28 *act will contribute significantly to economic development and*
29 *tourism in this State. Before making that determination, the*
30 *Governor:*

41 *of specified payments to the school district in which the tourism*
42 *improvement district is or will be located during the term of the*
43 *use of any money pledged pursuant to section 8 of this act. The*

8 *included within the boundaries of any other tourism improvement*
9 *district or any improvement district for which any money has been*
10 *pledged pursuant to NRS 271.650, all of the governing bodies*
11 *which created those districts have entered into an interlocal*
12 *agreement providing for:*

13 *(a) The apportionment of any money pledged pursuant to*
14 *section 8 of this act and NRS 271.650 with respect to such*
15 *property; and*

16 *(b) The priority of the application of that money between:*

17 *(1) Bonds issued pursuant to chapter 271 of NRS; and*

18 *(2) Bonds and notes issued, and agreements entered into,*
19 *pursuant to section 13 of this act.*

20 *↪ Any such agreement for the priority of the application of that*
21 *money may be made irrevocable during the term of any bonds*
22 *issued pursuant to chapter 271 of NRS to which all or any portion*
23 *of that money is pledged, or during the term of any bonds or notes*
24 *issued or any agreements entered into pursuant to section 13 of*
25 *this act to which all or any portion of that money is pledged.*

26 **Sec. 10.** *Any determination, written finding or approval*
27 *made pursuant to section 9 of this act is conclusive in the absence*
28 *of fraud or gross abuse of discretion.*

29 **Sec. 11.** *After the adoption of an ordinance creating a*
30 *district in accordance with this chapter, the governing body of the*
31 *municipality and the Department of Taxation shall enter into an*
32 *agreement specifying the dates and procedure for distribution to*
33 *the municipality of any money pledged pursuant to section 8 of*
34 *this act. The distributions must:*

35 *1. Be made not less frequently than once each calendar*
36 *quarter; and*

37 *2. Cease at the end of the fiscal year in which the 20th*
38 *anniversary of the adoption of the ordinance creating the district*
39 *occurs.*

40 **Sec. 12.** *1. The governing body of a municipality may,*
41 *except as otherwise provided in subsection 2, enter into an*
42 *agreement with one or more of the owners of any interest in*
43 *property within a district, pursuant to which that owner would*
44 *agree to make payments to the municipality or to another local*
45 *government that provides services in the district, or to both, to*

1 *defray, in whole or in part, the cost of local governmental services*
2 *during the term of the use of any money pledged pursuant to*
3 *section 8 of this act. Such an agreement must specify the amount*
4 *to be paid by the owner of the property interest, which may be*
5 *stated as a specified amount per year or as an amount based upon*
6 *any formula upon which the municipality and owner agree.*

7 **2.** *The governing body of a municipality shall not enter into*
8 *an agreement pursuant to subsection 1 unless:*

9 (a) *The governing body has made a written finding pursuant to*
10 *subsection 3 of section 9 of this act that the project and the use of*
11 *any money pledged pursuant to section 8 of this act will not have a*
12 *positive fiscal effect on the provision of local governmental*
13 *services; or*

14 (b) *The Governor requires a commitment from the*
15 *municipality for the provision of specified payments to the school*
16 *district in which the district is located during the term of the use of*
17 *any money pledged pursuant to section 8 of this act.*

18 **Sec. 13. 1.** *Except as otherwise provided in this section, if*
19 *the governing body of a municipality adopts an ordinance*
20 *pursuant to section 8 of this act, the municipality may:*

21 (a) *Issue at one time or from time to time, bonds or notes as*
22 *special obligations under the Local Government Securities Law to*
23 *finance or refinance projects for the benefit of the district. Any*
24 *such bonds or notes may be secured by a pledge of, and be payable*
25 *from, any money pledged pursuant to section 8 of this act and*

27 *revenue received by the municipality from any revenue-producing*
28 *projects in the district, or any combination thereof.*

