AN ACT relating to justice courts; expanding the jurisdiction of justice courts in criminal cases in which an arrest was made by a field agent or an inspector of the State Department of Agriculture; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

- 1 Existing law provides that in criminal cases, the jurisdiction of justice courts
2 extends to the limits of their respective counties with two exceptions. (NRS 4.370)
3 First, each justice court has jurisdiction of any violation of a regulation governing
4 vehicular traffic on an airport within the township in which the court is established.
5 Second, in the case of an arrest made by a member of the Nevada Highway Patrol,
6 the jurisdiction of the justice courts extends to the limits of their respective counties
7 and to the limits of all counties which have common boundaries with their
8 respective counties. This bill similarly expands the jurisdiction of justice courts by
9 providing that in the case of an arrest made by a field agent or an inspector of the
10 State Department of Agriculture, the jurisdiction of the justice courts extends to the
11 limits of their respective counties and to the limits of all counties which have
12 common boundaries with their respective counties.
