26 no retailers will be maintaining a fixed place of business within
27 the district on the date of the adoption of the ordinance; or

28 (b) Amends the boundaries of the district to add any additional

15 ➤ *After the receipt of the notice required by this subsection and*

19 *effect on the school district, if any, of the project and the use of*
20 *any money proposed to be pledged pursuant to section 8 of this*
21 *act, and may submit to the governing body of the municipality any*

25 *considering the terms of any agreement pursuant to section 12 of*
26 *this act.*

27 5. *Except as otherwise provided in section 10 of this act, the*
28 *board of county commissioners of the county in which the district*

32 (a) *As a result of the project:*

33 (1) *Retailers will locate their businesses as such in the*
34 *district; and*

35 (2) *There will be a substantial increase in the proceeds*
36 *from sales and use taxes remitted by retailers with regard to*
37 *tangible personal property sold at retail, or stored, used or*

39 (b) *A preponderance of that increase in the proceeds from*
40 *sales and use taxes will be attributable to transactions with tourists*
41 *who are not residents of this State.*

42 6. *The Commission on Tourism has determined, at a public*
43 *hearing conducted at least 15 days after providing notice of the*
44 *hearing by publication, that a preponderance of the increase in*
45 *the proceeds from sales and use taxes identified pursuant to*

1 subsection 5 will be attributable to transactions with tourists who
2 are not residents of this State.

3 7. The Governor has determined that the project and the use
4 of any money proposed to be pledged pursuant to section 8 of this
5 act will contribute significantly to economic development and
6 tourism in this State. Before making that determination, the
7 Governor:

8 (a) Must consider the fiscal effects of the pledge of money on
9 educational funding, including any fiscal effects described in
10 comments provided pursuant to subsection 4 by the school district
11 in which the tourism improvement district is or will be located, and
12 for that purpose may require the Department of Education or the
13 Department of Taxation, or both, to provide him with an
14 appropriate fiscal report; and

15 (b) If the Governor determines that the pledge of money will
16 have a substantial adverse fiscal effect on educational funding,
17 may require a commitment from the municipality for the provision
18 of specified payments to the school district in which the tourism
19 improvement district is or will be located during the term of the
20 use of any money pledged pursuant to section 8 this act. The
21 payments may be provided pursuant to agreements with owners of
22 property within the district authorized by section 12 of this act or
23 from sources other than the owners of property within the district.
24 Such a commitment by a municipality is not subject to the
25 limitations of subsection 1 of NRS 354.626 and, notwithstanding
26 any other law to the contrary, is binding on the municipality for
27 the term of the use of any money pledged pursuant to section 8 of
28 this act.

29 8. If any property within the boundaries of the district is also
30 included within the boundaries of any other tourism improvement
31 district or any improvement district for which any money has been
32 pledged pursuant to NRS 271.650, all the governing bodies which
33 created those districts have entered into an interlocal agreement
34 providing for:

35 (a) The apportionment of any money pledged pursuant to
36 section 8 of this act and NRS 271.650 with respect to such
37 property; and

38 (b) The priority of the application of that money between:

39 (1) Bonds issued pursuant to chapter 271 of NRS; and

40 (2) Bonds and notes issued, and agreements entered into,
41 pursuant to section 13 of this act.

42 ➡ Any such agreement for the priority of the application of that
43 money may be made irrevocable during the term of any bonds
44 issued pursuant to chapter 271 of NRS to which all or any portion
45 of that money is pledged, or during the term of any bonds or notes

1 *issued or any agreements entered into pursuant to section 13 of*
2 *this act to which all or any portion of that money is pledged.*

3 **Sec. 10.** *Any determination or approval made pursuant to*
4 *section 9 of this act is conclusive in the absence of fraud or gross*
5 *abuse of discretion. If a district is proposed by a city and the board*
6 *of county commissioners refuses to make the determinations*
7 *required by subsection 5 of section 9 of this act, the governing*
8 *body of the city may request the Commission on Tourism to make*
9 *those determinations. The Commission on Tourism shall make*
10 *those determinations if a majority of the members of the*
11 *Commission on Tourism agree that the refusal was unreasonable.*
12 *If those determinations are made by the Commission on Tourism*
13 *pursuant to this section, those determinations are conclusive in the*
14 *absence of fraud or gross abuse of discretion, and shall be deemed*
15 *to satisfy the requirements of subsection 5 of section 9 of this act.*

16 **Sec. 11.** *After the adoption of an ordinance creating a*
17 *district in accordance with this chapter, the governing body of the*
18 *municipality and the Department of Taxation shall enter into an*
19 *agreement specifying the dates and procedure for distribution to*
20 *the municipality of any money pledged pursuant to section 8 of*
21 *this act. The distributions must:*

