

Assembly Bill No. 244—Assemblymen Conklin,
Parnell, Smith and Kirkpatrick

CHAPTER.....

AN ACT relating to education; revising provisions governing the review of school districts based upon certain financial management principles; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that to the extent money is made available by the Legislature, each school district in this State must undergo a review every 6 years to determine whether the school district is successfully carrying out certain financial management principles. (NRS 387.602-387.644) A school district may, under certain circumstances, be exempt from the 6-year review and undergo the review every 12 years. (NRS 387.631, 387.639) Upon completion of the review of a school district, the consultant who conducted the review must submit a preliminary report of the review to the superintendent of schools of the school district for the superintendent to prepare a written response. The preliminary report and the final report must be made available to the general public. (NRS 387.631) This bill revises provisions governing the preliminary report of the review and requires the consultant to submit the preliminary report to the superintendent of the school district or the superintendent's designee for preparation of a written response of the school district. This bill also makes the preliminary report confidential until the final report has been submitted.
