AN ACT relating to watercraft; prohibiting the owner of a boat livery or his agent or employee from renting an aquatic device to any person unless the owner, agent or employee complies with certain requirements; increasing the age under which a person on a vessel is required to wear a personal flotation device; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 **Section 1** of this bill prohibits the owner of a boat livery or his agent or
2 employee from renting an aquatic device to any person unless the owner or his
3 agent or employee complies with certain requirements, including, without
4 limitation, providing to each person who will use the aquatic device a personal
5 flotation device approved by the United States Coast Guard and giving verbal
6 instructions for the safe use of the aquatic device. An “aquatic device” includes an
7 inner tube or inflatable raft, but does not include a vessel or motorboat or any
8 device used in a designated swimming area. **Section 1** also prohibits a person who
9 is less than 13 years of age from using an aquatic device unless the person is
10 wearing a personal flotation device.

11 Existing law requires a person under the age of 12 years to wear a personal
12 flotation device when on the topside of a noncommercial vessel. (NRS 488.575)
13 **Section 2** of this bill raises the age to less than 13 years of age.
