AN ACT relating to sanitation; revising the provisions governing the fees and charges levied by a municipality which has an approved plan for the management of solid waste; providing that any such unpaid fee or charge constitutes a lien against the property served; providing for the foreclosure of such a lien; and providing other matters properly relating thereto.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** NRS 444.520 is hereby amended to read as follows:

444.520 1. The governing body of any municipality which has an approved plan for the management of solid waste may, by ordinance, provide for the levy and collection of other or additional fees and charges and require such licenses as may be appropriate and necessary to meet the requirements of NRS 444.460 to 444.610, inclusive.

2. The fees authorized by this section are not subject to the limit on the maximum allowable revenue from fees established pursuant to NRS 354.5989.

*3. Until paid, any fee or charge levied pursuant to subsection 1 constitutes a perpetual lien against the property served, superior to all liens, claims and titles other than liens for general taxes and special assessments. The lien is not extinguished by the sale of any property on account of nonpayment of any other lien, claim or title, except liens for general taxes and special assessments. The lien may be foreclosed in the same manner as provided for the foreclosure of mechanics' liens.*

*4. A lien against the property served is not effective until a notice of the lien, separately prepared for each lot affected, is:*

*(a) Mailed to the last known owner at his last known address according to the records of the county in which the property is located;*

*(b) Delivered to the office of the county recorder of the county in which the property is located;*

*(c) Recorded by the county recorder in a book kept by him for the purpose of recording instruments encumbering land; and*

*(d) Indexed in the real estate index as deeds and other conveyances are required by law to be indexed.*
