Amend the bill as a whole by deleting sections 1 through 12, renumbering sections 13 and 14 as sections 2 and 3, and adding a new section designated section 1, following the enacting clause, to read as follows:

**“Section 1.** 1. To the extent money is made available, the Commission shall establish a statewide mapping system for the public buildings in this State for use by response agencies that are called to respond to an act of terrorism or related emergency.

2. The statewide mapping system must include, without limitation:

(a) The type of information that must be included within the software program that comprises the system, including, without limitation, floor plans, fire protection information, building evacuation plans, utility information, known hazards and information on how to contact emergency personnel;

MSM/BJE

Date: 4/25/2005

S.B. No. 365—Revises provisions relating to public safety.

(b) The manner by which the information prescribed pursuant to paragraph (a) must be transferred to the system from the state agencies and the political subdivisions that participate in the system;

(c) Standards for the software that must be used by the state agencies and political subdivisions that participate in the system;

(d) Conditions for use of the system by response agencies;

(e) Guidelines for:

(1) The accessibility of information contained within the system; and

(2) The incorporation, in connection with the use of the system, of the items described in paragraph (b) of subsection 3;

(f) In accordance with information obtained by the Commission, determine the priority for distribution of any money that may be available for the state agencies and political subdivisions to participate in the system; and

(g) Guidelines recommended by the Commission for the training of persons employed by response agencies concerning the use of the system.

3. To the extent money is made available, the state agencies and political subdivisions shall:

(a) Participate in the statewide mapping system; and

(b) Incorporate into their use of the system, without limitation:

(1) Evacuation routes and strategies for evacuation;

(2) Alarms and other signals or means of notification;

(3) Plans for sheltering in place; and

(4) Training and strategies for prevention in connection with attacks involving violence.

↪ If a state agency or a political subdivision uses its own building mapping system before the Commission establishes a statewide mapping system, the state agency or political subdivision may continue to use its system unless money is made available for the state agency or political subdivision to update or modify its system as necessary for inclusion in the statewide system.

4. The Commission:

(a) Shall pursue any money that may be available from the Federal Government for the development and operation of a statewide mapping system for public buildings and for the distribution of grants to the state agencies and political subdivisions that participate in the system.

(b) May accept gifts, grants and contributions for the development and operation of a statewide mapping system and for the distribution of grants to the state agencies and political subdivisions that participate in the system.

5. Each state agency and political subdivision that participates in the system shall, on or before July 1, 2006, and on or before July 1 of each year thereafter, submit to the Commission a progress report setting forth, in accordance with regulations adopted by the Commission, the experience of the agency or political subdivision, as applicable, with respect to its participation in the system. The Commission shall receive and process such progress reports and provide to the Legislative Commission a summarized overview of the system on or before October 1, 2006, and on or before October 1 of each year thereafter.

6. As used in this section:

(a) “Act of terrorism” has the meaning ascribed to it in NRS 239C.030.

(b) “Commission” means the State Emergency Response Commission created by NRS 459.738.

(c) “Political subdivision” has the meaning ascribed to it in NRS 239C.070.

(d) “Response agency” has the meaning ascribed to it in NRS 239C.080.

(e) “Sheltering in place” means to remain inside a building, room, structure or other location during an emergency when egress may be impossible or when egress may present a more substantial risk than remaining inside the building, room, structure or other location, as applicable.”.

Amend sec. 13, page 8, line 9, by deleting “program.” and inserting:

“program as soon as practicable after July 1, 2005.”.

Amend sec. 14, page 8, line 27, by deleting “2005.” and inserting:

“2005, and expires by limitation on October 1, 2009.”.

Amend the title of the bill to read as follows:

“AN ACT relating to public safety; requiring the State Emergency Response Commission to

establish a statewide mapping system for the public buildings in this State to the extent money is available for a system; encouraging retail establishments doing business in this State to adopt the “Code Adam” program; and providing other matters properly relating thereto.”.

Amend the summary of the bill to read as follows:

“SUMMARY—Establishes and encourages use of certain systems and programs relating to public safety. (BDR 40-286)”.
