EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets **[omitted material]** is material to be omitted.

AN ACT relating to outdoor advertising structures; authorizing remedies under certain circumstances if the visibility of an outdoor advertising structure is obstructed as a result of certain highway construction projects; and providing other matters properly relating thereto.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** Chapter 278 of NRS is hereby amended by adding
2 thereto a new section to read as follows:

3 *1. If any improvement project is caused to be constructed for
4 purposes of noise abatement by the governing body of a city or
5 county within the right-of-way of a controlled access freeway,
6 which obstructs the visibility from the main traveled way of the
7 controlled access freeway of an outdoor advertising structure that
8 adjoins the controlled access freeway, the governing body of the
9 city or county shall:*

10 *(a) Authorize, with the consent of the Department of
11 Transportation pursuant to chapter 410 of NRS and at no cost to
12 the State or any local government, the owner of the outdoor
13 advertising structure to adjust the height or angle of the structure to
14 a height or angle that restores the visibility of the structure to*

1 ***the same or comparable visibility as before the construction of the***
2 ***improvement project;***

3 (b) Authorize, with the consent of the Department of
4 Transportation pursuant to chapter 410 of NRS and at no cost to
5 the State or any local government, the owner of the outdoor
6 advertising structure to relocate the structure to another location
7 on the same parcel of land or on another parcel of land where the
8 owner of the structure has secured the right to construct a
9 structure pursuant to the applicable local ordinances in existence
10 at that time and the relocation restores the visibility of the
11 structure to the same or comparable visibility as before the
12 construction of the improvement project;

13 (c) Evaluate the impact of the improvement project on the
14 visibility of the outdoor advertising structure and may, in its
15 discretion, implement design modifications to the project which
16 maintain the integrity of the project and which eliminate the effect
17 of the project on the visibility of the structure so that adjustments
18 to or relocation of the structure are not required to maintain its
19 visibility;

20 (d) Authorize, with the consent of the Department of
21 Transportation pursuant to chapter 410 of NRS and at no cost to
22 the State or any local government, any other relief which is
23 consistent with the public health, safety and welfare and which is
24 mutually agreed upon by the governing body of the city or county,
25 the Department of Transportation and the owner of the outdoor
26 advertising structure; or

27 (e) If the actions described in paragraphs (a) to (d), inclusive,
28 would not result in the same or comparable visibility of the
29 structure, let the visibility of the structure remain obstructed.

30 2. The provisions of subsection 1 do not authorize the owner
31 of an outdoor advertising structure to increase the size of the area
32 of display of the structure.

33 3. A city or county may implement the provisions of this
34 section by ordinance or by variance or waiver from applicable
35 ordinance, rule or regulation.

36 4. The provisions of this section:

37 (a) Apply to lawfully erected conforming and nonconforming
38 outdoor advertising structures;

39 (b) Are not intended to grant an express or implied right of
40 light, air or view over a controlled access freeway if such a right is
41 not otherwise provided by law;

42 (c) Do not apply to an outdoor advertising structure whose
43 visibility was obstructed on or before the effective date of this act
44 by an improvement project for noise abatement;

1 (d) Do not change the designation of an existing
2 nonconforming outdoor advertising structure from
3 nonconforming to conforming; and

4 (e) Do not authorize an increase in the number of
5 nonconforming outdoor advertising structures.

6 5. As used in this section:

7 (a) "Controlled access freeway" means every highway to or
8 from which owners or occupants of abutting lands and other
9 persons are prohibited from having direct private access, and
10 where access is allowed only at interchanges; and

11 (b) "Outdoor advertising structure" means a billboard, subject
12 to a permit issued by the Department of Transportation, that is
13 designed, intended or used to disseminate commercial and
14 noncommercial messages that do not concern the premises upon
15 which the billboard is located.

16 Sec. 2. NRS 278.010 is hereby amended to read as follows:

17 278.010 As used in NRS 278.010 to 278.630, inclusive, **and**
18 **section 1 of this act**, unless the context otherwise requires, the
19 words and terms defined in NRS 278.0105 to 278.0195, inclusive,
20 have the meanings ascribed to them in those sections.

21 Sec. 3. Chapter 410 of NRS is hereby amended by adding
22 thereto a new section to read as follows:

23 1. **If any improvement project is caused to be constructed for**
24 **purposes of noise abatement by the Department within the right-**
25 **of-way of a controlled access freeway, which obstructs the**
26 **visibility from the main traveled way of the controlled access**
27 **freeway of an outdoor advertising structure that adjoins the**
28 **controlled access freeway, the Department shall:**

29 (a) Authorize, with the consent of the affected city or county
30 pursuant to chapter 278 of NRS and at no cost to the State or any
31 local government, the owner of the outdoor advertising structure
32 to adjust the height or angle of the structure to a height or angle
33 that restores the visibility of the structure to the same or
34 comparable visibility as before the construction of the
35 improvement project;

36 (b) Authorize, with the consent of the affected city or county
37 pursuant to chapter 278 of NRS and at no cost to the State or any
38 local government, the owner of the outdoor advertising structure
39 to relocate the structure to another location on the same parcel of
40 land or on another parcel of land where the owner of the structure
41 has secured the right to construct a structure pursuant to the
42 applicable local ordinances in existence at that time and the
43 relocation restores the visibility of the structure to the same or
44 comparable visibility as before the construction of the
45 improvement project;

* S B 2 6 2 R 2 *

1 (c) Evaluate the impact of the improvement project on the
2 visibility of the outdoor advertising structure and may, in its
3 discretion, implement design modifications to the project which
4 maintain the integrity of the project and which eliminate the effect
5 of the project on the visibility of the structure so that adjustments
6 to or relocation of the structure are not required to maintain its
7 visibility;

8 (d) Authorize, with the consent of the affected city or county
9 pursuant to chapter 278 of NRS and at no cost to the State or any
10 local government, any other relief which is consistent with the
11 public health, safety and welfare and which is mutually agreed
12 upon by the governing body of the affected city or county, the
13 Department and the owner of the outdoor advertising structure; or

14 (e) If the actions described in paragraphs (a) to (d), inclusive,
15 would not result in the same or comparable visibility of the
16 structure, let the visibility of the structure remain obstructed.

17 2. The provisions of subsection 1 do not authorize the owner
18 of an outdoor advertising structure to increase the size of the area
19 of display of the structure.

20 3. The provisions of this section:

21 (a) Apply to lawfully erected conforming and nonconforming
22 outdoor advertising structures;

23 (b) Are not intended to grant an express or implied right of
24 light, air or view over a controlled access freeway if such a right is
25 not otherwise provided by law;

26 (c) Do not apply to an outdoor advertising structure whose
27 visibility was obstructed on or before the effective date of this act
28 by an improvement project for noise abatement;

29 (d) Do not change the designation of an existing
30 nonconforming outdoor advertising structure from
31 nonconforming to conforming; and

32 (e) Do not authorize an increase in the number of
33 nonconforming outdoor advertising structures.

34 4. As used in this section:

35 (a) "Controlled access freeway" means every highway to or
36 from which owners or occupants of abutting lands and other
37 persons are prohibited from having direct private access, and
38 where access is allowed only at interchanges; and

39 (b) "Outdoor advertising structure" means a billboard, subject
40 to a permit issued by the Department, that is designed, intended or
41 used to disseminate commercial and noncommercial messages
42 that do not concern the premises upon which the billboard is
43 located.
