12 lien before the application was filed pursuant to this section, the  
13 application must be made a part of the action to foreclose the notice  
14 of lien.

15 6. If, after a hearing on the matter, the court determines that:

16 (a) The notice of lien is frivolous and was made without  
17 reasonable cause, the court shall make an order releasing the lien  
18 and awarding costs and reasonable attorney's fees to the applicant  
19 for bringing the motion.

20 (b) The amount of the notice of lien is excessive, the court may  
21 make an order reducing the notice of lien to an amount deemed  
22 appropriate by the court and awarding costs and reasonable  
23 attorney's fees to the applicant for bringing the motion.

24 (c) The notice of lien is not frivolous and was made with  
25 reasonable cause or that the amount of the notice of lien is not  
26 excessive, the court shall make an order awarding costs and  
27 reasonable attorney's fees to the lien claimant for defending the  
28 motion.

29 7. Proceedings conducted pursuant to this section do not affect  
30 any other rights and remedies otherwise available to the parties.

31 8. An appeal may be taken from an order made pursuant to  
32 subsection 6. *A stay may not be granted if the district court does*  
33 *not release the lien pursuant to subsection 6.*

34 9. If an order releasing or reducing a notice of lien is entered  
35 by the court, and the order is not stayed, the applicant may, within 5  
36 days after the order is entered, record a certified copy of the order in  
37 the office of the county recorder of the county where the property or  
38 some part thereof is located. The recording of a certified copy of the

**Sec. 16.** NRS 108.235 is hereby amended to read as follows:

108.235 1. A prime contractor:

(a) Upon a notice of lien, may recover the lienable amount as may be due to him, plus all amounts that may be awarded to him by the court pursuant to NRS 108.237; and

(b) Upon receipt of the amount described in paragraph (a), shall pay all liens for the work, equipment or materials which were furnished *or to be furnished* to him as provided in NRS 108.221 to 108.246, inclusive ~~and~~, *and sections 2 to 5, inclusive, of this act.*

2. In all cases where a prime contractor has been paid for the work, materials or equipment which are the subject of a notice of lien recorded under NRS 108.221 to 108.246, inclusive, *and sections 2 to 5, inclusive, of this act*, the prime contractor shall defend the owner in any action brought thereupon at his own expense.

3. Except as otherwise provided in this subsection, if a lien claimant records a notice of lien for the work, equipment or materials furnished *or to be furnished* to the prime contractor, the owner may withhold from the prime contractor the amount of money for which the lien claimant's notice of lien is recorded. If the lien claimant's notice of lien resulted from the owner's failure to pay the prime contractor for the lien claimant's work, materials or equipment, the owner shall not withhold the amount set forth in the notice of lien from the prime contractor if the prime contractor *or lien claimant* tenders a release of the lien claimant's lien to the owner. In case of judgment against the owner or his property which is the subject of the lien, the owner may deduct, from any amount

1 due or to become due by him to the prime contractor, the amount  
2 paid by the owner to the lien claimant for which the prime  
3 contractor was liable and recover back from the prime contractor  
4 any amount so paid by the owner in excess of the amount the court  
5 has found that the owner owes to the prime contractor.

6 **Sec. 17.** NRS 108.237 is hereby amended to read as follows:

7 108.237 1. The court shall award to a prevailing lien  
8 claimant, whether on its lien or on a surety bond, the lienable  
9 amount found due to the lien claimant by the court and the cost of  
10 preparing and ~~filing the lien claim,~~ *recording the notice of lien,*  
11 including, without limitation, attorney's fees, if any, and interest.  
12 The court shall also award to the prevailing lien claimant, whether  
13 on its lien or on a surety bond, the costs of the proceedings,  
14 including, without limitation, reasonable attorney's fees, the costs  
15 for representation of the lien claimant in the proceedings, and any  
16 other amounts as the court may find to be justly due and owing to  
17 the lien claimant.

