EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to traffic; authorizing the Department of Transportation and the governing body of a city or county to issue a permit to operate an oversized vehicle under certain circumstances; requiring certain regulations adopted by the governing body of a city or county relating to the issuance of permits for oversized vehicles to be consistent with regulations adopted by the Department; requiring the Department and certain governing bodies to establish an expedited procedure for issuing permits for oversized vehicles under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law authorizes the Department of Transportation or a city or county to
2 issue permits to operate oversized vehicles on the highways under its control and
3 for vehicles with a maximum weight on a single axle in excess of 20,000 pounds.
4 (NRS 484.7631, 484.765) The Department or a city or county may also adopt
5 regulations concerning the movement of oversized vehicles on the highways under
6 its control. (NRS 484.7631)

7 This bill provides that, in a county whose population is less than 400,000
8 (currently all counties except Clark County), the Department of Transportation with
9 respect to highways under its jurisdiction and the governing body of the county and
10 each city in the county with respect to roadways under the jurisdiction of the county
11 or city may issue a permit to operate an oversized vehicle that exceeds the legal
12 maximum width, length or height for the vehicle unless the Department or
13 governing body determines that the issuance of the permit would create a safety
14 hazard or impede the flow of traffic.

15 This bill provides that, in a county whose population is 400,000 or more
16 (currently Clark County), the governing body of the county and each city in the

17 county may issue a permit to operate an oversized vehicle that is more than 102
18 inches in width, 14 feet in height or 70 feet in length if the proposed operation of
19 the vehicle does not include operation on any portion of the state highway system
20 and if the governing body has jurisdiction over the roadway where the proposed
21 route of operation will begin. If the vehicle will be operated on any portion of the
22 state highway system in that county, the Department of Transportation must issue
23 the permit.

24 This bill further requires the Department of Transportation and each of those
25 governing bodies to establish, to the greatest extent practicable, an expedited
26 procedure for issuing a permit to operate oversized vehicles that are not more than
27 15 feet in height and not more than 110 feet in length. Under the expedited
28 procedure, the Department and each governing body must issue the permit within 1
29 working day after receiving a request for the permit if the vehicle is 144 inches or
30 less in width, or within 2 working days after receiving a request for the permit if the
31 vehicle is more than 144 inches but not more than 168 inches in width.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** NRS 484.7631 is hereby amended to read as
2 follows:

3 484.7631 1. ~~[The]~~ **In a county whose population is less than**
4 **400,000, the** Department of Transportation with respect to highways
5 under its jurisdiction and the governing body of **the county or** a city
6 ~~for in the~~ county with respect to ~~highways under its jurisdiction~~
7 ~~shall, upon application in writing,~~ **roadways under the jurisdiction**
8 **of the county or city may, upon request,** issue a permit to operate a
9 vehicle, or a vehicle with a load ~~[, having a width exceeding]~~ **that**
10 **exceeds** the legal maximum width ~~[but not exceeding 120 inches in~~
11 ~~width on a highway,]~~, **length or height for the vehicle**, unless the
12 Department or governing body determines that the operation would
13 be a safety hazard or would unduly impede the flow of traffic.

14 2. ~~[The]~~ **In a county whose population is 400,000 or more:**
15 (a) **If the operation of a vehicle specified in subsection 1 will**
16 **not include operation on the state highway system established**
17 **pursuant to chapter 408 of NRS, the governing body of the county**
18 **and each city in the county may, upon request, issue a permit to**
19 **operate the vehicle on a roadway in that city or county:**

20 (1) **If the governing body has jurisdiction over the roadway**
21 **at the point of origination of the route of the vehicle; and**

22 (2) **Unless the governing body determines that the**
23 **operation would be a safety hazard or would unduly impede the**
24 **flow of traffic; or**

25 (b) **If the operation of the vehicle will include operation on the**
