EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets [~~omitted material~~] is material to be omitted.

AN ACT relating to public welfare; requiring the Director of the Department of Human Resources or his designee to adopt any state plan required by the Federal Government as a condition of the receipt of federal money for a program administered by the Department or any of the divisions of the Department; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law establishes the Department of Human Resources, divisions of the
2 Department and the position of Director of the Department (NRS 232.290-
3 232.465). Existing law also requires the Director to adopt state plans mandated as a
4 condition for receiving federal money for programs that the Welfare Division or the
5 Division of Health Care Financing and Policy are responsible for administering
6 (NRS 422.271). There is no general law requiring the adoption of similar state
7 plans for programs administered by other divisions of the Department of Human
8 Resources.

9 This bill would require the Director to adopt state plans mandated by the
10 Federal Government as a condition for receiving federal money for programs that
11 any division of the Department administers.

12 This bill also allows the Director to determine the formula for distributing
13 federal money for programs that are mandated to be applied statewide. The bill also
14 permits the Director to determine the formula for assessing any penalties and
15 sanctions imposed on a federal program.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** Chapter 232 of NRS is hereby amended by adding
