EXPLANATION – Matter in **bolded italics** is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to public health; making various changes concerning the Committee on Anatomical Dissection established by the University and Community College System of Nevada; prohibiting a person from receiving a dead body under certain circumstances; decreasing the period of time that the Committee is required to retain any dead body it receives in a receiving vault to not less than 30 days; requiring the Committee to charge and collect certain fees for obtaining, handling and distributing dead bodies; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law authorizes the University and Community College System of
2 Nevada to establish a Committee on Anatomical Dissection. (NRS 451.360) The
3 Committee receives certain dead human bodies and distributes such bodies to
4 certain schools, teaching hospitals and other groups which the Committee
5 determines are eligible to receive such bodies for the promotion of medical science.
6 (NRS 451.400, 451.410 and 451.450) The Committee is required to submit a report
7 of its activities to the Presidents of the University and Community College System
8 of Nevada and the State Board of Health. (NRS 451.370) The Committee is also
9 required to retain each dead body it receives in a receiving vault for not less than 80
10 days before allowing its use for medical science. (NRS 451.410)

* S B 1 9 3 R 2 *

This bill revises certain provisions relating to the membership of the Committee and requires that the member appointed by the President of the University of Nevada, Reno, or the University of Nevada, Las Vegas, be elected as Chairman. The Chairman and Secretary hold office for 1 year and the Committee is required to meet at least twice annually.

This bill also establishes certain duties for the Committee. The Committee is required to prepare and approve an annual budget and to submit the report of its activities to the Governor and the Director of the Legislative Counsel Bureau for transmittal to the appropriate committees of the Legislature. This bill further requires the Committee to adopt regulations concerning the persons and entities that are eligible to receive dead human bodies. The Committee is also required to retain each dead body it receives in a receiving vault for not less than 30 days before allowing its use for medical science.

This bill requires the Committee to charge and collect certain fees from a university, state college, community college or medical school within the University and Community College System of Nevada and any other person or entity which receives dead bodies from the Committee for medical science.

This bill prohibits a person and entity from receiving a dead body for the promotion of medical science unless the Committee determines that the person is eligible to receive such body. A person or entity that receives a dead body without the Committee making such a determination is guilty of a gross misdemeanor.
