AN ACT relating to tourism; revising the manner in which certain money is transferred by the State Controller for use by the Committee for the Development of Projects Relating to Tourism; removing the requirement that the Interim Finance Committee approve certain transfers of money by the State Controller to the Committee; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law creates the Committee for the Development of Projects Relating to
2 Tourism, which provides grants to counties, cities, and local and regional
3 organizations in this State to develop publicly owned property, facilities and
4 infrastructure to support and attract visitors to this State. (NRS 231.330, 231.360)
5 The grants are made from money in the state Fund for the Promotion of Tourism,
6 which consists, in part, of revenue from the mandatory room tax imposed by
7 counties and cities, and from gifts, grants and other money that is made available to
8 the Committee. (NRS 244.3354, 268.0962, 231.250, 231.360) Existing law requires
9 the State Controller, upon request by the Committee, to transfer all money made
10 available to the Committee for its use in making grants to a special account in the
11 State General Fund, which is administered by the Committee. (NRS 231.360)

12 This bill removes the requirement that the Committee request the transfer of the
13 money made available to it for making grants to that special account and, instead,
14 requires the State Controller to automatically transfer that money to the special
15 account on July 1 of each odd-numbered year.

16 Existing law limits the amount of revenue from the mandatory room tax
17 imposed by counties and cities that is deposited in the state Fund for the Promotion

of Tourism which may be made available in any biennium to the Committee for making grants. (NRS 244.3354, 268.0962, 231.250, 231.360) Under existing law, the State Controller is prohibited from transferring the money that is made available to the Committee from the mandatory room tax to the special account in the State General Fund that is administered by the Committee unless the Interim Finance Committee approves the transfer. (NRS 231.360)

This bill removes the requirement that the Interim Finance Committee approve such a transfer.
