S.B. No. 33—Authorizes Director of Department of Motor Vehicles to enter into agreements for certain placements of advertisements.

**If this amendment is adopted, the Legislative  
Counsel's Digest will be changed to read as follows:**

**Legislative Counsel's Digest:**

Existing law establishes the Department of Motor Vehicles and prescribes its powers and duties.  
(Chapter 481 of NRS)

This bill authorizes the Department of Motor Vehicles to enter into agreements to place private advertisements in public areas of its buildings, in its official mailings and in material published electronically by the Department. The money received from such agreements must be deposited in the Motor Vehicle Fund. The bill requires that this money must be used by the Department to promote alternative methods by which the public, by technological means, may conduct business with the Department without personal assistance from an employee of the Department. The alternative methods may include self-service kiosks, use of the Internet or a network site and interactive voice recognition systems.
