FISCAL NOTE: Effect on Local Government: No.  
Effect on the State: No.

EXPLANATION – Matter in **bolded italics** is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to collection agencies; clarifying when collection agents and collection agencies may record telephone calls; providing that violations of the provisions of the federal Fair Debt Collection Practices Act are deemed violations of certain provisions governing collection agencies; requiring a collection agency which collects a debt on behalf of a hospital to provide certain notice to a debtor; specifying the manner in which a collection agency must verify a debt; making various other changes concerning collection agencies and collection agents; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law generally requires two-party consent before a person may record a telephone conversation. (NRS 200.620) The Nevada Supreme Court has interpreted existing law to prohibit a person from recording his own telephone conversations unless the other party to the conversation gives prior consent to the recording. (*Lane v. Allstate Ins. Co.*, 114 Nev. 1176 (1998)) Existing law also prohibits the surreptitious listening, monitoring or recording of private conversations engaged in by other persons. (NRS 200.650)

**Section 4** of this bill provides that, after providing notice to the collection agency or collection agent that the telephone call is being recorded and making a statement to that effect on the recording, a person may record any telephone call concerning a debt which is owed or asserted to be owed by the person if the

\* A B 1 2 7 R 2 \*

telephone call is initiated by a collection agency or collection agent and received by the person who owes or is alleged to owe the debt.

**Section 5** of this bill provides that a violation of any provision of the federal Fair Debt Collection Practices Act, 15 U.S.C. §§ 1692 et seq., or any regulation adopted pursuant thereto, shall be deemed to be a violation of chapter 649 of NRS governing collection agencies.

**Section 6** of this bill provides that, to verify a debt, a collection agency is required to obtain certain documents from the creditor and mail those documents to the debtor. **Section 6** also requires a collection agency that is collecting a debt on behalf of a hospital to provide certain information to a debtor not later than 5 days after the initial communication with the debtor in connection with the collection of the debt.

Existing law exempts certain persons from obtaining a collection agency license in Nevada if certain conditions are met. (NRS 649.075) **Section 7** of this bill removes that exemption and requires all such persons to either register as a foreign collection agency or obtain a license.

Existing law requires each applicant for a license as a collection agency or collection agent to submit proof of certain information to the Commissioner of Financial Institutions, including, without limitation, proof that the applicant will maintain one or more offices in this State for the transaction of the business of his collection agency. (NRS 649.085) **Section 8** of this bill allows the applicant to satisfy this requirement by submitting proof that the applicant will maintain one or more such offices in another state.

**Section 9** of this bill removes the requirement that a person must hold a license in another state in order to be registered as a foreign collection agency in Nevada. **Section 9** also limits the activities of a registered foreign collection agency to collecting from residents of this State on behalf of residents of another state. (NRS 649.171)
