AN ACT relating to professions; authorizing the Board of Athletic Trainers to issue a provisional license to an applicant for a license as an athletic trainer pending receipt of the report of the criminal history of the applicant from the Federal Bureau of Investigation; revising other provisions governing the applications for licensure; requiring the Board of Athletic Trainers to study and make recommendations concerning the regulation of personal trainers and other fitness instructors; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Under existing law, athletic trainers are licensed and regulated by the Board of
2 Athletic Trainers. (NRS 640B.300) As a condition for licensing, each applicant
3 must submit a complete set of fingerprints to the Board for submission to the FBI
4 for its report. (NRS 640B.310)
5 This bill provides that any fee paid by an applicant for a license as an athletic
6 trainer is nonrefundable. This bill authorizes the Board to issue a nonrenewable
7 provisional license to an applicant if the Board has not received the FBI’s report but
8 the applicant is otherwise qualified. If the Board denies the application of an
9 applicant who has received a provisional license, the provisional license is
10 automatically revoked.
11 This bill requires the Board to conduct hearings for the purpose of making
12 recommendations on the regulation of personal trainers and other fitness
13 instructors. The Board must establish a registry of personal trainers and other
14 fitness instructors to provide notice of the hearings. The Board must submit an
15 interim report of its progress to the Legislative Commission by September 1, 2006,

16 and a final report of its findings and recommendations to the Director of the
17 Legislative Counsel Bureau for transmission to the 2007 Legislature.
