AN ACT relating to taxation; authorizing certain counties, upon approval of the voters, to impose additional taxes on certain motor vehicle fuels; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law authorizes counties with a population of 100,000 or more but less
2 than 400,000 (currently Washoe County) to impose additional excise taxes by
3 ordinance on certain motor vehicle fuels. The board of county commissioners is
4 authorized to increase the tax annually by a maximum of 4.5 percent or the 5-year
5 average percent increase in the Consumer Price Index for West Urban Consumers,
6 whichever is less. (NRS 373.065)

7 This bill expands the counties authorized to impose such additional excise taxes
8 to include any county with a population of less than 400,000 (currently all counties
9 other than Clark County). However, before a county may impose any such
10 additional excise tax, a majority of the voters in the county must approve the
11 imposition of the additional tax and the county must either impose the optional tax
12 on motor vehicle fuel authorized by NRS 373.030 at the maximum allowed rate or
13 submit to the voters the question of whether to impose that tax at that rate.

14 This bill mandates the expiration of such additional excise taxes in a county
15 with a population of less than 100,000 (currently all counties other than Clark
16 County and Washoe County) unless a majority of the voters in the county
17 reapprove the imposition of the additional taxes every 8 years.

18 Existing law requires a county that imposes additional excise taxes by
19 ordinance on certain motor vehicle fuels to enter into a contract with the
20 Department of Motor Vehicles to carry out the ordinance. (NRS 373.070) The
21 Department collects the tax on behalf of the county and each month must transmit

* S B 1 8 1 R 2 *

22 the amount collected to the county, but the Department also must charge the county
23 for the costs incurred by the Department in connection with the tax. (NRS 373.080)

24 This bill specifies that in the case of a motor vehicle fuel tax imposed pursuant
25 to NRS 373.065, the amount to be charged the county for the services provided by
26 the Department in connection with the tax is 1 percent of the tax collected by the
27 Department.