29 (b) *Enter into an agreement with one or more governmental*
30 *entities or other persons to reimburse that entity or person for the*
31 *cost of acquiring, improving or equipping, or any combination*
32 *thereof, any project, which may contain such terms as are*
33 *determined to be desirable by the governing body of the*
34 *municipality, including the payment of reasonable interest and*
35 *other financing costs incurred by such entity or other person. Any*
36 *such reimbursements may be secured by a pledge of, and be*
37 *payable from, any money pledged pursuant to section 8 of this act*
38 *and received by the municipality with respect to the district, any*
39 *revenue received by the municipality from any revenue-producing*
40 *projects in the district, or any combination thereof. Such an*
41 *agreement is not subject to the limitations of subsection 1 of NRS*
42 *354.626 and may, at the option of the governing body, be binding*
43 *on the municipality beyond the fiscal year in which it was made,*
44 *only if the agreement pertains solely to one or more projects that*
45 *are owned by the municipality or another governmental entity.*

2. *Before the issuance of any bonds or notes pursuant to this section, the municipality must obtain the results of a feasibility study, commissioned by the municipality, which shows that a sufficient amount will be generated from money pledged pursuant to section 8 of this act to make timely payment on the bonds or notes, taking into account the revenue from any other revenue-producing projects also pledged for the payment of the bonds or notes, if any. A failure to make payments of any amounts due:*

(a) *With respect to any bonds or notes issued pursuant to subsection 1; or*

(b) *Under any agreements entered into pursuant to subsection 1,*

↪ because of any insufficiency in the amount of money pledged pursuant to section 8 of this act to make those payments shall be deemed not to constitute a default on those bonds, notes or agreements.

3. *No bond, note or other agreement issued or entered into pursuant to this section may be secured by or payable from the general fund of the municipality, the power of the municipality to levy ad valorem property taxes, or any source other than any money pledged pursuant to section 8 of this act and received by the municipality with respect to the district, any revenue received by the municipality from any revenue-producing projects in the district, or any combination thereof. No bond, note or other agreement issued or entered into pursuant to this section may ever become a general obligation of the municipality or a charge against its general credit or taxing powers, nor may any such bond, note or other agreement become a debt of the municipality for purposes of any limitation on indebtedness.*

4. *Any bond or note issued pursuant to this section, including any bond or note issued to refund any such bond or note, must mature on or before, and any agreement entered pursuant to this section must automatically terminate on or before, the end of the fiscal year in which the 20th anniversary of the adoption of the ordinance creating the district occurs.*

Sec. 14. 1. *Except as otherwise provided in this section, notwithstanding any other law to the contrary, any contract or other agreement relating to or providing for the construction, improvement, repair, demolition, reconstruction, other acquisition, equipment, operation or maintenance of any project financed in whole or in part pursuant to this chapter is exempt from any law requiring competitive bidding or otherwise specifying procedures for the award of contracts for construction or other contracts, or specifying procedures for the procurement of goods or services. The governing body of the municipality shall require a quarterly*

1 *report on the demography of the workers employed by any*
2 *contractor or subcontractor for each such project.*

3 2. *The provisions of subsection 1 do not apply to any project*
4 *which is constructed or maintained by a governmental entity on*
5 *any property while the governmental entity owns that property.*

6 3. *The provisions of NRS 338.010 to 338.090, inclusive, apply*
7 *to any contract or other agreement for the construction,*
8 *improvement, repair, demolition or reconstruction of any project*
9 *that is paid for in whole or in part:*

10 (a) *From the proceeds of bonds or notes issued pursuant to*
11 *paragraph (a) of subsection 1 of section 13 of this act; or*

12 (b) *Pursuant to an agreement for reimbursement entered into*
13 *pursuant to paragraph (b) of subsection 1 of section 13 of this act,*
14 *↪ regardless of whether the project is publicly or privately owned.*

41 district is located during the term of the pledge of money. The
42 payments may be provided pursuant to agreements authorized by
43 NRS 271.670 or from sources other than the owners of property
