities to be converted to underground facilities must submit its written approval of the project to the governing body. The governing body shall not establish a district to finance an underground conversion project without receiving the written approval of each such service provider pursuant to this subsection.

2. Before initiating the establishment of a district pursuant to this section, the governing body must request in writing and receive from each service provider that owns the overhead service facilities to be converted in the proposed improvement district a written estimate of the cost to convert those facilities to underground facilities. The service provider shall provide its estimate of the cost of the conversion to the governing body not later than 120 days after the service provider receives the request from the governing body.

3. If a district already exists for the location for which the underground conversion project is proposed, the governing body may, pursuant to NRS 271.295, combine the underground conversion project with other projects in that district.

4. An underground conversion project must be constructed by one or more of the service providers that own the overhead service facilities to be converted, pursuant to a written agreement between the governing body and each service provider that will engage in the construction. Such a project must be constructed in accordance with the standard underground practices and procedures approved by the Public Utilities Commission of Nevada.

5. The provisions of any law requiring public bidding or otherwise imposing requirements on any public contract, project, works or improvements, including, without limitation, the provisions of chapters 332, 338 and 339 of NRS, do not apply to a contract entered into by a municipality and a service provider pursuant to this section, except that the contract must include a provision stating that the requirements of NRS ~~[338.010]~~ **338.013** to 338.090, inclusive, apply to any construction work to be performed under the contract.

6. Construction on an underground conversion project approved pursuant to this chapter may not commence until:

(a) An ordinance creating a district is adopted pursuant to NRS 271.325;

(b) The time for filing an appeal pursuant to NRS 271.315 has expired, or if such an appeal has been timely filed, a final, nonappealable judgment upholding the validity of the ordinance has been rendered;

(c) Arrangements for the financing of the construction have been completed through the issuance of bonds or interim warrants; and

(d) The service provider has obtained all applicable permits, easements and licenses necessary to convert the facilities.”.

Amend the bill as a whole by deleting sections 8 through 11, renumbering sections 12 through 14 as sections 16 through 18 and adding new sections designated sections 11 through 15, following sec. 7, to read as follows:

“**Sec. 11.** NRS 279.500 is hereby amended to read as follows:

279.500 1. The provisions of NRS ~~[338.010]~~ **338.013** to 338.090, inclusive, apply to any contract for new construction, repair or reconstruction which is awarded on or after October 1, 1991, by an agency for work to be done in a project.

2. If an agency provides property for development at less than the fair market value of the property, or provides financial incentives to the developer with a value of more than \$100,000, the agency must provide in the agreement with the developer that the development project is subject to the provisions of NRS ~~[338.010]~~ **338.013** to 338.090, inclusive, to the same extent as if the agency had awarded the contract for the project. This subsection applies only to the project covered by the agreement between the agency and the developer. This subsection does not apply to future development of the property unless additional financial incentives with a value of more than \$100,000 are provided to the developer.

**Sec. 12.** NRS 349.670 is hereby amended to read as follows:

349.670 1. NRS 349.400 to 349.670, inclusive, without reference to other statutes of the State, constitute full authority for the exercise of powers granted in those sections, including but not limited to the authorization and issuance of bonds.

2. No other act or law with regard to the authorization or issuance of bonds that provides for an election, requires an approval, or in any way impedes or restricts the carrying out of the acts authorized in NRS 349.400 to 349.670, inclusive, to be done, applies to any proceedings taken or acts done pursuant to those sections, except for laws to which reference is expressly made in those sections or by necessary implication of those sections.

3. The provisions of no other law, either general or local, except as provided in NRS 349.400 to 349.670, inclusive, apply to the doing of the things authorized in those sections to be done, and no board, agency, bureau, commission or official not designated in those sections has any authority or jurisdiction over the doing of any of the acts authorized in those sections to be done, except as otherwise provided in those sections.

4. A project is not subject to any requirements relating to public buildings, structures, ground works or improvements imposed by the statutes of this state or any other similar requirements which may be lawfully waived by this section, and any requirement of competitive bidding or other restriction imposed on the procedure for award of contracts for such purpose or the lease, sale or other disposition of property is not applicable to any action taken pursuant to NRS 349.400 to 349.670, inclusive, except that the provisions of NRS ~~[338.010]~~ **338.013** to 338.090, inclusive, apply to any contract for new construction, repair or reconstruction for which tentative approval for financing is granted on or after January 1, 1992, by the Director for work to be done in a project.

5. Any bank or trust company located within or without this state may be appointed and act as a trustee with respect to bonds issued and projects financed pursuant to NRS 349.400 to 349.670, inclusive, without the necessity of associating with any other person or entity as cofiduciary, but such an association is not prohibited.

