AN ACT relating to the licensing of businesses; revising the provisions governing the applicability of the requirements for a state business license; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law requires a business to obtain a state business license and pay a
2 license fee of \$100 annually unless the business is exempt by law. (NRS 360.760-
3 360.795) Among the businesses exempt from the license requirement is a business
4 operated by a person from his home that earns not more than 66 2/3 percent of the
5 previous year's average annual wage pursuant to Chapter 612 of NRS.
6 (NRS 360.765)

7 This bill expands that exemption to include all businesses that earn not more
8 than 66 2/3 percent of the previous year's average annual wage. This bill also
9 provides an exemption for certain nonprofit associations composed of the owners of
10 units in common-interest communities.

11 To clarify the applicability of these exemptions, this bill repeals NRS 360.785
12 which addresses the activities that constitute a business and incorporates the
13 provision into the amendment of NRS 360.765.
