AN ACT relating to education; requiring the State Board of Health to adopt regulations requiring the immunization against meningococcal disease of certain students who are enrolled in an institution within the Nevada System of Higher Education; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 The State Board of Health prohibits a student from attending the University of
2 Nevada, Las Vegas, or the University of Nevada, Reno, unless he submits proof to
3 the university that he has been immunized against the communicable diseases
4 specified by the Board or is excused from being immunized because of a medical
5 condition or religious belief. (NAC 441A.755) This bill requires the Board to adopt
6 regulations requiring the immunization of students who are enrolled in a university,
7 state college or community college within the Nevada System of Higher Education.
8 A student is exempt from the regulations if he has been immunized against
9 meningococcal disease or is excused from being immunized because of a medical
10 condition or religious belief.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** Chapter 441A of NRS is hereby amended by
2 adding thereto a new section to read as follows:

3 *1. Except as otherwise provided in this section, the Board
4 shall adopt regulations requiring the immunization against
5 meningococcal disease of students who are enrolled in a
6 university, state college or community college within the Nevada
7 System of Higher Education for those students who:*

8 *(a) Reside in housing that is offered by or through the System
9 or the institution in which the student is enrolled; or*

10 *(b) Are in a category of students for which the Board
11 determines, in consultation with the Chancellor of the System, are
12 necessary to receive the immunization.*

13 *2. The regulations adopted by the Board must not require the
14 immunization of students who are enrolled in a university, state
15 college or community college within the Nevada System of Higher
16 Education but who do not regularly attend classes on a campus of
17 the System, including, without limitation, students who are
18 enrolled in distance education. The Board shall work in
19 consultation with the Chancellor of the System to determine which
20 students do not regularly attend classes on a campus of the
21 System.*

22 *3. A student is exempt from the requirement of immunization
23 against meningococcal disease as required by the regulations of
24 the Board if the student submits:*

25 *(a) A statement from a licensed physician that the student has
26 a medical condition that does not permit him to be immunized
27 against the disease; or*

28 *(b) A statement that the religious beliefs of the student do not
29 permit him to be immunized.*

30 *4. If applicable, the university, state college or community
31 college within the Nevada System of Higher Education shall
32 include the proof of immunization or other statement in the record
33 of the student.*

34 **Sec. 2.** 1. On or before December 1, 2007, the State Board of
35 Health shall adopt regulations required by section 1 of this act. The
36 regulations must apply to students who initially enroll in a
37 university, state college or community college within the Nevada
38 System of Higher Education on and after July 1, 2008.

39 2. The State Board of Health and the Board of Regents of the
40 University of Nevada shall ensure that the students enrolled in the
41 Nevada System of Higher Education and their parents are