18 2. The court shall calculate interest for purposes of subsection  
19 1 based upon:

20 (a) The rate of interest agreed upon in the lien claimant's  
21 contract; or

22 (b) If a rate of interest is not provided in the lien claimant's  
23 contract, interest at a rate equal to the prime rate at the largest bank  
24 in Nevada, as ascertained by the Commissioner of Financial  
25 Institutions, on January 1 or July 1, as the case may be, immediately  
26 preceding the date of judgment, plus ~~2~~ 4 percent, on the amount of  
27 the lien found payable. The rate of interest must be adjusted  
28 accordingly on each January 1 and July 1 thereafter until the amount  
29 of the lien is paid. Interest is payable from the date on which the  
30 payment is found to have been due, as determined by the court.

31 3. If the lien claim is not upheld, the court may award costs and  
32 reasonable attorney's fees to the owner or other person defending  
33 against the lien claim if the court finds that the notice of lien was  
34 pursued by the lien claimant without a reasonable basis in law or  
35 fact.

36 **Sec. 18.** NRS 108.239 is hereby amended to read as follows:

37 108.239 1. A notice of lien may be enforced by an action in  
38 any court of competent jurisdiction ~~that is located within the~~  
39 *county where the property upon which the work of improvement is*  
40 *located*, on setting out in the complaint the particulars of the  
41 demand, with a description of the property to be charged with the  
42 lien.

43 2. At the time of filing the complaint and issuing the summons,  
44 the lien claimant shall:

1 (a) File a notice of pendency of the action in the manner  
2 provided in NRS 14.010; and

3 (b) Cause a notice of foreclosure to be published at least once a  
4 week for 3 successive weeks, in one newspaper published in the  
5 county, and if there is no newspaper published in the county, then in  
6 such mode as the court may determine, notifying all persons holding  
7 or claiming a notice of lien pursuant to the provisions of NRS  
8 108.221 to 108.246, inclusive, *and sections 2 to 5, inclusive, of this*  
9 *act* on the property to file with the clerk and serve on the lien  
10 claimant and also on the defendant, if the defendant is within the  
11 State or is represented by counsel, written statements of the facts  
12 constituting their liens, together with the dates and amounts thereof.

13 3. All persons holding or claiming a notice of lien may join a  
14 lien claimant's action by filing a statement of facts within ~~[10 days~~  
15 ~~after the last]~~ *a reasonable time after* publication of the notice of  
16 foreclosure ~~[ ]~~ *or receiving notice of the foreclosure, whichever*  
17 *occurs later.* Any number of persons claiming liens may join in the  
18 same action if they timely file a statement of facts in the lien  
19 claimant's action. The lien claimant and other parties adversely  
20 interested must be allowed 20 days to answer the statements.

21 4. If it appears from the records of the county recorder that  
22 there are other notices of lien recorded against the same property at  
23 the time of the commencement of the action, the lien claimant shall,  
24 in addition to and after the initial publication of the notice of  
25 foreclosure as provided in paragraph (b) of subsection 2, mail to  
26 those other lien claimants, by registered or certified mail, or deliver  
27 in person a copy of the notice of foreclosure as published.

28 5. At the time of any change in the venue of the action, the lien  
29 claimant shall file a notice of pendency of the action, in the manner  
30 provided in NRS 14.010, and include in the notice the court and  
31 county to which the action is changed.

32 6. When separate actions are commenced by lien claimants to  
33 foreclose on their respective notices of lien, the court may  
34 consolidate all the actions. The consolidation does not affect or  
35 change the priority of lien claims.

36 7. The court shall enter judgment according to the right of  
37 the parties, and shall, by decree, proceed to hear and determine the  
38 claims in a summary way, or may, if it be the district court, refer the  
39 claims to a special master to ascertain and report upon the liens and  
40 the amount justly due thereon. No consequential damages may be  
41 recovered in an action pursuant to this section. All liens not so  
42 exhibited shall be deemed to be waived in favor of those which are  
43 so exhibited.

