AN ACT relating to certified court reporters; eliminating the requirement that a certified court reporter be appointed as a notary public to administer an oath or affirmation; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

- 1 Under existing law, a certified court reporter may not administer oaths and
- 2 affirmations unless the court reporter is appointed as a notary public, including a
- 3 notary public with limited powers. (NRS 240.030, 240.069) This bill eliminates that
- 4 requirement and specifically authorizes a certified court reporter to administer oaths
