

Assembly Bill No. 250—Committee on Education

CHAPTER.....

AN ACT relating to education; revising the requirements relating to emergency drills for pupils in private elementary and secondary educational institutions; revising provisions relating to the inspection of such institutions; revising the provision governing the fees relating to such institutions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires every private school to provide emergency drills for pupils at least twice each month during the school year. (NRS 394.170) **Section 1** of this bill reduces the minimum number of required emergency drills each month to one drill.

The Private Elementary and Secondary Education Authorization Act governs the operation of private elementary and secondary educational institutions in this State. (NRS 394.201-394.351) Certain institutions are exempt from the Act, including institutions offering religious or sectarian instruction. (NRS 394.211) **Section 2** of this bill exempts institutions maintained by another state or the District of Columbia and supported by public money.

To obtain and maintain their exempt status, eligible institutions must initially file an exemption with the State Board of Education and file a renewal of the exemption with the Board every 2 years. **Section 2** of this bill requires the Superintendent of Public Instruction, upon receipt of an exemption or renewal of an exemption for an institution, to cause an inspection of the exempt institution to be conducted to ensure compliance with all applicable laws, including laws relating to health and safety.

Under existing law, a license other than a provisional license to operate a nonexempt private elementary or secondary educational institution is effective for a term of not more than 2 years unless authorization is given in certain circumstances for a term of not more than 4 years. (NRS 394.251) Existing law requires the Superintendent of Public Instruction to cause an inspection of each licensed institution to be conducted at least every 2 years. (NRS 394.245) **Section 3** of this bill eliminates the 2-year requirement for inspections and requires the Superintendent of Public Instruction to cause an inspection to be conducted upon receipt of an application for a license or renewal of a license to operate. **Section 4** of this bill also specifically authorizes the Superintendent to cause an inspection of a licensed institution to be conducted upon receipt of a verified complaint against the institution.
