AN ACT relating to consumer reporting; prohibiting a credit reporting agency from charging certain elderly consumers a fee to release their consumer reports to specific persons or for specific periods or to place security freezes in or remove security freezes from their credit files; reducing the amount of fees that may be charged by credit reporting agencies to other consumers; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law authorizes a credit reporting agency to charge a fee to place a
2 security freeze in or to remove a security freeze from the credit file of a consumer if
3 requested by the consumer. (NRS 598C.300, 598C.320) The security freeze is
4 designed to prevent a credit reporting agency from releasing a consumer report
5 without the consumer's consent. (NRS 598C.310) A credit reporting agency may
6 also charge a fee to release temporarily a credit report of a consumer to a specific
7 person or for a specific period. (NRS 598C.320)
8 This bill prohibits a credit reporting agency from charging a consumer who is
9 65 years of age or older a fee to release temporarily his consumer report to a
10 specific person or for a specific period or to place a security freeze in or to remove
11 a security freeze from his credit file and reduces the maximum amount of the fees
12 authorized for other persons.