1       8. Upon petition by a lien claimant for a preferential trial  
2 setting:

3       (a) The court shall give preference in setting a date for the trial  
4 of an action brought pursuant to this section; and

5       (b) If a lien action is designated as complex by the court, the  
6 court may take into account the rights and claims of all lien  
7 claimants in setting a date for the preferential trial.

8       9. If the lienable amount of a lien claimant's lien is the subject  
9 of binding arbitration:

10       (a) The court may, at the request of a party to the arbitration,  
11 stay the lien claimant's action to foreclose the lien pending the  
12 outcome of the binding arbitration. If the foreclosure on the lien  
13 involves the rights of other lien claimants or persons whose claims  
14 are not the subject of the binding arbitration, the court may stay the  
15 lien claimant's foreclosure proceeding only upon terms which are  
16 just and which afford the lien claimant a fair opportunity to protect  
17 his lien rights and priorities with respect to other lien claimants and  
18 persons.

19       (b) Upon the granting of an award by the arbitrator, any party to  
20 the arbitration may seek an order from the court in the action to  
21 foreclose on the lien confirming or adopting the award and  
22 determining the lienable amount of the lien claimant's lien in  
23 accordance with the order, if any. Upon determining the lienable  
24 amount, the court shall enter a judgment or decree for the lienable  
25 amount, plus all amounts that may be awarded by the court to the  
26 lien claimant pursuant to NRS 108.237, and the court may include  
27 as part of the lien all costs and attorney's fees awarded to the lien  
28 claimant by the arbitrator and all costs and attorney's fees incurred  
29 by the lien claimant pertaining to any application or motion to  
30 confirm, adopt, modify or correct the award of the arbitrator. A  
31 judgment or decree entered by the court pursuant to this subsection  
32 may be enforced against the property as provided in subsections 10,  
33 11 and 12.

34       10. On ascertaining the whole amount of the liens with which  
35 the property is justly chargeable, as provided in NRS 108.221 to  
36 108.246, inclusive, *and sections 2 to 5, inclusive, of this act*, the  
37 court shall cause the property to be sold in satisfaction of all liens  
38 and the costs of sale, including all amounts awarded to all lien  
39 claimants pursuant to NRS 108.237, and any party in whose favor  
40 judgment may be rendered may cause the property to be sold within  
41 the time and in the manner provided for sales on execution, issued  
42 out of any district court, for the sale of real property.

43       11. If the proceeds of sale, after payment of the costs of sale,  
44 are not sufficient to satisfy all liens to be included in the decree of  
45 sale, including all amounts awarded to all lien claimants pursuant to

1 NRS 108.237, the proceeds must be apportioned according to the  
2 right of the various lien claimants. If the proceeds of the sale amount  
3 to more than the sum of all liens and the cost of sale, the remainder  
4 must be paid over to the owner of the property.

5 12. Each party whose claim is not satisfied in the manner  
6 provided in this section is entitled to personal judgment for the  
7 residue against the party legally liable for it if that person has been  
8 personally summoned or has appeared in the action.

If the hearing date is vacated without that stipulation, upon service and filing, a new preferential trial setting must be given.

~~[3-]~~ 4. A lien claimant shall, at the time of making his demand for a preferential trial setting, and each other party to the preferential trial shall, within 20 days after the lien claimant's service of the

1 demand, serve upon all parties to the preferential trial the following  
2 documents and information:

3 (a) A copy of all documents that the party intends to rely upon at  
4 the time of the trial;

5 (b) A list of witnesses whom the party intends to call at the time  
6 of the trial, which must include for each witness:

7 (1) The name of the witness;

8 (2) The company for whom the witness works and title of the  
9 witness; and

10 (3) A brief summary of the expected testimony of the  
11 witness;

12 (c) Any supplemental discovery responses as required by the  
13 Nevada Rules of Civil Procedure;

14 (d) The identity of each person whom the party expects to call as  
15 an expert witness at the trial, together with a statement of the  
16 substance of the facts and opinions to which the expert witness is  
17 expected to testify and a summary of the grounds for each opinion;

18 (e) Any expert reports not previously disclosed; and

19 (f) A detailed summary of all claims, offsets and defenses that  
20 the party intends to rely upon at the trial.