22 *1. Be made not less frequently than once each calendar*
23 *quarter; and*

24 *2. Cease at the end of the fiscal year in which the 20th*
25 *anniversary of the adoption of the ordinance creating the district*
26 *occurs.*

27 **Sec. 12.** *1. The governing body of a municipality may,*
28 *except as otherwise provided in subsection 2, enter into an*
29 *agreement with one or more of the owners of any interest in*
30 *property within a district, pursuant to which that owner would*
31 *agree to make payments to the municipality or to another local*
32 *government that provides services in the district, or to both, to*
33 *defray, in whole or in part, the cost of local governmental services*
34 *during the term of the use of any money pledged pursuant to*
35 *section 8 of this act. Such an agreement must specify the amount*
36 *to be paid by the owner of the property interest, which may be*
37 *stated as a specified amount per year or as an amount based upon*
38 *any formula upon which the municipality and owner agree.*

39 *2. The governing body of a municipality shall not enter into*
40 *an agreement pursuant to subsection 1 unless:*

41 *(a) The governing body has determined pursuant to subsection*
42 *3 of section 9 of this act that the project and the use of any money*
43 *pledged pursuant to section 8 of this act will not have a positive*
44 *fiscal effect on the provision of local governmental services; or*

1 (b) *The Governor requires a commitment from the*
2 *municipality for the provision of specified payments to the school*
3 *district in which the district is located during the term of the use of*
4 *any money pledged pursuant to section 8 of this act.*

5 **Sec. 13.** *1. Except as otherwise provided in this section, if*
6 *the governing body of a municipality adopts an ordinance*
7 *pursuant to section 8 of this act, the municipality may:*

8 (a) *Issue at one time or from time to time, bonds or notes as*
9 *special obligations under the Local Government Securities Law to*
10 *finance or refinance projects for the benefit of the district. Any*
11 *such bonds or notes may be secured by a pledge of, and be payable*
12 *from, any money pledged pursuant to section 8 of this act and*
13 *received by the municipality with respect to the district, any*
14 *revenue received by the municipality from any revenue-producing*
15 *projects in the district, or any combination thereof.*

16 (b) *Enter into an agreement with one or more governmental*
17 *entities or other persons to reimburse that entity or person for the*
18 *cost of acquiring, improving, equipping, operating or maintaining,*
19 *or any combination thereof, any project, which may contain such*
20 *terms as are determined to be desirable by the governing body of*
21 *the municipality, including the payment of reasonable interest and*
22 *other financing costs incurred by such entity or other person. Any*
23 *such reimbursements may be secured by a pledge of, and be*
24 *payable from, any money pledged pursuant to section 8 of this act*
25 *and received by the municipality with respect to the district, any*
26 *revenue received by the municipality from any revenue-producing*
27 *projects in the district, or any combination thereof. Such an*
28 *agreement is not subject to the limitations of subsection 1 of NRS*
29 *354.626 and may, at the option of the governing body, be binding*
30 *on the municipality beyond the fiscal year in which it was made,*
31 *only if the agreement pertains solely to one or more projects that*
32 *are owned by the municipality or another governmental entity.*

33 2. *Before the issuance of any bonds or notes pursuant to this*
34 *section, the municipality must obtain the results of a feasibility*
35 *study, commissioned by the municipality, which shows that a*
36 *sufficient amount will be generated from money pledged pursuant*
37 *to section 8 of this act to make timely payment on the bonds or*
38 *notes, taking into account the revenue from any other revenue-*
39 *producing projects also pledged for the payment of the bonds or*
40 *notes, if any. A failure to make payments of any amounts due:*

41 (a) *With respect to any bonds or notes issued pursuant to*
42 *subsection 1; or*

43 (b) *Under any agreements entered into pursuant to*
44 *subsection 1,*

1 ↪ because of any insufficiency in the amount of money pledged
2 pursuant to section 8 of this act to make those payments shall be
3 deemed not to constitute a default on those bonds, notes or
4 agreements.

5 3. No bond, note or other agreement issued or entered into
6 pursuant to this section may be secured by or payable from the
7 general fund of the municipality, the power of the municipality to
8 levy ad valorem property taxes, or any source other than any
9 money pledged pursuant to section 8 of this act and received by the
10 municipality with respect to the district, any revenue received by
11 the municipality from any revenue-producing projects in the
12 district, or any combination thereof. No bond, note or other
13 agreement issued or entered into pursuant to this section may ever
14 become a general obligation of the municipality or a charge
15 against its general credit or taxing powers, nor may any such
16 bond, note or other agreement become a debt of the municipality
17 for purposes of any limitation on indebtedness.

