

Senate Bill No. 23—Committee on  
Human Resources and Education

CHAPTER.....

AN ACT relating to persons with disabilities; authorizing certain persons with physical disabilities to use signature stamps under certain circumstances; requiring the Department of Human Resources to adopt regulations governing the use of a signature stamp including the extent to which persons and governmental entities may incur liability related to the use of a signature stamp; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

This bill authorizes the use of signature stamps by persons with physical disabilities who are unable to write because of their disabilities and creates an exception to any law that requires a handwritten signature. In situations in which a signature must be witnessed or has other qualifying requirements, the person with a disability is required to use the stamp in the presence of a witness and meet any other qualifying requirements.

This bill also requires the Office of Disability Services in the Department of Human Resources to adopt standards regarding the use of signature stamps and requires the Department of Human Resources to adopt regulations regarding the use of signature stamps, including regulations concerning the extent to which certain persons and governmental entities may incur liability related to the use of signature stamps.