21 ~~[4]~~ 5. Within 20 days after receipt of an opposing party's  
22 identification of an expert witness, a party who desires to call a  
23 rebuttal expert witness at the trial must identify each person whom  
24 the party expects to call as a rebuttal expert witness, and must  
25 provide a statement of the substance of the facts and opinions to  
26 which the rebuttal expert witness is expected to testify and a  
27 summary of the grounds for each opinion.

28 ~~[5]~~ 6. A prevailing lien claimant on a claim against a surety  
29 bond must be awarded the lienable amount plus the total amount  
30 that may be awarded by the court pursuant to NRS 108.237 ~~[3]~~, *so  
31 long as the liability of the surety is limited to the penal sum of the  
32 surety bond*. Such a judgment is immediately enforceable and may  
33 be appealed regardless of whether any other claims asserted or  
34 consolidated actions or suits have been resolved by a final judgment.

35 **Sec. 21.** NRS 108.2425 is hereby amended to read as follows:

36 108.2425 1. The lien claimant may, within 15 days after the  
37 service of a copy of the surety bond pursuant to subsection ~~[3]~~ 4 of  
38 NRS 108.2415, file a motion with the clerk of the court in a pending  
39 action, or if no action has been commenced, file a petition with the  
40 court, excepting to the sufficiency of the surety or the surety bond,  
41 and shall, at the same time and together with that motion or petition,  
42 file an affidavit setting forth the grounds and basis of the exceptions  
43 to the surety or the surety bond, and shall serve a copy of the motion  
44 or petition and a copy of the affidavit upon the principal at the  
45 address set forth in the surety bond within 5 business days after

1 the date of filing. A hearing must be had upon the justification of the  
2 surety or the surety bond not less than 10 days and not more than 20  
3 days after the filing of the motion or petition. If the court determines  
4 that the surety or surety bond is insufficient, the lien claimant's lien  
5 will remain against the property or the court may allow the  
6 substitution of a sufficient surety and surety bond.

7 2. If, at any time after the recording of a surety bond pursuant  
8 to NRS 108.2415, the surety becomes unauthorized to transact  
9 surety business in this State pursuant to NRS 679A.030 or is  
10 dropped from the United States Department of the Treasury's  
11 Listing of Approved Sureties or there exists any other good cause, a  
12 lien claimant or other person having an interest in the surety bond  
13 may apply to the district court in a pending action, or commence an  
14 action if none is pending, for an order to require *the principal to*  
15 *provide* additional security or to change, substitute or add securities,  
16 or to enforce or change any other matter affecting the security  
17 provided by the surety bond.

18 3. If a court finds that the amount of a surety bond recorded  
19 pursuant to NRS 108.2415 is insufficient to pay the total amount  
20 that may be awarded by the court pursuant to NRS 108.237, the  
21 court shall ~~increase~~ *order the principal to obtain additional*  
22 *security or to change or substitute securities so that* the amount of  
23 the ~~surety bond to~~ *security provided is* 1.5 times the total amount  
24 that may be awarded.

25 4. Any surety that records or consents to the recording of a  
26 surety bond pursuant to NRS 108.2415 will ~~be~~  
27 ~~—(a) Remain~~ *remain* fully liable ~~on~~ *to any lien claimant for up*  
28 *to the penal sum of* the surety bond regardless of the payment or  
29 nonpayment of any surety bond premium. ~~;~~ *and*  
30 ~~—(b) Be liable for any increase in the amount of the surety bond~~  
31 ~~as ordered by the court pursuant to this subsection.]~~

32 **Sec. 22.** NRS 108.243 is hereby amended to read as follows:

33 108.243 1. Any ~~notice of~~ lien may be assigned in the same  
34 manner as any other chose in action after it has been perfected by  
35 recording.