6. The powers conferred by NRS 349.400 to 349.670, inclusive, are in addition and supplemental to, and not in substitution for, and the limitations imposed by those sections do not affect the powers conferred by any other law.

7. No part of NRS 349.400 to 349.670, inclusive, repeals or affects any other law or part thereof, except to the extent that those sections are inconsistent with any other law, it being intended that those sections provide a separate method of accomplishing its objectives, and not an exclusive one.

8. The Director or a person designated by him may take any actions and execute and deliver any instruments, contracts, certificates and other documents, including the bonds, necessary or appropriate for the sale and issuance of the bonds or accomplishing the purposes of NRS 349.400 to 349.670, inclusive, without the assistance or intervention of any other officer.

**Sec. 13.** NRS 349.956 is hereby amended to read as follows:

349.956 A water project is not subject to any requirements relating to public buildings, structures, ground works or improvements imposed by the statutes of this state or any other similar requirements which may be lawfully waived by this section, and any requirement of competitive bidding or other restriction imposed on the procedure for award of contracts for such purpose or the lease, sale or other disposition of property is not applicable to any action taken pursuant to NRS 349.935 to 349.961, inclusive, except that the provisions of NRS ~~[338.010]~~ **338.013** to 338.090, inclusive, apply to any contract for new construction, repair or reconstruction for which tentative approval for financing is granted on or after January 1, 1992, by the Director or a municipality for work to be done in a water project.

**Sec. 14.** NRS 393.110 is hereby amended to read as follows:

393.110 1. Each school district shall, in the design, construction and alteration of school buildings and facilities comply with the applicable requirements of the Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12101 et seq., and the regulations adopted pursuant thereto, including, without limitation, the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities set forth in Appendix A of Part 36 of Title 28 of the Code of Federal Regulations. The requirements of this subsection are not satisfied if a school district complies solely with the Uniform Federal Accessibility Standards set forth in Appendix A of Part 101-19.6 of Title 41 of the Code of Federal Regulations.

2. Except as otherwise provided in subsection ~~[3]~~:

~~—(a) Unless standard plans, designs and specifications are to be used as provided in NRS 385.125, before letting any contract or contracts for the erection of any new school building, the board of trustees of a school district shall submit plans, designs and specifications therefor to, and obtain the written approval of the plans, designs and specifications by, the State Public Works Board. The State Public Works Board shall review the plans, designs and specifications and make any recommendations as expeditiously as practicable. The State Public Works Board is authorized to charge and collect, and the board of trustees is authorized to pay, a reasonable fee for the payment of any costs incurred by the State Public Works Board in securing the approval of qualified architects or engineers of the plans, designs and specifications submitted by the board of trustees in compliance with the provisions of this paragraph.~~

~~—(b) Before letting any contract or contracts for any addition to or alteration of an existing school building which involves structural systems, or exiting, sanitary or fire protection facilities, the board of trustees of a school district shall submit plans, designs and specifications therefor to, and obtain~~

~~the written approval of the plans, designs and specifications by, the State Public Works Board. The State Public Works Board shall review the plans, designs and specifications and make any recommendations as expeditiously as practicable. The State Public Works Board is authorized to charge and collect, and the board of trustees is authorized to pay, a reasonable fee for the payment of any costs incurred by the State Public Works Board in securing the approval of qualified architects or engineers of the plans, designs and specifications submitted by the board of trustees in compliance with the provisions of this paragraph.~~

➡ ~~The State Public Works Board]~~ ***4, the board of trustees of a school district located in a county whose population is 30,000 or more but less than 400,000 shall, before letting any contract or contracts for the erection of any new school building or for any addition to or alteration of an existing school building, submit plans, designs and specifications to, and obtain written approval of the plans, designs and specifications from, the building department of the county or other local building department, as applicable, and all other local agencies or departments whose approval is necessary for the issuance of a permit. A permit for construction must be issued before the school district commences construction. The building department shall conduct inspections of all work to determine compliance with the approved plans, designs and specifications. The building department may charge and collect a reasonable fee from the board of trustees of the school district for the payment of any costs incurred by the building department in reviewing the plans, designs and specifications and for conducting the inspections required by this subsection. If there is no county building department or other local building department in the county in which the school district is located, the board of trustees of the school district shall contract with a private***

*entity or the building department of another local government to obtain the required reviews of the plans, designs and specifications and to have the required inspections conducted.*

