AN ACT relating to juveniles; revising the provisions pertaining to evaluations of juveniles who commit certain unlawful acts involving alcohol or controlled substances; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Existing law requires a juvenile court to order a delinquent child to be  
2 evaluated to determine whether the child is an abuser of alcohol or other drugs if  
3 the child committed certain unlawful acts involving alcohol or drugs. Pursuant to  
4 the evaluation, the juvenile court must order the child to participate in a program of  
5 treatment as recommended by the evaluator. (NRS 62E.620)

6 This bill removes from the mandatory evaluation a child who commits certain  
7 unlawful acts for the first time. This bill retains the mandatory evaluation of a child  
8 who unlawfully operated a motor vehicle while under the influence of alcohol or  
9 other drugs. However, this bill gives the juvenile court discretion whether to order  
10 such an evaluation for a child who unlawfully used, possessed, sold or distributed a  
11 controlled substance or who unlawfully purchased, possessed or consumed an  
12 alcoholic beverage if the child: (1) has not previously been found to have  
13 committed one of those acts; and (2) resides more than 50 miles from the nearest  
14 location at which an evaluation may be conducted.