36 2. An assignment of a lien before recording will not be  
37 effective until written notice of the assignment has been given to the  
38 owner by the assignee. The notice will be sufficient if delivered in  
39 person or mailed by certified mail to the owner. After such notice  
40 the assignee may perfect the lien in his own name.

41 3. One or more lien claimants of any class may assign their  
42 notices of lien by written assignment, signed by each assignor, to  
43 any other person or lien claimant of any class, and the assignee may  
44 commence and prosecute the action upon all of the notices of lien in  
45 his own name or in the name of the original lien claimant.

4. In the event that a claim for which a lien may be filed is assigned before it is perfected, such assignment does not discharge or defeat the right to perfect the lien, if the lien is reassigned to the lien claimant, and thereafter the lien is timely perfected.

**Sec. 23.** NRS 108.244 is hereby amended to read as follows:

108.244 A lien claimant or assignee of a lien claimant or claimants may not file a complaint for foreclosure of his notice of lien or the assigned notice of lien or notices of lien until 30 days have expired immediately following the ~~[[filing]]~~ *recording* of his notice of lien or following the ~~[[filing]]~~ *recording* of the assigned notice of lien or the last of the assigned notices of liens. This provision does not apply to or prohibit the filing of any statement of fact constituting a lien or statements of fact constituting a lien:

1. In an action already filed for foreclosure of a notice of lien; or

2. In order to comply with the provisions of NRS 108.239.

**Sec. 24.** NRS 108.245 is hereby amended to read as follows:

108.245 1. Except as otherwise provided in subsection 5, every lien claimant, other than one who performs only labor, who claims the benefit of NRS 108.221 to 108.246, inclusive, *and sections 2 to 5, inclusive, of this act* shall, at any time after the first delivery of material or performance of work or services under his contract, deliver in person or by certified mail to the owner of the property a ~~[[preliminary]]~~ notice of right to lien in substantially the following form:

#### Notice of Right to Lien

To:

(Owner's name and address)

The undersigned notifies you that he has supplied materials or equipment or performed work or services as follows:

.....  
(General description of materials, equipment, work or services) for improvement of property identified as (property description or street address) under contract with (general contractor or subcontractor). This is not a notice that the undersigned has not been or does not expect to be paid, but a notice required by law that the undersigned may, at a future date, record a notice of lien as provided by law against the property if the undersigned is not paid.

.....  
(Claimant)

\* S B 3 4 3 R 2 \*

1 A subcontractor or equipment or material supplier who gives such a  
2 notice must also deliver in person or send by certified mail a copy of  
3 the notice to the prime contractor for information only. The failure  
4 by a subcontractor to deliver the notice to the prime contractor is a  
5 ground for disciplinary proceedings against the subcontractor under  
6 chapter 624 of NRS but does not invalidate the notice to the owner.

7 2. Such a notice does not constitute a lien or give actual or  
8 constructive notice of a lien for any purpose.

9 3. No lien for materials or equipment furnished or for work or  
10 services performed, except labor, may be perfected or enforced  
11 pursuant to NRS 108.221 to 108.246, inclusive, *and sections 2 to 5,*  
12 *inclusive, of this act* unless the notice has been given.

13 4. The notice need not be verified, sworn to or acknowledged.

14 5. A prime contractor or other person who contracts directly  
15 with an owner or sells materials directly to an owner is not required  
16 to give notice pursuant to this section.

17 6. A lien claimant who is required by this section to give a  
18 notice of right to lien to an owner and who gives such a notice has a  
19 right to lien for materials or equipment furnished or for work or  
20 services performed in the 31 days before the date the notice of right  
21 to lien is given and for the materials or equipment furnished or for  
22 work or services performed anytime thereafter until the completion  
23 of the work of improvement.

24 **Sec. 25.** NRS 108.2453 is hereby amended to read as follows:

25 108.2453 1. Except as otherwise provided in NRS 108.221 to  
26 108.246, inclusive, *and sections 2 to 5, inclusive, of this act*, a  
27 person may not waive or modify a right, obligation or liability set  
28 forth in the provisions of NRS 108.221 to 108.246, inclusive ~~§~~ ,  
29 *and sections 2 to 5, inclusive, of this act*.