18 4. Any bond or note issued pursuant to this section, including
19 any bond or note issued to refund any such bond or note, must
20 mature on or before, and any agreement entered pursuant to this
21 section must automatically terminate on or before, the end of the
22 fiscal year in which the 20th anniversary of the adoption of the
23 ordinance creating the district occurs.

24 **Sec. 14.** Notwithstanding any other law to the contrary, any
25 contract or other agreement relating to or providing for the
26 construction, other acquisition, improvement, equipment,
27 operation or maintenance of any project financed in whole or in
28 part pursuant to this chapter is exempt from any law requiring
29 competitive bidding or otherwise specifying procedures for the
30 award of contracts for construction or other contracts, or
31 specifying procedures for the procurement of goods or services.

32 **Sec. 15.** NRS 271.650 is hereby amended to read as follows:

33 271.650 1. Except as otherwise provided in ~~[subsection 2,]~~
34 *this section*, the governing body of a municipality in a county whose
35 population is less than 400,000 may include in an assessment
36 ordinance for a project the pledge of a single percentage specified in
37 the ordinance, which must not exceed 75 percent, of:

38 (a) An amount equal to the proceeds of the taxes imposed
39 pursuant to NRS 372.105 and 372.185 with regard to tangible
40 personal property sold at retail, or stored, used or otherwise
41 consumed, in the improvement district during a fiscal year, after the
42 deduction of a sum equal to 0.75 percent of the amount of those
43 proceeds; and

44 (b) The amount of the proceeds of the taxes imposed pursuant to
45 NRS 374.110, 374.190 and 377.030 with regard to tangible personal

1 property sold at retail, or stored, used or otherwise consumed, in the
2 improvement district during a fiscal year, after the deduction of 0.75
3 percent of the amount of those proceeds.

4 2. *If any property within the boundaries of an improvement*
5 *district for which any money is pledged pursuant to this section is*
6 *also included within the boundaries of any other improvement*
7 *district for which any money is pledged pursuant to this section or*
8 *any tourism improvement district for which any money is pledged*
9 *pursuant to section 8 of this act, the total amount of money*
10 *pledged pursuant to this section and section 8 of this act with*
11 *respect to such property by all such districts must not exceed the*
12 *amount authorized pursuant to this section.*

13 3. The governing body of a municipality shall not include a
14 pledge authorized by subsection 1 in an assessment ordinance for a
15 project unless:

16 (a) The governing body determines that no retailers have
17 maintained a fixed place of business in the improvement district at
18 any time from the first day of the fiscal year in which the assessment
19 ordinance is adopted until the date of the adoption of the ordinance .

20 ~~{3}~~
21 (b) Except as otherwise provided in subsection ~~{3}~~ 4, the board
22 of county commissioners of each county in which the improvement
23 district is located determines, at a public hearing conducted at least
24 15 days after providing notice of the hearing by publication, that:

25 (1) As a result of the project:

26 (I) Retailers will locate their businesses as such in the
27 improvement district; and

28 (II) There will be a substantial increase in the proceeds
29 from sales and use taxes remitted by retailers with regard to tangible
30 personal property sold at retail, or stored, used or otherwise
31 consumed, in the improvement district; and

32 (2) A preponderance of that increase in the proceeds from
33 sales and use taxes will be attributable to transactions with tourists
34 who are not residents of this State . ~~{3}~~

35 (c) The Commission on Tourism determines, at a public hearing
36 conducted at least 15 days after providing notice of the hearing by
37 publication, that a preponderance of the increase in the proceeds
38 from sales and use taxes identified pursuant to paragraph (b) will be
39 attributable to transactions with tourists who are not residents of this
40 State . ~~{3-and}~~

41 (d) The Governor determines that the project and the pledge of
42 money authorized by subsection 1 will contribute significantly to
43 economic development and tourism in this State. Before making that
44 determination, the Governor:

(1) Must consider the fiscal effects of the pledge of money on educational funding, including any fiscal effects described in comments provided pursuant to NRS 271.670 by the school district in which the improvement district is located, and for that purpose may require the Department of Education or the Department of Taxation, or both, to provide him with an appropriate fiscal report; and

(2) If the Governor determines that the pledge of money will have a substantial adverse fiscal effect on educational funding, may require a commitment from the municipality for the provision of specified payments to the school district in which the improvement district is located during the term of the pledge of money. The payments may be provided pursuant to agreements authorized by NRS 271.670 or from sources other than the owners of property within the improvement district. Such a commitment by a municipality is not subject to the limitations of subsection 1 of NRS 354.626 and, notwithstanding any other law to the contrary, is binding on the municipality for the term of the pledge of money authorized by subsection 1.

