AN ACT relating to common-interest communities; requiring a member of an executive board of a unit owners' association who stands to profit personally from a matter before the board to disclose and abstain from voting on the matter; requiring that bids for an association project be considered and opened at a meeting of the executive board; making provisions authorizing the transient commercial use of units in a planned community in certain circumstances applicable in all counties; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1      **Section 2** of this bill provides additional ethical requirements for members of  
2      an executive board of a unit owners' association by requiring a member who stands  
3      to gain any personal profit or compensation from a matter before the executive  
4      board to disclose the matter to the executive board and to abstain from voting on  
5      the matter. (NRS 116.31185, 116.31187)

6      With some exceptions, existing law requires an executive board to hold open  
7      meetings, including meetings to consider a contract. (NRS 116.31085) **Sections 3**  
8      and **5** of this bill require an association that solicits bids for association projects,  
9      including, without limitation, projects that involve maintenance, repair,  
10     replacement or restoration of any part of the common elements, to consider and  
11     open the bids during a meeting of the executive board of the association.

12     Existing law provides for remedial and disciplinary action for any violation of  
13     the provisions of chapter 116 of NRS governing common-interest communities  
14     which will apply to a violation of **section 2 or 3** of this bill. (NRS 116.745-  
15     116.795)

16       **Section 6** of this bill makes the provisions allowing the transient commercial  
17 use of units within a planned community that is restricted to residential use in  
18 certain circumstances applicable in all counties rather than just in larger counties.
