AN ACT relating to tourism; revising the manner in which the Committee for the Development of Projects Relating to Tourism receives, administers and disburses certain money relating to the Grant Program administered by the Committee; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Existing law creates the Committee for the Development of Projects Relating to  
2 Tourism, which provides grants to counties, cities, and local and regional  
3 organizations in this State to develop publicly owned property, facilities and  
4 infrastructure to support and attract visitors to this State. (NRS 231.330, 231.360)  
5 The grants are made from money in the state Fund for the Promotion of Tourism,  
6 which consists, in part, of revenue from the mandatory room tax imposed by  
7 counties and cities, and from gifts, grants and other money that is made available to  
8 the Committee. (NRS 231.250, 231.360, 244.3354, 268.0962) Existing law requires  
9 the State Controller, upon request by the Committee, to transfer all money made  
10 available to the Committee for its use in making grants to a special account in the  
11 State General Fund, which is administered by the Committee. (NRS 231.360)

12 This bill requires the Committee for the Development of Projects Relating to  
13 Tourism to administer the Fund for the Promotion of Tourism and, in relevant part,  
14 provides that gifts, grants and other money received for the development of projects  
15 relating to tourism must be deposited in the Fund. This bill also removes the State  
16 Controller from the process of transferring money to the Committee and instead  
17 provides that the Committee, as administrator of the Fund, may provide grants of

18 money to counties, cities and local and regional organizations in this State for the  
19 development of projects relating to tourism, to the extent authorized by the  
20 Legislature or the Interim Finance Committee.

21 Existing law limits the amount of revenue from the mandatory room tax  
22 imposed by counties and cities that is deposited in the state Fund for the Promotion  
23 of Tourism which may be made available in any biennium to the Committee for  
24 making grants. (NRS 231.250, 231.360, 244.3354, 268.0962) Under existing law,  
25 the State Controller is prohibited from transferring the money that is made available  
26 to the Committee from the mandatory room tax to the special account in the State  
27 General Fund that is administered by the Committee unless the Interim Finance  
28 Committee approves the transfer. (NRS 231.360)

29 This bill removes the limitation on the amount of money that may be disbursed  
30 through the Grant Program administered by the Committee and eliminates transfers  
31 of money to the State General Fund.
