AN ACT relating to juveniles; revising the provisions pertaining to evaluations of juveniles who commit certain unlawful acts involving alcohol or controlled substances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law requires a juvenile court to order a delinquent child to be
2 evaluated to determine whether the child is an abuser of alcohol or other drugs if
3 the child committed certain unlawful acts involving alcohol or drugs. Pursuant to
4 the evaluation, the juvenile court must order the child to participate in a program of
5 treatment as recommended by the evaluator. (NRS 62E.620)
6 This bill removes from the mandatory evaluation a child who commits certain
7 unlawful acts for the first time. This bill retains the mandatory evaluation of a child
8 who unlawfully operated a motor vehicle while under the influence of alcohol or
9 other drugs. However, this bill gives the juvenile court discretion whether to order
10 such an evaluation for a child who unlawfully used, possessed, sold or distributed a
11 controlled substance or who unlawfully purchased, possessed or consumed an
12 alcoholic beverage if the child has not previously been found to have committed
13 one of those acts.
