AN ACT relating to air pollution; revising the provisions governing the distribution of money in the Pollution Control Account to local governmental agencies; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Existing law creates the Pollution Control Account in the State General Fund.  
2 The Department of Motor Vehicles deposits money in the Account collected from  
3 fees for licensing and renewing licenses of certain entities that inspect, repair,  
4 adjust or install devices for the control of motor vehicle emissions. The Department  
5 also deposits money in the Account from fees collected for forms certifying  
6 emission control compliance. One-sixth of the amount collected for such forms  
7 must be used to fund grants provided to certain local governmental agencies located  
8 in areas with high levels of air pollution. The balance of the money in the Account  
9 is expended pursuant to legislative appropriation or authorization. At the end of the  
10 fiscal year, any money remaining in the Account in excess of \$500,000 is used to  
11 fund additional grants to local governmental agencies. (NRS 445B.830)

12 This bill revises the manner in which money in the Pollution Control Account  
13 is expended. This bill provides that a portion of the money collected for forms  
14 certifying emission control compliance must be distributed quarterly to qualified  
15 local governmental agencies rather than requiring the agencies to apply for grants.  
16 This bill requires the local governmental agencies to report to the Legislature  
17 annually on the use of the money received. Under this bill, local governmental  
18 agencies may continue to receive grants if excess money remains in the Account at  
19 the end of the fiscal year. However, this bill increases the balance that must remain  
20 in the Account to \$1 million before such grants may be awarded.

1 pursuant to 42 U.S.C. § 7408. The distributions of money made to  
2 agencies in a county pursuant to this subsection must be made  
3 from an amount of money in the Pollution Control Account that is  
4 equal to one-sixth of the amount received for each form issued in  
5 the county pursuant to subsection 1.

6 5. Each local governmental agency that receives money  
7 pursuant to subsection 4 shall, not later than 45 days after the end  
8 of the fiscal year in which the money is received, submit to the  
9 Director of the Legislative Counsel Bureau for transmittal to the  
10 Interim Finance Committee a report on the use of the money  
11 received.

12 6. The Department of Motor Vehicles shall by regulation  
13 establish a program to award grants of money in the Pollution  
14 Control Account to local governmental agencies in nonattainment or  
15 maintenance areas for an air pollutant for which air quality criteria  
16 have been issued pursuant to 42 U.S.C. § 7408, for programs related  
17 to the improvement of the quality of **the** air. The grants to agencies