(e) If any property within the boundaries of the improvement district is also included within the boundaries of any other improvement district for which any money has been pledged pursuant to this section or any tourism improvement district for which any money has been pledged pursuant to section 8 of this act, all the governing bodies which created those districts have entered into an interlocal agreement providing for:

(1) The apportionment of any money pledged pursuant to this section and section 8 of this act with respect to such property; and

(2) The priority of the application of that money between:

(I) Bonds issued pursuant to this chapter; and

(II) Bonds and notes issued, and agreements entered into, pursuant to section 13 of this act.

↪ Any such agreement for the priority of the application of that money may be made irrevocable during the term of any bonds issued pursuant to this chapter to which all or any portion of that money is pledged, or during the term of any bonds or notes issued or any agreements entered into pursuant to section 13 of this act to which all or any portion of that money is pledged.

~~[3-]~~ 4. Any determination or approval made pursuant to subsection ~~[2-]~~ 3 is conclusive in the absence of fraud or gross abuse of discretion. If an improvement district is created by a municipality that is not a county and the board of county commissioners refuses to make the determinations required by paragraph (b) of subsection ~~[2-]~~ 3, the governing body of the municipality may request the

1 Commission on Tourism to make those determinations. The
2 Commission on Tourism shall make those determinations if a
3 majority of the members of the Commission on Tourism agree that
4 the refusal was unreasonable. If those determinations are made by
5 the Commission on Tourism pursuant to this subsection, those
6 determinations shall be deemed to be as conclusive as
7 determinations made by the board of county commissioners
8 pursuant to paragraph (b) of subsection ~~[2.]~~ 3, and to satisfy the
9 requirements of that paragraph.

10 ~~[4.]~~ 5. As used in this section, “retailer” has the meaning
11 ascribed to it in NRS 374.060.

12 377.057 1. The State Controller, acting upon the relevant
13 information furnished by the Department, shall distribute monthly
14 from the fees, taxes, interest and penalties which derive from the

29 (2) Except as otherwise provided in this paragraph, the

34 ➡ whichever is less, except that the amount distributed to the
35 county must not be less than the amount specified in subsection 5. If
36 the Bureau of the Census of the United States Department of
37 Commerce issues population totals that conflict with the totals
38 certified by the Governor pursuant to NRS 360.285, the percentage
39 change calculated pursuant to subparagraph (2) for the ensuing
40 fiscal year must be an estimate of the change in population for the
41 calendar year, based upon the population totals issued by the Bureau
42 of the Census.

43 (b) All other counties, the amount remaining after making the
44 distributions required by paragraph (a) to each of these counties in
45 the proportion that the amount of supplemental city-county relief tax

1 collected in the county for the month bears to the total amount of
2 supplemental city-county relief tax collected for that month in the
3 counties whose distribution will be determined pursuant to this
4 paragraph.

5 2. If the amount of supplemental city-county relief tax
6 collected in a county listed in paragraph (a) of subsection 1 for the
7 12 most recent months for which information concerning the actual
8 amount collected is available on February 15 of any year exceeds by

11 distribute that county's portion of the proceeds from the
12 supplemental city-county relief tax pursuant to paragraph (b) of
13 subsection 1 in all subsequent fiscal years, unless a waiver is
14 granted pursuant to subsection 3.

15 3. A county which, pursuant to subsection 2, is required to
16 have its portion of the proceeds from the supplemental city-county

21 first receive its portion of the proceeds from the supplemental city-
22 county relief tax pursuant to paragraph (b) of subsection 1 and must
23 be accompanied by evidence which supports the granting of the
24 waiver. The Commission shall grant or deny a request for a waiver
25 on or before March 10 next following the timely filing of the
26 request. If the Commission determines that the increase in
27 the amount of supplemental city-county relief tax collected in the
28 county was primarily caused by:

29 (a) Nonrecurring taxable sales, it shall grant the request.

30 (b) Normal or sustainable growth in taxable sales, it shall deny
31 the request.

32 ➤ A county which is granted a waiver pursuant to this subsection is
33 not required to obtain a waiver in any subsequent fiscal year to
34 continue to receive its portion of the proceeds from the
35 supplemental city-county relief tax pursuant to paragraph (a) of
36 subsection 1 unless the amount of supplemental city-county relief
37 tax collected in the county in a fiscal year again exceeds the
38 threshold established in subsection 2.

39 4. The amount apportioned to each county must be deposited in
40 the Local Government Tax Distribution Account created by NRS
41 360.660 for credit to the respective accounts of each county.
