**If this amendment is adopted, the Legislative

Legislative Counsel's Digest:

Existing law creates the Nevada Commission on Homeland Security, consisting of such a number of members as determined by the Governor to be appropriate. (NRS 239C.120) The Commission is required to develop policies and programs for preventing and responding to acts of terrorism and related emergencies, and the Chairman of the Commission may appoint committees from its membership to assist in carrying out the Commission's duties. (NRS 239C.160, 239C.170) Under existing law, the Governor must provide staff assistance to the Commission and may designate a state agency to provide such assistance. (NRS 239C.180)

This bill authorizes the Department of Public Safety to employ staff in the classified service of the State to carry out the duties of the Commission.

This bill requires the State or a city or county to report to the Nevada Commission on Homeland Security any funding of projects or programs related to acts of terrorism or other related emergencies that have been approved by another governmental entity. The State and each city and county must also adopt any national system for preventing and responding to acts of terrorism that is mandated by the United States Department of Homeland Security as a condition for the receipt of federal money.

This bill requires the Governor to appoint 14 voting members to the Commission and specifies the qualifications of certain of those members. This bill also requires the Chairman of the Commission to appoint a Committee on Finance and other committees as deemed necessary by him to assist in carrying out the duties of the Commission.

This bill also excludes international airports from the list of public facilities for which the Commission must conduct an assessment of the security from acts of terrorism and from the types of restricted documents for which inspection is limited.
