AN ACT relating to crimes; prohibiting a person from leaving a child who is 7 years of age or younger in a motor vehicle without certain supervision; authorizing a prosecuting attorney to inquire into and inspect sealed records concerning such an offense under certain circumstances; providing a penalty; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Existing law provides criminal penalties for the abuse, neglect or endangerment  
2 of a child. Such penalties include punishment for a category A felony with the  
3 possibility of imprisonment for life if the child suffers substantial bodily harm or  
4 punishment for a category B felony or a category C felony depending on the  
5 circumstances. (NRS 200.508-200.5085) In addition, existing law authorizes the  
6 district attorney to refer a person who is suspected of committing an act that may  
7 constitute abuse and neglect of a child for treatment and counseling.  
8 (NRS 200.5081)  
9 This bill prohibits a parent, legal guardian or other person who is responsible  
10 for a child who is 7 years of age or younger from leaving the child in a motor  
11 vehicle without the supervision of a person who is at least 12 years of age. A person  
12 who violates this provision is guilty of a misdemeanor. However, this bill allows a  
13 court to suspend the proceedings and dismiss the proceedings if the person  
14 completes an educational program satisfactory to the court. This bill further

15 provides that the penalties of this provision do not apply if the person may be  
16 prosecuted under another provision of law. Thus, if the conduct of the parent, legal  
17 guardian or other person rises to the level of abuse or neglect of the child, this  
18 provision would not apply.

19 Existing law provides for the sealing of records related to the arrest and  
20 prosecution of a person for a crime, including the sealing of records after charges  
21 are dismissed or a person is acquitted of the charges. (NRS 179.255) After the  
22 records are sealed, all proceedings related to the record are deemed never to have  
23 occurred. (NRS 179.285) Nevertheless, in limited circumstances, certain persons  
24 may inspect sealed records. (NRS 179.301)

25 This bill amends the provision which authorizes certain persons to inspect  
26 sealed records to authorize a prosecuting attorney to inquire into and inspect such  
27 records if: (1) the records relate to a violation or alleged violation of the prohibition  
28 on leaving a child who is 7 years of age or younger in a motor vehicle without the  
29 required supervision; and (2) the person who is the subject of the records has been  
30 arrested or issued a citation for a violation of that provision.