*3. Except as otherwise provided in subsection 4, the board of trustees of a school district located in a county whose population is 400,000 or more or in a county whose population is less than 30,000 shall, before letting any contract or contracts for the erection of any new school building or for any addition to or alteration of an existing school building, submit plans, designs and specifications to, and obtain written approval of the plans, designs and specifications from, the State Public Works Board and all other local agencies or departments whose approval is necessary for the issuance of a permit. A permit for construction must be issued before the school district commences construction. The State Public Works Board shall conduct inspections of all work to determine compliance with the approved plans, designs and specifications. The State Public Works Board may charge and collect a reasonable fee from the board of trustees of the school district for the payment of any costs incurred by the Board in reviewing the plans, designs and specifications and for conducting the inspections required by this subsection. The State Public Works Board may, if it determines that the building department of the county or other local building department has the necessary expertise, enter into an agreement with the appropriate building department to review plans, designs and specifications and conduct inspections of all the work of a school district pursuant to this subsection.*

*4. If the building department of the county or other local building department does not have the staffing to meet the inspection needs of the school district pursuant to subsection 2 or 3, the building department may enter into an agreement with the board of trustees of the school district authorizing the board of trustees to review the plans, designs and specifications and conduct*

*inspections of the work of the school district pursuant to subsections 2 and 3, except that the building department is responsible for overseeing the review of the plans, designs and specifications and inspections of the work of the school district and shall verify that qualified personnel conduct the inspection.*

*5. In conducting reviews pursuant to subsections 2 and 3, the State Public Works Board, building department or private entity, whichever is applicable, shall verify that all plans, designs and specifications that ~~[it reviews]~~ are reviewed pursuant to this section comply with ~~[all]~~ :*

*(a) The applicable requirements of the relevant codes adopted by this State;*

*(b) The applicable requirements of the relevant codes adopted by the local authority having jurisdiction; and*

*(c) All applicable requirements of the Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12101 et seq., and the regulations adopted pursuant thereto, including, without limitation, the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities set forth in Appendix A of Part 36 of Title 28 of the Code of Federal Regulations.*

➡ The requirements of this subsection are not satisfied if the plans, designs and specifications comply solely with the Uniform Federal Accessibility Standards set forth in Appendix A of Part 101-19.6 of Title 41 of the Code of Federal Regulations.

~~[3. The State Public Works Board may enter into an agreement with the appropriate building department of a county or city to review plans, designs and specifications of a school district pursuant to subsection 2. If the State Public Works Board enters into such an agreement, the board of trustees of the school district shall submit a copy of its plans, designs and specifications for any project to which subsection 2 applies to the building department before commencement of the~~

~~project for the approval of the building department. The building department shall review the plans, designs and specifications and provide responsive comment as expeditiously as practicable to verify that the plans, designs and specifications comply with all applicable requirements of the Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12101 et seq., inclusive, and the regulations adopted pursuant thereto, including, without limitation, the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities set forth in Appendix A of Part 36 of Title 28 of the Code of Federal Regulations. The building department may charge and collect a reasonable fee from the board of trustees of the school district for the payment of any costs incurred by the building department in reviewing the plans, designs and specifications. A permit for construction must not be issued without the approval of the building department pursuant to this subsection.~~

~~↪ The requirements of this subsection are not satisfied if the plans, designs and specifications comply solely with the Uniform Federal Accessibility Standards set forth in Appendix A of Part 101-19.6 of Title 41 of the Code of Federal Regulations.~~

~~—4.]~~ **6.** No contract for any of the purposes specified in subsection 1 made by a board of trustees of a school district contrary to the provisions of this section is valid, nor shall any public money be paid for erecting, adding to or altering any school building in contravention of this section.

**Sec. 15.** NRS 543.545 is hereby amended to read as follows:

543.545 Except as otherwise provided in subsection 3, the provisions of any law requiring public bidding or otherwise imposing requirements on any public contract, project, works or improvements, including, without limitation, the provisions of chapters 332, 338 and 339 of NRS, do not apply to any contract entered into by a flood control district for the construction of a flood control facility

pursuant to the master plan, if a majority of the construction costs are paid by a private developer and the written agreement:

1. Complies with the requirements of subsection 1 of NRS 543.360;
2. Clearly sets forth the computation of the construction costs, and includes the terms and conditions of the contract; and
3. Contains a provision stating that the requirements of NRS ~~{338.010}~~ **338.013** to 338.090, inclusive, apply to any construction work performed pursuant to the contract.”.

Amend the title of the bill to read as follows:

“AN ACT relating to governmental administration; restricting the authority of the State Fire Marshal in consolidated municipalities and larger counties; revising certain provisions concerning the applicability of the prevailing wage requirements; revising the provisions relating to the process of approving plans, designs and specifications for the construction and alteration of school buildings; requiring the Legislative Commission to appoint a committee to conduct an interim study of the operations of the State Fire Marshal Division of the Department of Public Safety; making an appropriation; and providing other matters properly relating thereto.”.