30 2. A condition, stipulation or provision in a contract or other  
31 agreement for the improvement of property or for the construction,  
32 alteration or repair of a work of improvement in this State that  
33 attempts to do any of the following is *contrary to public policy and*  
34 *is void* ~~§~~ *and unenforceable:*

35 (a) Require a lien claimant to waive rights provided by law to  
36 lien claimants or to limit the rights provided to lien claimants, other  
37 than as expressly provided in NRS 108.221 to 108.246, inclusive ~~§~~ ,  
38 *and sections 2 to 5, inclusive, of this act;*

39 (b) Relieve a person of an obligation or liability imposed by the  
40 provisions of NRS 108.221 to 108.246, inclusive ~~§~~ , *and sections 2*  
41 *to 5, inclusive, of this act;*

42 (c) Make the contract or other agreement subject to the laws of a  
43 state other than this State;

(d) Require any litigation, arbitration or other process for dispute resolution on disputes arising out of the contract or other agreement to occur in a state other than this State; or

(e) Require a *prime* contractor or subcontractor to waive , *release or extinguish* a claim *or right that* the *prime* contractor or subcontractor may otherwise possess *or acquire* for delay , *acceleration, disruption or impact* damages or an extension of time for delays incurred, for any delay , *acceleration, disruption or impact event* which was unreasonable under the circumstances, not within the contemplation of the parties at the time the contract was entered into, ~~and~~ *or* for which the *prime* contractor or subcontractor is not responsible.

**Sec. 26.** NRS 108.2457 is hereby amended to read as follows:

108.2457 1. Any term of a contract that attempts to waive or impair the lien rights of a contractor, subcontractor or supplier is void. An owner, contractor or subcontractor by any term of a contract, or otherwise, may not obtain the waiver of, or impair the lien rights of, a contractor, subcontractor or supplier, except as provided in this section. Any written consent given by a lien claimant that waives or limits his lien rights is unenforceable unless the lien claimant:

(a) Executes and delivers a waiver and release that is signed by the lien claimant or his authorized agent in the form set forth in this section; and

(b) In the case of a conditional waiver and release, receives payment of the amount identified in the conditional waiver and release.

2. An oral or written statement purporting to waive, release or otherwise adversely affect the rights of a lien claimant is not enforceable and does not create any estoppel or impairment of a lien unless:

(a) There is a written waiver and release in the form set forth in this section; *and*

(b) The lien claimant received payment for the lien ~~claim~~ and then only to the extent of the payment ~~[-or~~  
~~—(c) Payment has been]~~ *received.*

3. *Payment in the form of a two-party joint check* made payable to ~~the~~ a lien claimant and another joint payee ~~by way of a two-party joint check which,~~ *who are in privity with each other shall*, upon endorsement by the lien claimant and the joint check clearing the bank upon which it is drawn, ~~shall~~ be deemed to be payment to the lien claimant ~~of:~~

~~(1)]~~ *for only:*

(a) The amount of the joint check;

~~[(2)]~~ (b) The amount the ~~[owner]~~ payor intended to pay the lien claimant out of the joint check; or

~~[(3)]~~ (c) The balance owed to the lien claimant for the work, ~~[and]~~ materials or equipment covered by the joint check, whichever is less.

~~[(3)]~~ 4. This section does not affect the enforceability of either an accord and satisfaction regarding a bona fide dispute or any agreement made in settlement of an action pending in any court or arbitration, provided the accord and satisfaction or settlement make specific reference to the lien rights waived or impaired and is in a writing signed by the lien claimant.

~~[(4)]~~ 5. The waiver and release given by any lien claimant is unenforceable unless it is in the following forms in the following circumstances:

(a) Where the lien claimant is required to execute a waiver and release in exchange for or to induce the payment of a progress billing and the lien claimant is not in fact paid in exchange for the waiver and release or a single payee check or joint payee check is given in exchange for the waiver and release, the waiver and release must be in the following form:
